She shared with Ellen on *The Ellen Show* some insight on the topic, saying, “OK, first of all, stop. I don’t date younger men,” Lopez, 47, told host [Ellen DeGeneres](#). “It’s not like you have to be younger, it’s not about that. I just meet people and if I go out with them, I go out with them, and if I like them, I like them and if I don’t, I don’t. It’s just about the person. It’s about who they are, it has nothing to do with age. I dated Beau [Casper Smart] and he was younger and that was the first guy I ever dated younger than me and then I got labeled right away,” she continued. “If they’re older, they’re older. If they’re younger, they’re younger. It doesn’t matter. It’s whether or not I’m attracted to them or not, attracted to their spirit, their soul, whatever their energy is.”

“Debbie Downer.” Don’t let sadness get in the way of your dating life. Men like happy women, they want to be a part of positive energy and make a woman happier. At least a man that desires a healthy relationship will want to do these things.

**Related Link:** [Dating Advice: Manifesting the Right Man?](#)

**2. Be confident.** Men love seeing an independent and confident woman. You don’t need to be a damsel in distress all the time, it’s not really sexy and can actually be scary- which will ultimately repel a man. The women that have a good head on their shoulders are the ones who attract quality men.

**Related Link:** [Dating Advice: How to Get Him to Commit to You!](#)

**3. Be present.** Stay “in the moment” when you’re on a date. Don’t daydream about a future that doesn’t exist. Be attentive and engaging. Also try to avoid thinking of the past, it’s a sure way to sabotage a good moment. It’s also a good idea to put your cell phone away. Being present automatically makes you irresistible to a man.

# Dating Advice: Manifesting the Right Man?

14

On this week's episode of Single in Stiletto, founder and matchmaker Suzanne Oshima talks to relationship expert Jaki Sabourin to offer their best [dating advice](#) for those trying to find love. Learn how you can improve your relationships by "manifesting a man" with the following dating tips!

## Dating Advice That Will Help You Find A Man!

**1. Find clarity.** You need to address what you want and why. By evaluating your needs and wants, you'll be able to narrow down your list of potential partners. You don't want to waste time or send mixed messages while you're dating. A great way to clarify your desires is by cultivating those traits in yourself, which will in turn attract and manifest in a man.

**Related Link:** [Dating Advice: How to Avoid Holiday Weight Gain!](#)

**2. Thoughts, words and deeds (a creation trilogy).** The best way to find a quality man is by having a positive attitude. You need to be consistent in your thinking, wording and actions. If you have doubt or tell your friends that there's "no good men out there" while you're dating, that is just setting yourself up for disaster. By making sure everything you do is in alignment, you'll attract a great man.

**Related Link:** [Dating Advice: How to Become Irresistible to a Man](#)

**3. Commit.** Don't give up if things aren't going according to plan. Love doesn't happen overnight. You need to put in the time and effort to find someone, especially if you're trying your hand at online dating. Checking out of the process simply because you're upset is a terrible thing to do. Give yourself a year at least to improve your dating skills. You need to evolve in order to find a man worthy of manifesting.

# **Celebrity Breakovers: Kardashian Breakups That Have Broken Necks & Other Helpful**

# Relationship Advice

By

Lori Zaslow and Jennifer Zucher for [Project Soulmate](#) with contributing writer Hana Gilbert

As healthier lifestyles have become a steady trend across the nation, the next generation grows more comfortable bringing health and fitness into their relationships. The latest craze that is catching fire is the breakover. What on earth is a breakover you may ask? Well, a breakover, otherwise known as the “revenge body,” is a complete reinvention of oneself. By changing one’s image through the transformation of mind and body as they shed both the pounds and people holding them back. If there was an award ceremony for Hollywood breakovers, spots one, two, and three belong to, yep, you guessed it, Khloe, Kourtney, and Kim Kardashian. Not only did their breakovers that focus on being fit, but also on staying fabulous, and falling back in love. In other words, the

Kardashian sisters turned their breakups into breakovers and started breaking necks. Here's some [relationship advice](#) that can help you achieve your own breakover.

