

Blake Lively and Ryan Reynolds Partake in PDA at Pool Party

On Independence Day, actors Ryan Reynolds and Blake Lively were spotted in New York at a pool party with Lively's family. According to [People](#), the two relaxed by the pool in their swimsuits. They didn't shy away from showing some PDA, as they held each other close and shared intimate kisses. Reynolds and Lively have been dating since last fall and appear to be spending more and more time together.

What are some appropriate times to display your affection for your partner?

Cupid's Advice:

When you and your partner are very close, it's understandable

that you want to be affectionate whenever you can. However, there are times and places where PDA just isn't appropriate. Here are some good times to show that you care:

1. Date night: If you're out at a restaurant or a bar without any other friends, you can certainly give your partner some sweet kisses and be generally affectionate. Dates are the perfect time for romance, so it makes sense to show it.

2. At the beach: Everyone looks sexier in the summer sun, so you shouldn't be afraid to show your love for your partner with some PDA when you're at the seashore. Even simple displays can make your beach date more romantic than it already is.

3. At a party: If you're in a crowd at a party, try to find a quiet, secluded corner where you can spend some time alone with your partner. Cuddling together for a bit can make you feel like you're the only ones around, even if you're among many people.

Stars and their Pets: Dating and Mating Habits

By Alejandro Russo

You might follow the love lives of stars, but have you ever wondered what their pet choices say about them and their dating habits? A new study sponsored by [Klooff.com](https://www.klooff.com), the app for pet owners, could explain why Jennifer Aniston had such a hard time finding and keeping a good man after Brad Pitt, and why Paris Hilton has an endless string of boyfriends: it's their dogs. Klooff.com surveyed 1,000 people and found that certain breeds were the most popular when finding a date or when just looking for a casual fling. Consider how these dogs can change your appearance to the other sex:

1. Dogs that make you seem like boyfriend material: The survey found that the top dog breeds to attract women were German shepherds, Golden retrievers, Labrador retrievers, Siberian huskies and French bulldogs. Respondents noted that they were over ten times more likely to see a man who owns a golden retriever as being "marriage material" than someone who owns a pit bull. This can explain why the ladies love Ryan Reynolds, who owns a golden retriever mix named Baxter, and Zac Efron, who is often seen with Puppy, his Australian shepherd. Plus, those who own a Siberian husky are viewed as more manly than

those who own bulldogs: a perplexing fact when you consider that Justin Bieber has a husky and Brad Pitt has a bulldog.

2. Dogs that make you seem like girlfriend material: To attract a man, the survey found that women who own Golden retrievers, Labrador retrievers, Chihuahuas, poodles and beagles were most effective. However, Golden retriever owners are significantly more likely to be viewed as the sort of woman who men would like as a girlfriend than those who own Chihuahuas. Kristin Davis, Sheryl Crow, Eliza Dushku, Anna Paquin and America Ferrera are all women who have this very appealing dog.

3. Dogs that make you seem like a one-night stand: So what about Chihuahuas? Their owners, like Paris Hilton, aren't usually perceived in the best light. Most people thought that Chihuahua owners were more likely to be dumb and "just a one-night stand" than those who owned any other breed. Of course, if you're looking for hook-ups, this might not be a problem: Chihuahuas are still very attractive to men.

Six Famous Relationships That Started with Celebrity Scandals

By Jessica Smith

Nothing in Hollywood is juicier than a celebrity scandal. Many Hollywood couples work through humiliating experiences while dating, including Kim Kardashian and Reggie Bush, who went through a sex tape scandal; Justin Bieber and Selena Gomez, who recently dealt with Bieber's accusation of getting a fan pregnant; and Miley Cyrus and Liam Hemsworth, who had to deal with negative press on Cyrus' sexual antics.

Many of us can relate to similar problems on a smaller scale, but it can still be exhilarating and deeply saddening to watch our favorite famous relationships let us down in these ways. Sometimes, celebrity couples even begin their love lives under this sort of scrutiny. Although not all celebrity affairs work

out, some blossom into long-lasting relationships and love. Here are six famous couples that made the headlines with their scandalous splits, affairs, and ensuing sprint to the altar.

Celebrity Scandals That Turned Into Celebrity Relationships

1. Brad Pitt and Angelina Jolie: After being married to the beautiful Jennifer Aniston for five years, Brad Pitt and Aniston's relationship began to fail when he confessed his love for Angelina Jolie. Pitt and Jolie worked together on the set of *Mr. & Mrs. Smith* as a sexy spy couple, and they took their on-screen romance off-screen – even while Pitt was still married. The humanitarian couple has now been together for seven years. We can thank their six children for pressuring them to get engaged, so they can *finally* tie the knot.

