5 Celebrity Exes Who Became Famous After Their Break-Ups

By Petra Halbur

A nasty break-up can leave you feeling pretty hopeless and sad. During your alone time you have two options: You can either convince yourself that you'll never be happy alone, or you can enjoy success without that special someone in your life. Many famous couples have gone through splits, but that wasn't the end of fame for these [celebrity exes](#). Plenty of stars have emerged from a painful celebrity break-up or celebrity divorce and gone on to achieve amazing professional success. Sometimes, it is within only a few years of the split. Here are a few to consider:

Stars Who Became Famous After a Celebrity Break-Up

1. January Jones: Jones' first famous boyfriend was Ashton Kutcher, who she dated from 1998 to 2001. She met singer-songwriter, Josh Groban, in 2003 and had a Hollywood relationship for three years before calling it quits in 2006. Just one year later, Jones was cast as Betty Draper Francis on

3. Robert Downey Jr: Few people remember the days when Downey and *Sex and the City* star, Sarah Jessica Parker, dated in the 80's. Neither actor enjoyed major professional success during their seven-year famous relationship. He has since gone to achieve Marvel film immortality as Tony Stark in the *Iron Man* and *Avengers* franchises.

4. George Clooney: It's hard to believe that Hollywood's favorite bachelor was once a husband. Clooney hadn't achieved much in the way of fame when he married actress Talia Balsam in 1989. Robert Downey Jr. and Wife Welcome a Baby Son

Robert Downey Jr. welcomed a son, Extton Elias Downey, into the world at 7:24am on Tuesday, Feb 7 in LA. Downey's wife, Susan, delivered her son at 7lbs 5oz. "Everyone is healthy and couldn't be happier," a friend said, according to [People](#).

The *Sherlock Holmes* star revealed the sex of the baby on national television back in August, which was unexpected for his wife. "I could never really stay mad at him, but I can tell you it genuinely wasn't something we planned to reveal," Susan later commented. The married couple is thrilled to have given Indio, Downey's 18 year-old son from his previous marriage, a little brother.

What are some reasons to keep the sex of your baby a secret?

Cupid's Advice:

Some people choose to keep the sex of their baby a secret. Cupid has some possible reasons:

1. Avoiding expectations: The sex of your baby can be accompanied by expectations. You avoid comments like, "Since it's a boy, he's going to be a handful."

2. Avoid the pressure of choosing a baby name: Once everyone knows the sex, everyone will be jumping in to give you ideas for your child-to-be's name. Either that, or they'll be bugging you to find out what you've chosen.

3. Gender neutral gifts: Getting gifts that aren't specifically for one gender or the other is actually a blessing if you plan on having more children in the future. If you end up with all pink baby clothes, you can't hand them down to a future little boy.

Actor Robert Downey Jr. recently took his six-month pregnant wife Susan Levin on a weekend getaway to Hawaii where they snorkeled on the island of Kauai, according to [UsMagazine](#). The couple will welcome their first child in February. Downey Jr. and Levin met in 2003 on the set of the movie *Gothika*. The star of *Sherlock Holmes* credits Levin for helping him remain sober. "There's no understanding for me of the bigger picture in real time in a hands-on way without her," he told *Esquire* in 2009. "Because it was the perfect, perfect, perfect matching of personalities and gifts."

What are some ways to make your pregnant significant other happy?

Cupid's Advice

You don't always have to take the future mother of your child off to a weekend getaway in Hawaii, but do try to make her feel appreciated. Here are some smaller ways to do so:

1. 'Dinner's on me': Take some time to cook her favorite

dinner. This will let her know just how special she is to you.

2. 'Need a foot-rub?': Do some little things for her around the house, make things easier for her while she's pregnant. She's the one carrying your child, which is work in and of itself.

3. 'Have the remote': Let her know that you're there for her and ready to listen and take care of her needs. If she wants to watch a show, hand over the remote.

In a committed relationship, how can you make sure you don't ignore friendships?

Cupid's Advice:

It can be difficult, especially in a new relationship, to make time for friends. But in order to maintain social equilibrium, it's important to cut out some quality time that

is meant for you and your friends.

1. Time off: You may not realize how much you miss your friends until you're with them again. Setting aside specific blocks of time to reconnect with your pals is crucial to maintaining not only a friendship with them, but also a solid relationship with your partner. If you're dating someone who purposely makes it hard for you to spend time with your friends, perhaps it's time to reevaluate your relationship.

2. Schedule it: Everyone is busy, and sometimes it can be difficult to set aside time. Coming up with set times or dates, or making a pact to always get together for specific occasions (such as birthdays) will allow you to have something to get excited about. Even with all of today's technology outlets, nothing beats spending time together face-to-face.

3. Get a hobby: If you and your friends have a common interest, you may be able to find time to pursue it together. Having some downtime from your partner will strengthen your friendships as well as your romantic relationship.