## Relationship Advice That Will Encourage You To Turn Breakups into Breakovers!

**Be Fit Like Khloe:** [Khloe Kardashian's](#) breakover is probably the most significant of all time. Since her split from husband Lamar Odom in 2013, she has shed 35-pounds and transformed herself from “the fat, chubby, unhealthy sister of Kourtney and Kim,” to a gym enthusiast with a commitment to healthy living. Her breakover focused on finding self-love and independence after a devastating divorce, and she managed to break the bank as it inspired both her own book *Strong Looks Better Naked* and her own TV series, *Revenge Body*. Getting a “revenge body” after a breakup is one of the best ways to move on. Yes, you have the ability to show your ex what he or she is missing. More importantly, however, you gain the confidence you need to get through one of the most humiliating, insecure times in your life. Exercise has the ability to transform from the inside out. A breakover that focuses on fitness and healthy living not only improves how others view you, but how you view yourself. Trimming the fat includes both the extra relationship weight and the negative attitudes, vibes, and opinions surrounding the breakup. Breakups can leave you with a lot of free time. Instead of wallowing in self-pity and a pint of ice cream, do yourself a favor and sweat out your negative energy, thoughts and feelings. Your future self and significant other will thank you for it.

*“Fitness is not about being better than someone else... It's about being better than you used to be. I'm not where I want to be, and who knows if i ever will be.” – Khloe Kardashian*

**Related Link:** [Relationship Advice: What Your Type Says About You](#)

**Be Fab Like Kourtney:** Back in 2015, [Kourtney Kardashian](#) called it quits with long time love Scott Disick. After nine years and three children, Kourtney decided it was best if the couple spent some time apart. As Scott continued to spiral, Kourtney continued to squat, making her, hands-down MILF of the year. Although Kourtney flaunted her post-baby abs and cellulite-less tush, she gained most of her recognition from her Kylie-like fashion statements. The eldest of the three sisters had no shame in her game as she flaunted her revenge body in stylish crop tops, daisy dukes, and bodycons while rocking bold lips and eyes. How you dress after a breakup speaks volumes about how you're handling the split. It is important to critique your style so that, although you're an emotional mess on the inside, you project a classy lady who hasn't lost her grace and dignity. Just like Kourtney, don't be afraid to step outside your comfort zone and wear something you feel sexy in. Heels are also a breakover essential. Heels transform the way you look, from your legs up to your shoulders. You'll be amazed at the level of confidence of few inches adds. Transform your normal makeup routine with sparks of glamour. Don't be afraid to test a new lip color, or a sultry smokey eye. The glam additions will only further your confidence, helping you to love the new you in your new single life. The strong, confident face you see in the mirror now is the perspective you need to move on in the future.

*Khloe – “Who calls you Queen?”*

*Kourtney – “Every single person on Twitter, Instagram, and anyone that meets me.”*

**Related Link:** [Celebrity News: Kourtney Kardashian & Justin Bieber Hang at Club After Fling](#)

**Be Fallen Over in Love Like Kim:** Although Kourtney and Khloe

used physical attributes to motivate their breakovers, [Kim Kardashian's](#) breakover focused more on an emotional makeover. After her disastrous, 72-day marriage to Kris Humphries ended, Kim, just like the rest of us, was left heartbroken and humiliated. Opinions swirled regarding the two, adding to the emotional turmoil of the split. We all are aware of the drama that followed the split, and later Kanye's proposal of the century, so I'll just skip right to the most important part of Kim's breakover: Time... Time to heal, and time spent alone. Breakups, separations, and divorces are all nasty and affect all parties involved. All incur lingering heartache, while some experience a degree of guilt, issues and questions. None of which can be fixed or answered immediately. Yes, rebound hookups and dates make you feel uplifted in the moment, however those feelings are only temporary and don't resolve long term sorrow. A breakover that focuses on regaining independence, finding self-love, and taking the time to grow a friendship with your prospective partner is more important than jumping back in the saddle with the bartender at Chili's. Instead, try a slow burn relationship like Kim and Kanye to see your relationship from a different perspective. You meet, hangout, build a friendship, experience things separately, and then realize this person is actually your lifelong partner. Give yourself enough time to heal from your previous relationships, and realize that you can stand on your own two feet. Get to know the friends you already have; you never know when one might just be "the one." The honeymoon stage will wear off, but the passion from knowing your best friend on a deeper level never will.

*"I used to think, well, can you really have it all? The truth, the excitement, and the passion? Now I know you can."  
– Kim Kardashian*

**2. Good attitude.** Men like being around people who have pleasant attitudes. Your behavior and energy are definitely analyzed before a man pursues. Even if you reject a man, if

you do it nicely- he'll appreciate that. Nobody wants to be treated badly, especially not in the dating scene.