2. LeAnn Rimes and Eddie Cibrian: These two stars met on the set of *Northern Lights*, where their characters' relationship spiraled into a real-world celebrity affair that ended both of their marriages. While LeAnn Rimes and her ex-husband Dean Sheremet claimed to go their separate ways with plans to remain loving friends, Eddie Cibrian's ex only had negative things to say about him. Rimes and Cibrian are now happily married.

3. Richie Sambora and Denise Richards: This was a celebrity scandal that cost Denise Richards a friendship but gained her a new man. Richie Sambora was married to Heather Locklear for 12 years before things started to get shaky between them. Richards encouraged her good friend Locklear to file for divorce, and despite girl code, Sambora and Richards were caught making out like teenagers a few weeks later. This seemingly-forbidden romance also required Sambora and Richards

to deal with some pretty messy divorces of their own. Unfortunately, their relationship recently ended.

4. Tori Spelling and Dean McDermott: Tori Spelling and Dean McDermott fell in love on the set of the Lifetime movie *Mind Over Murder*, but they were both married at the time. The two quickly separated from their spouses. Before either one was legally divorced, they decided to announce their celebrity engagement. The two were married just a month after Spelling's divorce was finalized, and they have been married since 2006. They have three children and recently announced that they are expecting their fourth celebrity baby.

From Celebrity Affair To Celebrity Engagement

5. Jesse James and Kat Von D: Jesse James and Sandra Bullock were married for five years and had just adopted a son together when rumors began about James' unfaithfulness. After confirmation of numerous affairs, Bullock filed for a celebrity divorce and decided to raise her son as a single parent. Not soon after, James started dating tattoo artist Kat Von D. The two made it as far as an engagement, but they never made it to their wedding day.

6. Blake Lively and Ryan Reynolds: Although the two didn't date immediately after Ryan Reynolds' divorce from wife Scarlett Johansson, it's believed that Blake Lively was a factor that led to their split. Considering their marriage seemed to be going smoothly, their celebrity divorce announcement was surprising. The actor jumped from one serious relationship to another, as the celebrity couple was recently spotted house hunting.

3 Ways to Know He's Just "That Into You!"

By Dr. Tranquility

– Lydia Belton, PhD, Ct. H.A.

Once you're in a relationship, it can be hard to tell if you and your partner are on the same page as far as your wants and needs for the future. You may question the strength of his feelings toward you, even if he's quick to say, "I love you." It's one thing to take a first date and move it into a relationship, but how do you know when your partner is ready to move even further forward?

As a woman, you most likely want more time and more involvement from your mate. You're ready for a commitment, whether that means moving in together or perhaps marriage. Regardless, the bottom line is that your relationship now comes with a view to the future as opposed to plodding along day-by-day. It's time to connect in a way that you can't put into words, so here are three ways to know he really is "all that into you":

Related: [What Attracts Us to Bad Boys?](#)

1. He can't bear to be without you.

If you find your partner refusing to go a day without talking to you and he is always making future plans, he's probably feeling that his life isn't complete without you. If you want a celebrity comparison, think Matt Lanter and Angela Stacy. The *90210* star just popped the question to Stacy in June, and the two have nothing but smiles on their faces.

2. He invites you to travel with him.

When a man invites you on a trip with him, he wants to spend quality time with you. The fact is, men don't invite women they won't want to be with to travel with them. Think Blake Lively and Ryan Reynolds in this situation. The two have been spotted all over the world, even in Vancouver where Lively met Reynold's family.

Related: [The 5 Most Traveled Celebrity Couples](#)

3. He's showing more than lust after the third date.

After the third date, if communication between you is still great, he should be making a point to create a space for communication and bonding. Despite the spanx and Victoria's Secret lingerie, he is ready for emotional intimacy and no distractions. Just look at the happiness that Joshua Jackson and Diane Kruger bring to the celebrity world. Although the

pair are notoriously private about their relationship, you can tell they're in love even when they're not all over each other in public.

So, if your beau seems to fit the above characteristics, chances are that you don't have to question his feelings about you. Although they may not be able to overtly express their feelings the way that you do, it's time to let loose and trust his motives. It's time to go all in and see what happens!

