# Celebrity Interview: Model CariDee English Is “Off the Market Officially!”

Interview by [Whitney Johnson](#). Written by [Rebecca White](#).

You may recognize CariDee English as the season 7 winner of *America's Next Top Model*, but she has come a long way in her career since 2006. In our [celebrity interview](#), the former reality TV star opens up about her current boyfriend, her struggle with Psoriasis and how it has affected her relationships and love life, and the upcoming music video that

she stars in. Plus, she shares her best fashion and beauty tips for your next date night.

## CariDee English Opens Up About Her Relationship and Love Life

Sorry, guys: This beautiful blonde is “off the market officially.” She’s been dating musician Ilan Rubin since they ran into each other at a Halloween party, but she admits that she “stalked him on Instagram for a couple of years” first. Given their shared passion for music, particularly drumming, she says, “I love the way he worked. First and foremost, I was in love with the artist in him.”

For women trying to find the courage to make the first move, take a cue from English: After she realized Rubin was flirting with her, she took the reins. “I definitely approached him. I picked him up 100 percent,” she shares. The couple has been together ever since!

**Related Link:** [Bobbie Thomas on Date Night Fashion: “If You’re Looking to Have a Good Time, Don’t Be Uncomfortable!”](#)

Since both of them travel often for work, they have to take advantage of date nights when they can. The models says her perfect time with her man is when she doesn’t have to share him with anyone else. She elaborates, “With work, we’re constantly out with other people, so it’s just nice to get all of his attention.”

When it comes to her three must-haves in a partner, English knows exactly what she wants: He needs a job; he needs to share some of her passions and interests; and most importantly, he needs to be loyal. “I can’t stress it enough: You can have the hottest guy with the best job, but if he’s not loyal, you’re gonna feel like shit,” she says in our celebrity interview.

# Former Reality TV Star Shares Dating Advice in Celebrity Interview

Many fans now know English from the often-played Stelara commercials. Given her role as spokesperson for the medicine, it's no surprise that she's very candid when discussing her Psoriasis, which she's had since she was five years old. "It really impacted my dating life. It's the biggest reason why I'm so cool and half the reason why it took so long to lose my virginity," she says with a laugh. "It's something that you can't cover up, and it's something that you can feel to the touch."

While not all of us struggle with something like Psoriasis, the North Dakota native recognizes that, "as women, we are always going to be uncomfortable about something." She encourages you to "embrace whatever it is that's less than perfect. The best way to find confidence is just to put time into yourself." Something as simple as taking a walk two times a week can help you feel more in tune with yourself. "That automatically makes you feel more comfortable when it comes time to reveal your body in front of a partner," she adds.

**Related Link:** ['Bachelorette' Star Desiree Hartsock Says Confidence is Key to Finding Mr. Right](#)

English also believes that it's important to share your insecurities with your partner once you are comfortable with them, even though the fear of rejection is so high. "They're only going to love you more. I guarantee that," she shares.

Of course, as much as you work on inner confidence, you're outer appearance also affects how you ultimately feel. "Confidence comes from within, but it will show on the outside," the model says. "Whenever I'm not feeling all that sure of myself, I'll wear a bright lip or a powerful

color like red and throw in a little extra time on my hair.” Whatever you do, don’t give into your self-doubt and decide not to go out. “Don’t let your insecurity win. Beat it with a punch – a punch of color,” she says.

If all else fails, English recommends wearing something black. “It’ll make you feel slinky and smooth and slender. It kind of makes you feel like a bad ass,” the star divulges. “A great leather jacket will go a long way to improve your mood too.”

To add a little pizazz to your dating life, try something new when it comes to your beauty routine. It can be as simple as putting on a new lipstick or as drastic as changing your hair color. Whatever you decide to do, English says, “Just commit to it. Go for it 100 percent and wear it with no apologies.”

**Related Link:** [Dating Advice: 5 Tips for Awesome Lips for Your First Kiss](#)

On a first date, though, you may want to keep your look simple. “The more you put on, the more upkeep you have to do,” she reminds us. “Make sure you bring everything needed for touch-ups!”

