Celebrity Style: Boots You Can Rock in the Winter

By

[Rachel Sparks](#)

Earlier this year, we got a glimpse of the fashion trends that were coming for fall and winter, and though what to wear on

our upper bodies is always important, what to wear on our feet is sometimes even more exciting. Elle.com released the hottest boot trends that walked down the runways. Latest celebrity styles range from crimson statement kicks to waist-highs. There's more to rock than the classic black ankle boot.

How can you rock the hottest celebrity styles this boot season?

Boots during winter is like *Starbuck's PSL* for fall: you can't have one without the other. As much as we love the classic black boot, we're setting them aside for this year's best celebrity fashion trends:

1. The disco ball boot: Brighten everyone's day while rocking the glitter boot. Pair it with black pants or a red jacket for a dramatic rock star look. Celebs rocking it: Celine Dion, [Rihanna](#), Blac Chyna, and Cardi B.

2. The scrunchy look: It can be casual or that sexy messy look. Wear it over pants, with a dress, or an extra long T-shirt; you can't go wrong. Celebs spotted wearing these: [Reese Witherspoon](#) and Hillary Duff.

3. Hiking boots: Capture that edgy take-over-the-world look with redesigned hiking boots. We've seen them studded, with six inch heels, and in any color. Match with jeans, tights, or a long sweater. No matter how you wear it, you will look like a celebrity. Karlie Kloss, [Taylor Swift](#), and [Beyonce](#) rock this look.

4. The red statement: Red is the new black this winter season. Make a statement in black with a splash of red or bring out the accents in your favorite patterned outfit. These boots are

being spotted with just about any outfit. Our favorite looks: Hayden Panettiere's classic look or [Gwyneth Paltrow's](#) quirky risk-taking.

Why Rihanna & Drake Haven't Made Their Celebrity Relationship Official

By

[Cortney Moore](#)

Barbadian songstress [Rihanna](#) and Canadian rapper Drake are making [celebrity news](#) once more with their on-and-off relationship. The pair has been seen together on late night ventures, international concert performances and even on loving Instagram posts, but they still deny being in a

[celebrity relationship](#)! Things are progressing nicely,” said the insider. Fingers crossed that this amazing musical duo takes their relationship to the next level soon!

This celebrity relationship has yet to be labeled. What are some things to consider before labeling your relationship?

Cupid’s Advice:

“DTR,” also known as “defining the relationship,” is an important step in any coupling. Whether you’re trying to start something serious or just enjoy a fling, there has to be a conversation about what you both are to each other so you’re both on the same page. Cupid is here to help you with labeling your relationship:

1. Determine wants: Before you decide to have this specific talk with your partner, you need to figure out what exactly you want out of this relationship. Do you want monogamy? Or do you want your relationship to be casual, with the ability to see other people? Figure out what you want before you go asking your partner to change the status of your relationship.

Related Link: [New Celebrity Couple? Rihanna & Drake Spotted Getting Cozy at Concert Afterparty](#)

2. Compatibility: Of course wanting to be with someone isn’t

enough, you also need to make sure your partner is compatible to your lifestyle. Take into account whether you both have similar likes and dislikes, hobbies or upbringing. For a lasting relationship you need to find common elements that bond you together, if you can't find those, maybe you should just enjoy time with each other the way it currently is.

Related Link: [Celebrity Couple Predictions: Drake, Eva Longoria and Lea Michele](#)

3. Ask questions: And last but not least, you need to ask questions! Your partner should have equal input on how or what the relationship will be labeled. How else do you expect to find out whether or not a relationship is worth pursuing if you have no input from your partner? Depending on the questions you ask and the responses you get, you'll finally know for sure if you should pursue things further or run for the hills.

Celebrity Couple Predictions: Drake, Eva Longoria and Lea Michele

By

[Shoshi](#)

In the latest [celebrity news](#), three famous couples have caught the public's attention, whether it be Drake and Rihanna's

rumored celebrity relationship, Eva Longoria's third celebrity wedding, or Lea Michelle's next shot at love. Who's stepping out in Hollywood this time around hand in hand? Join me as I look into the crystal ball of relationships and love. Below, I share my predictions for these [celebrity couples](#).