Blake Lively Says She Likes Guys Who Dress Well and Love Food

Blake Lively, who has been linked to stars like Leonardo DiCaprio and most recently Ryan Reynolds, clearly has good taste in men. According to her, it all has to do with food and style. Lively recently told *Marie Claire*, "It's definitely attractive when a man can dress well. What I love most is when someone, guy or girl, is effortless and has this old-timey sort of feel [that] you could take a snapshot of them and they could exist in any time period." Reynolds has a great sense of style and must have a love of food, because Lively admits, "To be around me, you must love food or I'm the most obnoxious person you've ever met." [People](#) reports that Lively and Reynolds have been spotted together since fall of 2011.

How important is a potential partner's sense of style?

Cupid's Advice:

Style can be the first thing you notice in a potential partner. A neon shirt can mask a great personality and charm. Here are some reasons why it is important to follow fashion trends not only to be stylish, but to help your dating life:

1. Dates in public: If you dress poorly on a date, you'll not only make yourself look bad, but you will also embarrass your partner. How you dress is a reflection of who you are and what

your partner likes, and I'm sure your mate does not like pajama pants on a dinner date.

2. Instant Attraction: We're all a little picky when it comes to scoping out potential dates. You're initially attracted to physical details like a great smile, a certain kind of hair and style. When style is a major factor in judging potential partners, why wouldn't you want to dress nice? Better style leads to more dates.

3. Having fashion in common: When you dress well, you most likely love to shop. If you and your partner are both stylish, shopping could become a great daytime date and something to bond over.

Sources Say Blake Lively and Ryan Reynolds Are House Hunting

Ryan Reynolds has been crashing over at his girlfriend of six months, Blake Lively's NYC pad, and now they're finally ready to make things official. The two have been spotted house hunting in Connecticut. An insider told UsMagazine.com, "They love getting out of the city and appreciate a slower pace." Reynolds recently put the home he shared with ex Scarlett Johansson on the market and Lively is ready to move on from ex boyfriend Leo DiCaprio. The two are getting serious together and will hopefully be purchasing a nice home far from their city lives sometime soon.

What are some ways to tell you're ready to move in with your partner?

Cupid's Advice:

Moving in with someone you're in a relationship with brings things to another level. It's a whole lot of commitment you need to be sure you're prepared for. Here are some ways to tell if you're ready to move in with your mate:

1. You've been together for a while: If you're thinking about moving in together, then you should be in what you consider a long-term relationship. Make sure that you have a good grasp on who someone is before taking that next step.

2. You're in it for the long run: Moving in together is a huge commitment, and it should be a long term decision. You should make sure you're at a stable point in your relationship so there aren't any arguments later on.

3. You've met all of their friends and family: Your partner had a life before you met them, and you should know all about it before you plan to move in with them. People close to them will most likely be visiting a lot.

Scarlett Johansson Speaks Out About Divorce from Ryan Reynolds

Actress Scarlett

Johansson opened up about the men in her life's past and present in an interview with [Vogue](#), including her painful split from actor Ryan Reynolds. Although the *We Bought a Zoo* actress is happy and in love once again with boyfriend, Nate Naylor, she says the memory of her divorce from Reynolds was devastating and painful, but something she doesn't regret, according to [The Daily Mail](#). The couple, who split in December of 2010, led a private and love-filled marriage, but their busy careers got the best of them. 'This was something I never thought I would be doing. And there's no way to navigate it,' said Johansson of her divorce. "Nobody can give you the right answer. It's never anything you want to hear. It's a very lonely thing. It's like the loneliest thing you'll ever do, in some way."

How do you move on after a divorce?

Cupid's Advice:

After a divorce, you can feel like you've lost your entire world or your best friend, but it doesn't have to be so bad.

Cupid has some tips to help you stay positive and move on gracefully:

1. Don't waste time: After a split, a grieving stage is

necessary, but don't let it take over your life because regret can be a difficult emotion with which to cope. Give yourself time to accept the past, settle into the present and embrace what the future has in store for you. Life is filled with ups, downs and unexpected turns, so be strong and carry on because things will get better again.

2. Get out of denial: The marriage is over, and there's no use in thinking about the "what if's," or the "if I would have done this," because you can't go back. The only way to move is forward with a new perspective on how you're going to learn from your mistakes and improve your life.

3. Find yourself: You can't be that person you were when you were with your ex, because life is going to be different without them. There's an authentic "you" in there somewhere, and maybe you haven't revealed it in a while, but it's time to be independent again.

