

Rumor: Are Katy Perry and Robert Ackroyd Back Together?

Chart-topping pop singer Katy Perry's relationship may be back on with fellow musician Robert Ackroyd after their break-up less than a month ago. The 27-year old Perry gave the Florence and the Machine guitarist V.I.P. treatment during the Capital FM Summertime Ball in London on Saturday. A source tells UsMagazine.com, "Katy made a real fuss over him and made sure he was well looked after." The two were also spotted together earlier in the week meeting up after the pop star's taping on the *Graham Norton Show*. Perry and Ackroyd first went public with their relationship back in March, just months after ex-hubby Russell Brand filed for divorce.

What are some things to consider about getting back with an ex?

Cupid's Advice:

Break-ups are beyond complicated, but sometimes getting back together can make them even worse. Here are some important things to remember to ensure you and your ex make it work the second time around:

1. Examine your feelings: Make sure getting back together is something you both truly want and for all the right reasons.

2. Start with a clean slate: Starting fresh is crucial in a recovered relationship. Leave the previous baggage and drama behind so you can move forward together.

3. Trust is a must: Depending on how your relationship ended, ask yourself if you still trust this person. Without trust, a relationship never lasts.