When she’s not modeling, English loves doing anything related to music. She’s currently working on a music video for the band Mini Mansions, which is Michael Shuman’s band, who is the bassist for Queens of the Stone Age. “I’m excited because I get to do my art, my modeling, but I get to do it in a live action way,” she says.

want to make it clear that I have in no way hitched my wagon to his star,” Union said. “I have my own wagon and star.”

## **Many celebrity couples need to put a prenup in place prior to getting married. What are three reasons why prenups can help your relationship and love life?**

### **Cupid’s Advice:**

While we aren’t all celebrity couples with our ‘wagon and star,’ we do need to protect our assets and openly communicate with our partners. Remember to keep in mind that while this agreement is binding, it is not necessarily planning for divorce. It’s simply having a backup plan:

**1. Upfront and honest communication:** Relationships require upfront and honest communication. Now that Union and Wade have discussed and planned for the future, there will be no need for arguments pertaining to power issues later on.

**2. Separating debt:** Debts pile up, regardless of whether you’re a celebrity couple or not. It may be wise to separate debt obligations like student loans, child support and/or credit cards. Discussing which income will pay for each debt and what impact that will have on future purchases is very important. Keep in mind that prenups are open to amendment with a postnup, in case circumstances change.

**3. Make sure your partner is marriage material:** Many of the

issues discussed during a prenup agreement are things that you would actually want to know before getting married. These conversations will help reveal what you have in common and what could become a deal breaker. Luckily, Union and Wade were even happier in their Hollywood relationship after getting a prenup!

# Sofia Vergara and Joe Manganiello Reveal Fall Celebrity Wedding Plans

By [Rebecca White](#)

Another celebrity wedding is underway. Sofia Vergara and Joe Manganiello recently revealed that they will tie the knot this coming fall. The famous couple got engaged over the holidays after only six months of dating and the marriage plans are not moving much slower. According to [UsMagazine.com](#), although the Hollywood couple are still finalizing the wedding date, one thing they do know is that their celebrity wedding will be huge. "It's going to be big," Vergara said. "We started off with 20 [on the guest list], and now there's like pages and pages."

# Whether it's a celebrity wedding or not, timing is crucial. What are some ways to decide when to have your wedding like this famous couple?

## Cupid's Advice:

Setting the date of your wedding is one of the hardest decisions to make after getting engaged. Should you go for a long engagement or a short one? Should you follow the love advice of your family and friends, or follow your heart? Cupid has some tips:

**1. Choose your season:** First, let's start broad and then narrow our way to the perfect date. Choosing the season you want to get married comes first. Do you want summer beach pictures? Would you prefer pictures with the leaves changing color in the fall? Think of what season makes for the best pictures.

**Related Link:** [Sofia Vergara Is Engaged to Joe Manganiello After Only Six Months of Dating](#)

**2. Choose your price:** The budget can actually decide when the ceremony will take place. For example, June, July, August, and September are the most popular times to marry, so the prices during these months will be higher. Also, deciding to marry on a weekday instead of the weekend can save money, as Saturday night weddings carry a hefty price tag.

**Related Link:** [Sofia Vergara Speaks Out About New Boyfriend Joe Manganiello](#)

**3. Keep in mind the no-no days:** After choosing what season, what month, and whether or not it will be a weekend or

weekday, then you have to keep in mind specific days. For example, take a poll of the most important people who have to be there and block off their no-no days. Keep in mind various religious holidays, crunch time at work, and any other plans that may come in the way. Choosing your no-no days will narrow down your options once again, and then you're ready to decide!

Hollywood couple Miley Cyrus and Patrick Schwarzenegger enjoyed a celebrity vacation to Maui, after spending time partying in Miami and heading to Idaho with Schwarzenegger's father. #### **Cupid's Advice:**

Not all of us can afford a celebrity vacation, but that doesn't mean we can't have fun. There are many ways to make your next trip easy on your wallet. Consider using a vacation to improve your relationship and love. Keep these three things

in mind if you want to have a trip to remember:

**1. Keep location in mind:** Sometimes all you need to do is focus on picking a less touristy location in order to save some money on your vacation. National parks are very easy on the budget because all you have to do is spend money on gas (pick a park close to home!) and then spend the night in a cheaper hotel or at a campground.