Most Beautiful Famous Couples

By Jessica Smith

Beauty comes from the inside and out, and the radiance of love can be the most profound beauty people can exude. There are plenty of beautiful celebs in Hollywood, and when two gorgeous celebrities are matched together, they turn heads and leave us awe-struck. Here are ten of the most beautiful famous couples that Hollywood has to offer:

Beautiful Famous Couples

1. Prince William and [Kate Middleton](#): The Duke and Duchess of Cambridge have earned the number one spot on our list. They've been married less than a year, but ever since Princess Kate elegantly walked down the aisle, she has taken the world by storm with her class and beauty – and let's not forget her great fashion instinct.

2. Tom Brady and Gisele Bundchen: Fame, fortune, and beauty – this Hollywood couple has it all. They've been married for almost two years, and they're definitely turning heads. The New England Patriots quarterback and his supermodel wife have an 18-month old son and are making big plans for a new mansion.

3. Brad Pitt and Angelina Jolie: You can't mention celebrity couples without this dynamic duo making the list. Pitt and Jolie have been fighting human rights as a couple for six years, and they exude beauty inside and out with their celebrity love for one another and their love of helping people in need.

4. David and Victoria Beckham: There's plenty of spice in this duo's life, and we've watched these stars transform into responsible parents over the span of their twelve year romance. Victoria gave birth to their fourth child, daughter Harper, a few months ago, and their kids would certainly be included in the list for most beautiful celebrity kids.

5. Penelope Cruz and Javier Bardem: The Spanish actress and her beau make a lovely couple as fans watch them raise their son Leo after being married for just over a year.

6. Nick Lachey and Vanessa Minnillo: These newlyweds have been married for less than a year, and they described their celebrity wedding as a dream come true. Hopefully, having their wedding televised didn't leave these two lovebirds with the reality TV show curse!

7. Orlando Bloom and Miranda Kerr: This famous couple can't get any sexier. The twosome has been married a little more than a year, and it's hard to believe they've already had their first child. If you saw Kerr modeling Victoria's Secret lingerie in this year's fashion show, then you probably saw her hubby watching her enviable post-baby body glide down the catwalk and giving her a standing ovation.

8. Adam Levine and Anne Vyalitsyna: They're sexy, and they know it. Their celebrity romance seems hot and steamy as they pose nude for magazine covers and Vyalitsyna appears in his music videos. You could see the infatuation in Adam's smile as he and his girlfriend locked eyes as the Victoria's Secret model strutted her stuff down the catwalk recently.

Celebrity Love is Stronger Than The Rumors

9. Will Smith and Jada Pinkett: Apart from the recent rumors of a celebrity divorce after being married for fourteen years, this power couple is still together and we're cheering for their recovery. The pair – and their famous children – are a force to be reckoned with, and their talent seems unstoppable.

10. [Ryan Reynolds](#) and Blake Lively: This young duo is one of the newest Hollywood couples to step onto the scene, and they're leaving their mark. It looks like the *Gossip Girl* may have finally found her man. The two can't seem to get enough of their love for each other, and for fans, there's nothing like living vicariously through a young and hopeful couple.

Scarlett

Johansson and Ryan Reynolds, two of Hollywood's brightest young stars, have put their former Los Angeles, CA, love nest on the market. Shortly after the couple's divorce, they took the next step in their separation and put their amazing 4bed/3bath up for sale. It will be hard for the former couple to say their goodbyes to the house's beautiful views of West Hollywood and the Pacific as well as their exclusive walled garden and outdoor bath. Their move can be a positive step towards closure in their relationship.

Scarlett Johansson Has a New Mystery Man

After Scarlett

Johansson's split with ex-hubby Ryan Reynolds, the rumor mill was buzzing with candidates thought to be her next boyfriend, but a source has finally confirmed the name of her current romance. How do you keep a new relationship under wraps?

Cupid's Advice:

Getting back into the dating scene after a breakup or a divorce can be tricky. Here are some ways to keep things simple:

1. Keep quiet: Your first few dates after getting out of a serious relationship can be a little shaky, so only tell one or two people close to you that you're seeing someone until you think the relationship is ready for exposure.

2. Social media: Keep the relationship status on your Facebook out of the situation. People love gossip, and changing your status will make the topic free game for anyone with access to

your page.

3. New places: Avoid going to the same places that you used to frequent with your ex. People will realize that your old partner is missing, and without knowledge of the split, could bring up some topics that could result in awkward conversations.