**3. Success is key.** Those who are successful and goal-oriented are found very attractive. Men like seeing women have their own hobbies and careers. They'll want to build with someone who already has things going on in their lives. A good man wants to support, not be relied on completely.

## Relationship Advice: Can You Cheat Jealousy?

By

Dr. Jane Greer

[Kristen Bell](#) recently shared how her husband, Dax Shepard, was her wingman at the Golden Globes so that she could meet her celebrity crush, Riz Ahmed. This is a perfect example of a relationship where both partners are secure and completely trust that, even though one may find another individual attractive, it won't challenge their fidelity. It's natural to see others as appealing, even when you're in a committed, monogamous relationship, but it is also important to remember that everyone's physical appearance changes. People get older, and sometimes they get sick. Beauty is not enough to sustain an ongoing romance. If you know in your heart that you're always the most important person to your partner, then even if they have flirtations and/or a crush, it will enable you to tolerate your partner's attention or interest in someone else without feeling threatened.

**So, how do you get the trusting feeling that equips you to joust**

## jealousy? Here's some [relationship advice](#).

Make sure you take the time to tell and show one another how much they turn you on. If you are able to do this even when someone hasn't taken the time to dress up – when they first wake up in the morning and are makeup free, or are playing with the kids and despite being covered in dirt from the backyard look so manly – it can mean even more because those are the real moments of living. They can bind you in intimacy because you are seeing each other through the eyes of love. Also, be aware of your partner's likes and dislikes so that you can take them seriously. This will help them feel supported, cared about and understood by you, and help keep the air clear so tension doesn't build. You don't have to be the best looking person in the room, just the best in your partner's eyes.

By following this recipe, you strengthen your bond so that you can buffer your relationship from other people coming between you. When you have a solid foundation and know that you both have each other's back, it gives you the confidence to handle a passing flirtation knowing that's all that it is, something that is in the moment and will pass. Whether it is meeting one of your high school first loves, an old flame from college, a new work partner, or anyone who might be perceived as a possible intruder, the two of you can remain impenetrable.

**Related Link:** [Expert Relationship Advice: How to Handle a Jealous Girlfriend](#)

Another ingredient in the trust recipe is that when either one of you feels insecure and voices that, it is important to respond with a heavy dose of reassurance. Rather than getting

angry, minimizing your partner's feelings, telling them they are being ridiculous and continuing your behavior or ignoring them, instead let them know that it doesn't matter how many people you are talking to because they come first and you only want to go home with them.

Everyone is drawn to other people at times, but attraction and intimacy are two different things. One is instant and the other takes time to develop. If you trust this, and know your connection runs deep, you will be better able to cheat any jealousy that might come up and move forward as a team that nobody can divide. It seems that Kristen and Dax have this recipe under their belts.

**Dating Advice: Best Online  
Dating Tips From a Dating  
Strategist**

On this week's episode of Single in Stilettos, founder and matchmaker Suzanne Oshima talks to relationship expert and dating strategist Damona Hoffman to offer their best [dating advice](#) for those looking for love online. Learn how you can improve your chances at finding love with the following dating tips!

## Dating Advice That Will Help You Find Love Online

**1. Communicate before meeting.** Go beyond the instant messaging systems on dating websites. Make moves for conversations over the phone or through text. This gives a better sense of who you're talking to so you don't paint a picture of somebody that doesn't exist. Romance doesn't start online, it happens in person.

**Related Link:** [Dating Advice: How Long Will It Take Until I Finally Meet The One?](#)

**2. Tell the truth.** Be honest with how you present yourself. Don't dabble in false advertisements. It's a disappointment to those you meet in person if you don't meet their expectations. It's also a bad idea to lie about your age online. If you're not being contacted online for dates, then be more proactive and send out messages of your own.

**Related Link:** [Dating Advice: Best Online Dating Photo Tips](#)

**3. Be more inclusive.** When searching online, it's easy to narrow down the qualities you want- so your dating pool ends up being very small. Lighten up on your criteria and be open to meeting people who don't match your list completely. It's more important that you find someone who shares your values and beliefs.