Celebrity Couple Predictions: Celebrity Relationships That May or May Not Last

Drake and Rihanna: It seems like nobody believes that Drake and Rihanna are just friends. Who doesn't twerk their booty on a friend any chance they get? It's time to let this rumor go! They aren't a secret couple, contrary to the anonymous sources that keep popping up in the press. Recently Drake was asked point blank if he was dating RiRi and his answer was that they are just friends. That is not to say that they do not practice being friends with benefits from time to time. Why shouldn't they? They are both attractive adults, so why not help each other maintain pleasure when necessary? It would be nice to see these two in a relationship with each other, or with whoever makes their heart skip a beat. It looks like Drake and Rihanna aren't making time for romance, though. They are both working, traveling, and involved in their careers. However, look for Rihanna to be in the relationship by the end of the summer.

Eva Longoria and Jose Baston: Looks like the third time's the charm for Eva Longoria. She walked down the aisle with Jose Baston, President of Televisa, Latin America's largest media company. This is Longoria's third marriage and it looks like her last. The celebrity couple was married in Mexico in front

of A-list guests. It would seem Longoria has hit the jackpot with Baston. He sees her as his equal and loves that she is a strong and passionate woman. After two failed marriages, Longoria knew exactly what she was looking for in a partner. She has definitely found the right one this time around. Before the wedding, they had already been calling each other husband and wife. I see a new dog in their future and a discussion about children. Right now a baby is a possibility, but if Longoria is not pregnant by next year, more than likely the couple will not have children together. Either way, they will continue to be just as happy as ever.

Lea Michele and Robert Buckley: Lea Michele has not been so lucky in love. That is not to say that she isn't trying. She dated that so-called model/actor and ex-gigolo Matthew Paetz, who allegedly broke her heart. Then there was her boyfriend and *Glee* co-star, Cory Monteith, who died of a drug overdose. Most women would have locked up their heart and thrown away the key. Despite these negative experiences, Michele is currently dating actor Robert Buckley, and says that she is very happy. That's definitely good news. It's nice to see her find love again. Where is it all going? That remains to be seen. Michele wants to be married with kids but not necessarily right now. It looks like it's on her mind. Buckley may not be the guy she walks down the aisle with, but he is getting her ready for when the time is right.

Rihanna and Drake Are Off-Again

By Sanetra Richards

AubRih is over, once again. According to [UsMagazine.com](https://www.usmagazine.com), after working out their differences a few months ago, Rihanna and Drake decided to give the dating thing another try – only for it to lead to a breakup. “Rihanna and Drake had another fight,” says a source. “He is too in love with her, which has always been the problem. They have been fighting, but that could all change any day now. It is how it always is with them.” The two stars were first spotted as a re-emerging couple in Paris back in February and by March the couple seemed to be hitting it off pretty hard again. However, at Rihanna’s Met Gala after party, her actor turned rapper [ex] boyfriend was not in attendance. A source added that the artists are “currently on yet another break.”

How do you know whether to get back together with an ex?

Cupid’s Advice:

There comes a time when the post-breakup emotions start to roll in and you find yourself contemplating whether or not you and your ex belong together. Cupid has a few things for you to

keep in mind while considering:

1. The factors: Think about the reason why you and your ex parted ways. Was it because of infidelity? Was it because you could not agree on anything? Chances are, these problems will not go away if you decide to go another round – they are the reason why you all are not together today. Remember the saying, if you want different results, do something differently.

2. The feelings: A lot of times, people allow their hearts overpower their intelligence. If you know for certain your ex is absolutely terrible for you, do not put in the effort trying to reconcile. Replay the good versus bad instances throughout your relationship. Question whether the good outweighs the bad. This could possibly lead you to the answer on if you and your former lover should work things out.

3. The change: One of the most important conversations to have with your ex before reuniting is how will the relationship change? If you two have not grown enough individually, then you should not want to risk it again. It will be a repeating cycle: same differences, same arguments, and same outcomes. Think about the failed relationship's faults and create methods to better them for the next time.

Rihanna and Drake Party Post-Concert in Paris

By

Brittany Stubbs

Nothing like a romantic city to bring two pals together. Rihanna attended Drake's concert at the Palais Omnisport de Bercy in Paris on Monday, Feb. 24. After the show, she was photographed meeting the rapper at Club 77. "She didn't want to be seen at all," an onlooker reported to UsMagazine.com. "She kept her head down and charged through the back of the club with her friends." The eyewitness then added, "Drake looked very tired, but he was smiling around Rihanna. They chatted, danced a little, and seemed close." The two had also been spotted grabbing dinner together the night before. Although they've never come out as a couple, there have been rumors about Drake and Rihanna dating on-and-off for two years

now.

