Rumer Willis Opens Up About 'Dancing With The Stars' and Her Parent's Celebrity Divorce

By Meranda Yslas

Rumer Willis, actress and daughter of former famous couple Bruce Willis and Demi Moore, recently sat down and talked on [Larry King Now](#) about the current season of *Dancing with the Stars* and her parent's [celebrity divorce](#).

Rumer Willis on Val Chmerkovskiy and *Dancing with the Stars*

According to Willis, season 20 of *Dancing with the Stars* is the season to watch her partner Val Chmerkovskiy. "I think it's going to be his year," she explains. "He's so sweet and really cares about the dance." Still, winning isn't going to be an easy task, especially being partnered with such a determined dancer. The actress admits, "He's definitely a strict teacher!"

With such an intense practice schedule, it's obvious that the

dancing is important for the duo. “When you’re doing a show that’s a reality TV version of ballroom dancing, it can become more about the costumes or the performance, but what I really like about him is he really cares about the dancing and keeping the integrity of what you’re actually doing,” she reveals.

Actress Talks About Her Parents’ Celebrity Divorce

Although Willis has her own career, she’s perhaps best known as the daughter of two A-list stars. Experiencing your parents’ divorce is never easy, especially if you’re the child of a Hollywood couple. As a 10-year-old, it was difficult for her to understand the role of the press and the tabloids in her everyday life. “I think one of the hardest parts was growing up with having your whole life kind of be on display and have people have an opinion about it before you learn how to get a tough skin and really just have confidence in who you are without letting other people’s opinions affect that,” she explains.

Fortunately, her parents’ celebrity divorce was made a little bit easier to handle, thanks to the continual support from her mom and dad. “I am so thankful and grateful that my parents made such an effort at the time,” she shares. “I never had to split up vacations or split up birthdays. They always made an effort to do all of the family events still together. They made such an effort to still have our family be one unit as opposed to two separate things.”

Given her family’s status in Tinseltown, the *Dancing with the Stars* contestant is subject to celebrity gossip. She tries to maintain a positive attitude about the rumors and be open to criticism. “If you want to judge me, I’m totally fine with

that," she candidly says. "And if you don't like me but just take five minutes to get to know me and if after that your opinion stays the same and you *still* don't like me, then that's your prerogative."

Having a confident attitude while dealing with negativity from the press and general public isn't easy to pull off, but Willis has her mother to thank for her perspective: "She always says, 'Live in whatever your integrity is, and go out to the world and present yourself how you want to present yourself and how you want people to see you.'"

Rumer Willis Moves On With

New 'Glee' Beau

Rumer Willis and beau Micah Alberti have officially parted ways, reports [People](#), but it doesn't seem to be keeping Willis down! Demi Moore's famed daughter was spotted with new *Glee* cast member, Chord Overstreet. The duo was seen in Beverly Hills at the Night Vision presents an Evening Affair with Seth Macfarlane party holding hands and sharing kisses. The two were first spotted last week acting flirty in Las Vegas partying with Overstreet's *Glee* co-star, Mark Salling.

What are a few things you can do before jumping back into a relationship?

Cupid's Advice:

Being in a relationship can be amazing. Always having someone who is a phone call away can be hard to let go of when a

relationship ends. But if you are continuously jumping into a new relationship, you may be avoiding the one relationship that may need the most work: the one with yourself:

1. Take a break: If you find that you are spending most of your time partnered up, take some time off. Going to a movie and out to eat alone can be peaceful and rewarding. Plus, you won't feel pressured to order the lighter option on the menu.

2. Learn from your mistakes: Acknowledge what wasn't working in your last relationship in order to prevent the same things from happening in your next one. Couldn't stand your old smoker boyfriend? Make sure your next one is tobacco-free. If something didn't work in the past, it won't work in the future.

3. Write it out: Sit down and make a list of all the qualities you want in a partner, as well as a list of "deal-breakers." Don't settle but be realistic. There is no such thing as the "perfect man." Keep the list in a place you'll see it, and be patient. It's often when you're not looking that you'll find someone worthy of your time.

Rumer Willis & Micah Alberti Are No More

Demi Moore's famed daughter Rumer Willis and beau Micah Alberti have called it quits, reports [People](#). But Willis isn't letting a breakup get her down. She was seen celebrating her 21st birthday at Tao in Las Vegas last weekend. Sources say Willis was dancing and having a good time: even chatting up *Glee*'s Mark Salling. It seems Willis has chosen laughter over ice cream when it comes to getting over her ex.

Is it necessary to “prove” you’re over your ex?

Cupid’s Advice:

Rumer Willis' exciting 21st birthday may have been the extra boost she needed post breakup. Girls are often expected to maintain a low profile the first few days after a breakup, but going out and clearing your head with some friends and good music could be just the thing to let the world know you're okay:

1. A catch-22: Staying in post break-up is definitely the way to play it safe. Friends understand and are willing to keep you company while you mourn the end of your relationship.

Although it's healthy to get out and distract yourself for a night, having too good of a time might send others the wrong message. Create a balance by giving yourself time to grieve as well as time to smile.

2. True to yourself: You don't have to prove to anybody that you're over your ex. If you find yourself going out on endless party binges, take a step back and ask yourself if you're just trying to prove to yourself that you're over him. If the only person who needs convincing is you, perhaps it's time to call it a night.

3. Small-town girl: It seems to be nature's evil sense of humor that we always run into our exes when we're either looking our worst or right after a breakup. If it's the latter, keep your head held high. Smile politely and excuse yourself from the situation. By sticking around and exerting your "I'm over him" mantra, it may do more harm than good.