## Dating Advice: How Long Will It Take Until I Finally Meet The One?

On this week's episode of Single in Stilettos, founder and matchmaker Suzanne Oshima talks to relationship expert Arica Angelo to offer their best [dating advice](#) on how long it should take for you to meet "the one." Learn how you can improve your chances at finding love with the following dating tips!

## Dating Advice That Will Help You Find Your "One"

**1. Pay attention.** Look at the people around you. Don't rely on dating apps to find someone, it distracts you from people you see in your daily life. Pay attention and observe the relationships around you- you never know who is nearby checking you out. Sometimes your lover is the guy you kept in your friends circle.

**Related Link:** [Dating Advice: How to Meet Men if You're Shy!](#)

**2. Be thankful.** Appreciate the dates you do have. Don't be negative and complain about what your date didn't do right. If you have frequent dates, you should be grateful for that. You're spending time with someone who's interested in you and

you're connecting with them. That's a beautiful moment, be thankful for it.

**Related Link:** [Relationship Experts Talk Capturing His Attention \(In Person!\)](#)

**3. Find focus.** Determine what kind of love you want and stick to it. Don't settle for less or let your circumstances affect your dating life. Be careful though, your desires could be too rigid; a list can write off eligible candidates. Make sure the qualities you want in a partner stem from love and not fear.

## Celebrity Break-Up: Kylie Minogue & Fiancé Joshua Sasse End Engagement

By [Wh](#)

[itney Johnson](#)

Australian popstar Kylie Minogue recently announced her [celebrity break-up](#) from fiancé Joshua Sasse. As reported by [UsMagazine.com](#), she captioned a skyline photo on Instagram with a sweet note to her followers: “Thank you for all your love and support throughout this recent chapter of my life. Thank you now for your love and understanding with the news that Josh and I have decided to go our separate ways. We wish only the best for each other as we venture towards new horizons.” She ended with the encouraging hashtag #thesunalwaysrises. The former [celebrity couple](#) met on the set of his show *Galavant* in 2015 and announced their engagement in February 2016.

**This celebrity break-up comes as a surprise. What are some factors to consider before getting engaged to your partner?**

**Cupid’s Advice:**

Getting engaged is a big step to take in your relationship, and before you do so, it's important to be 100 percent confident in your love for one another. Below, Cupid shares three factors to consider before picking out a diamond ring:

**1. Talk about your future:** It sounds like an obvious piece of relationship advice, but you must talk about your future before planning your wedding. Where do you want to live? Do you both want kids? How will you afford your lifestyle? Will you go to church each week? Nothing is off limits, and everything should be out in the open.

**Related Link:** [Celebrity Break-Up: 'Bachelor in Paradise' Couple Josh Murray & Amanda Stanton Split](#)

**2. Get real about starting a family:** Soon after you get hitched, people will inevitably start asking when you want to have children. Deciding the answer to that question now will take some of the pressure off and help you enjoy your newlywed bliss. Something else to think about: Unfortunately, having a baby doesn't come easy to everyone. Now is the time to decide if you'd be willing to adopt. There are other options to consider as well, like surrogacy and IVF.

**3. Open up about your career:** If your job requires you to travel or work late on a regular basis, it's important that your partner is aware of these responsibilities, as they'll cut into your time together. Similarly, if there's a chance you'll have to move to a different city or state, you need to be honest about the possibility. You also need to talk about the future of your career. If your partner expects you to stay at home with your kids, but you've also seen yourself as a working mom, explore other options that will ensure both of you feel happy and fulfilled.

## Dating Advice: How to Meet Men if You're Shy!

On this week's episode of *Single in Stilettos*, founder and matchmaker Suzanne Oshima talks to relationship expert Thomas Edwards, Jr. to offer their best [dating advice](#) for those shy girls who want to meet someone new. Learn how you improve your love life and become more outgoing with the following dating tips!

# Dating Advice That Will Help You Meet a Guy Even If You're Shy

**1. Stand out.** Wear something that is unique. It can be a cute accessory, a bright dress, or an intricate hairstyle. If you have something on your person that looks nice, it can serve as a conversation piece and help you meet someone. Stay away from black also, that's a "blend in" color.

**Related Link:** [Dating Advice: 3 Ways You're Sabotaging Yourself at Finding Love](#)

**2. Go for hobbies.** If you're a shy person, try picking out special-interest activities. This way you'll be able to meet people who have the same hobbies and aspirations as you. Not only will you be surrounded by like-minded people, but you'll also feel comfortable having conversations you're knowledgeable on.