How do you keep rumors from affecting your budding relationship?

Cupid's Advice:

There's nothing that stirs up trouble at the beginning of a relationship like gossip. Cupid has some tips:

1. Establish trust: Trust might be the most sacred part of a relationship. Make a commitment early on that you will both be open and honest with one another, and hold to it.

2. Have open communication: There's no way to move on from rumors if you never approach your partner about them. Keep communication lines open so you can clear the air of any gossip, while also letting your partner know how you feel.

3. Look at the big picture: It's easy to let petty rumors get under your skin, but consider their true worth. Often, stepping back and looking at the big picture of your relationship allows you to put into perspective something as small as a petty rumor.

5 Celebrity Couples That Fight Dirty

By

[Whitney Johnson](#)

It's no secret that mean words and angry actions can be detrimental to a relationship. Still, it's easy to get caught up in the moment and say or do something you don't mean. Even celebrities are guilty of this inappropriate behavior – and unfortunately, their arguments are often caught by paparazzi and splashed on tabloid covers for all the world to see. In order to learn from their mistakes, here are five celebrity couples that fight dirty:

1. Emma Roberts and Evan Peters: This past summer, the 22-year-old *American Horror Story* actress and her boyfriend were caught in a violent fight that led to Roberts being booked in

a Montreal jail. When the cops arrived at the scene, Peters was found with a bloody nose and a bite mark. Fortunately, no charges were pressed, and the couple remains happily in love.

2. Mary Delgado and Byron Velvick: Season 6 *Bachelor* Velvick was engaged to the show's winner for five years before they finally split in 2009. The couple first showed signs of trouble when Delgado was arrested for assaulting her fiancé in 2007. According to the police report, she was under the influence of alcohol when she punched Velvick in the mouth.

3. Rihanna and Chris Brown: It was hard to miss that infamous picture of Rihanna after an argument with Brown escalated and he repeatedly attacked her following a pre-Grammy party in 2009. Still, the couple reunited and has since been in an on-again, off-again relationship. The pop star most recently referred to the incident as "the biggest wake-up call."

4. Kourtney Kardashian and Scott Disick: You can still fight dirty *without* being physically violent, and this reality star couple is proof of that. Thanks to E!'s popular show *Keeping Up With the Kardashians*, they have to relive their many arguments and sometimes work through the issue more than once – even months after the initial disagreement occurred. Even so, Disick recently told Ryan Seacrest that the couple is "decently happy."

5. Sharon and Ozzy Osbourne: Early in their marriage, during Ozzy's drug- and alcohol-filled days, the rocker reportedly beat his wife, even trying to strangle her once. Somehow, though, they worked through their issues and have been married for over 30 years, briefly separating earlier this year.

Celebrity Couple: Chris Brown and Rihanna Call It Quits...Again!

By

April Littleton

According to [UsMagazine](#), Chris Brown and Rihanna have split up once again. Brown confirmed the breakup during an interview with the Australian radio station *The Kyle and Jackie Show*. He stated, "The love's certainly not gone, but personal and professional commitments make the relationship too difficult

right now. I'm always gonna love that person. I can't be focused on wife-ing someone that young. I need to be the best Chris Brown I can be." The couple may have ended things for now, but there still may be hope for the lovebirds in the future. A source close to Rihanna said, "Of course tomorrow they could be all over each other again, but for now she's done and just living her life and touring. It's how it always is."

How do you know when to call it quits in a relationship?

Cupid's Advice:

It can be hard to tell if a couple is just going through a momentary setback in their relationship, or if they're going through the early stages of a breakup. How can you tell if the chemistry between you and your partner has fizzled out for good? Cupid has some tips:

1. Commitment: When one or both persons give up in the relationship, it will be hard to work toward reconciliation. Some people care enough about each other and their commitment to work through trying times, while others give up at the first sign of struggle. If you and/or your partner aren't working hard to hold things together – it's time to call it quits.

2. The bad outweighs the good: If you spend the majority of your time fighting with your beau, avoiding him or thinking about all of the negative traits you don't like about him – it may be time to move on. Your relationship should make you happy. If you feel your time together never ends on a positive note, it's time to end it for good.

3. Someone else has your attention (or his): There's no point in prolonging the inevitable if either you or your significant other has found someone new. If you find yourself wondering about a new guy or notice your man spending time with another woman, then it's time to let each other off the hook.
