What are some dating deal breakers?

Cupid's Advice:

There are certain traits that will have you running for the hills. Cupid has some advice for you:

1. Lack of honesty: Want to keep a relationship strong and growing? You need to make sure you do not lie about major things. We all tell little white lies, and even though they may be annoying, they won't totally break the deal. But, don't lie about things such as relationship status, medical history, children, or a criminal record if you want to make things work. Remember, honesty goes a long way.

2. Jealousy: Jealousy can turn from cute to bad very soon. In the beginning of a relationship joking about leaving your partner for someone else, or calling several times to say hello seems okay. But when your partner starts checking your phone or stopping by your place unannounced things might become dangerous. Don't let jealousy ruin something that could be great, so make sure you trust your partner because if you don't things can go sideways quickly.

3. Not having your own life: When you're in a relationship and your partner is your best friend it is one of the greatest feelings in the world. You have someone to spend lazy days with or have someone to help you through hard times, but be sure to maintain a relationship with your own group of friends. It's good to be friends and go out with your partners group of friends, but sometimes it is very important to go out with your own group of friends and then try meeting up after. Time apart only makes the heart grow fonder.

Rose McGowan Reveals Her Biggest Dating No-No

By Nicole Weintraub

The former *Charmed* star, Rose McGowan, reveals that her biggest turn off is a sloppy kisser, according to [People](#). "Don't be sloppy!" the actress announced. She likes her man to be slightly aggressive with his kissing, but she doesn't want to swallow his tongue. McGowan has been linked to Marilyn Manson and was formerly engaged to Robert Rodriguez. On her former television show, *Charmed*, the star had to lock lips with several different actors without even knowing their names. Afterwards, she would never see them again, so this kissing expert has some experience in the smooching department. As far as learning how to kiss, unfortunately, McGowan believes that "you just either know how to do it or

you don't".

What are three dating deal breakers?

Cupid's Advice:

While messy kissing might be Rose McGowan's deal breaker, here are a few of our own that make a date go from fabulous to icky:

1. Poor hygiene: Regardless of how attractive someone may be, if your date shows up with mismatched clothes and a body odor that brings tears to your eyes, run for the hills. Bad breath, stinky body odor, disheveled clothing and dirty fingernails are just gross.

2. Egocentric: If your date does nothing but talk about themselves the entire time, it's time to look elsewhere. A relationship involves two people and if this person can have a relationship without you, that's not attractive.

3. Poor manners: While it's nice to have a gentleman who opens the door for you and pays for your dinner, it's not mandatory. Though, if he insults you or makes you pay for him all of the time, kick him to the curb.