**Related Link:** [Single in Stilettoes Show: How to Have the "Exclusive Relationship" Talk with Him](#)

**3. Start early.** If you wait until nighttime to go outside and date, you'll end up competing with others doing the same exact thing as you. So start earlier in the day if you want to increase your chances in meeting someone. This is also great practice if you're a shy person that's nervous about competing.

# Dating Advice: 3 Ways to Protect Your Relationship from Reality TV

By

TraceyAnne, Relationship Coach and Founder of [FindThatMach.com](http://FindThatMach.com)

When it comes to love and connection with our loved ones, I find it astounding some of the things that I see on reality TV. *Kendra on Top*, *Real House Wives of Beverley Hills*, and *Keeping Up With the Kardashians* to name but a few, all depict a world that most of us do not live in. The fast cars and expensive seemingly superficial lifestyles don't resonate with us much. These "celebrities" appear to have everything and all done for them from their hair and make-up to holidays planed

and designed for them. Our attraction, I believe, is seeing a mix of a world we might like to one day inhabit and the relationships that are very much just like the ones that we have in our own circles.

## **This [dating advice](#) can help you keep reality TV from negatively affecting your relationship.**

To see people who appear to 'have it all' fall out with and argue with their close friends, family and spouses can in a weird way give us a sense of comfort. You see, we only get to view the edited versions, so we have no idea what information we're missing. The communication that we see is bad, short and misses so many vital points that I always find myself thinking, "For goodness sake! Perhaps if they had a real conversation about what was really happening, they might be able to get their stuff together." Alas, we watch these shows and it teaches us nothing, just that relationships are hard work and full of drama. Drama that viewers believe is passion and chemistry and what all relationships should have. Relationships take work. A few pieces of advice:

### **1. Listen to what they're really saying.**

So often you will see an argument play out that is more about circumstance. These people are fighting in their own corner and simply want to be heard and more likely want to be the person who is 'right'. If they (and us at home) would communicate our feelings, it would honestly move mountains. The real issues would be spoken about and the couples could find some common ground to move forward.

**Related Link:** [Do Your Friends Influence Your Relationship?](#)

### **2. Don't be fooled by romantic gestures.**

On these TV shows we see the romance of being taken out to

dinner, bought flowers and diamonds and it makes us stop and think 'hang on where is this in my life, I don't get that' well I implore you to take stock and think about how many times your other half has made a romantic gesture. Really think about it, I bet they do, and if they don't how often do you? Romance is a two way street!

### **3. Don't allow yourself to become suspicious.**

We sometimes see couples on reality TV get cheated on and hurt. I by no means am suggesting that you ignore or block out if you think your partner may be cheating, what I am saying, is that if you watch these TV shows and your role models are cheaters you may start to become suspicious.

**1. Communication is key:** No matter what the dynamic may be in your relationship, know that parenting is a tough transition for everyone to make. This isn't the time for the blame game; it's time for major collaboration.

## January Jones Opens Up About Being a Single Celebrity Mom

By

Justin Thomas

In a recent [celebrity news](#) from *Red Magazine*, *Mad Men* actress and proud [single celebrity](#) January Jones opened up about the only (little) man she needs in her life. That, of course, being her 5-year-old son, Xander. She has never revealed the identity of Xander's father to the public, saying that that information is strictly the business of her son. Jones, 38, said something a lot of modern day single moms might need to hear: "It's good to have strong women around a man. To teach him to respect women. He doesn't have a male person in his life saying 'don't cry' or 'you throw like a girl.' All those s-t-y things dads accidentally do." She went on to say, "I just don't feel I need a partner. Do I want one? Maybe. But I don't feel unhappy or lonely,".

## **This single celebrity is totally fine being alone! What are some ways to embrace your single lifestyle?**

### **Cupid's Advice:**

It can sometimes be hard to walk in a single person's shoes but it doesn't always have to be. Here are some tips to help make the stride a little easier:

**1. Single doesn't mean alone:** Keep family and friends close to you heart. Make sure you make and spend time with loved ones. Don't underestimate the value of family and friendship and all of the love and support they offer. We all get by with a little help from our friends.

Getting that alone time can help you not only rejuvenate, but also to learn a lot about yourself. Maxwell Maltz said it best: "If you make friends with yourself, you will never be alone."