Ryan Reynolds and Blake Lively Lively Visit New Orleans

Despite their slight difference in age, Ryan Reynolds and Blake Lively have been spotted in many romantic places since they've begun dating.

For their latest destination, they've opted to check out the beauty of New Orleans. Their last visit to New Orleans together was during the filming of the *Green Lantern*, which is where they met. How do you find out the most romantic locations in a city you're going to visit?

- 1. Go somewhere far:** Discovering a new city with someone you love can truly be an adventure. Explore a new town or area, and check out all the local sites.
- 2. Use your resources:** There are an array of guidebooks and websites, which list the most romantic places for any dating situation. Check them out with your partner.

How do you introduce your new partner to your friends and family?

Cupid's Advice:

Blake Lively seemed to have no problem introducing Ryan Reynolds to her sister, Robin, via a double date. Cupid has some tips:

1. Relaxed and social environment: When you decide to introduce your new mate to your friends and family, it's important to keep things informal. Your partner will feel less on the spot and will be more likely to open up. Invite them to a holiday party or plan a group bowling outing.

2. Short visits leading into longer ones: Consider an "easy does it" approach. Introduce your new partner in multiple steps by starting out with quick visits and moving into longer social occasions.

3. Don't announce the occasion: Sometimes it's better to just "pop in" when you're introducing your partner to your friends and family. If either party has too much time to think about it, anxiety may double. Spontaneity may be the answer in this case.

Ryan Reynolds Is Dating Olivia Wilde

Has Ryan Reynolds moved on from America's sweetheart, Sandra Bullock? According to UsMagazine.com, the *Change-Up* star and Olivia Wilde went out to lunch at Sant Ambroeus in NYC's West Village on September 16. "He recently told her he has a crush on her," Wilde's friend said. A witness at the restaurant said, "She had minestrone, and they both got greens" on the date. After

they went into an apartment building for two hours, “he briefly put his arm around her” as they walked through Tribeca, the witness added. Although a source close to the costars claimed that their lunch date wasn’t romantic, Wilde’s friend insists that “she’d go out him again.”

What are some creative ways to tell your crush you like them?

Cupid’s Advice:

Admitting a crush can sometimes be nerve-racking. Here are three creative ways to do so without having to actually say anything:

1. Dinner: Ask him or her out to dinner at their favorite restaurant. Making eye contact, flirting and even putting your arms around your crush – like Ryan Reynolds – will give them signs that you’re interested.

2. Card: Gift your crush a card you created that includes a list of everything that attracts you to them. Don’t forget to mention exactly why you think you’re compatible.

3. Group date: Instead of coming right out and asking him on a date, invite a group of friends to go and pay closest attention to him when you all meet up. Take the opportunity to flirt with no pressure.

'The Change-Up' Starring Ryan Reynolds and Jason Bateman

Family man Mitch (Jason Bateman) and his best friend Dave (Ryan Reynolds), a swinger with minimal responsibilities, head out for a typical night of drinking. When they wake up the next morning, instead of having a hangover, their lives became magically switched. After experiencing each other's day-to-day routines, they both work to find a way to switch back to their normal lives, attempting to cause as little damage as possible. *The Change-Up* should have its funny moments, if you enjoyed movies such as *The Hangover*, *Shanghai Knights* and *Wedding Crashers*. Expect a fair share of crude moments, causing a date night to be either successful or awkward, depending on your tastes.

Is it okay to be jealous of your single friends?

Cupid's Advice:

Ideally the answer would be "no", but sometimes on bad days, it's easy to lapse into jealousy. Cupid has some positive suggestions:

1. Count your blessings: Take a page from the Christmas movie, *It's a Wonderful Life*. Try to recall all of the little blessings you take for granted and how your life would be different without them.

2. Hypothetically speaking: Take some time to really think about your alternative life if were were to trade places with your friends. Although it's easier to look at the pros, ask yourself about the cons and possible consequences that come with being single again.

3. Love stories: If all else fails, try to vividly remember how you and your partner met and fell in love – then ask yourself if that's really worth trading in for a life of debauchery.

Ryan Reynolds Is Dating Charlize Theron

New hot couple alert! Ryan Reynolds, who split from ex-wife Scarlett Johansen last December, has been dating Charlize Theron for months, according to UsMagazine.com. An insider said, "They're both career-focused, but not in a crazy way." Could Reynolds have found his perfect match?

What do you do if your partner's career focus is becoming too obsessive?

Cupid's Advice:

Ryan Reynolds and Charlize Theron may be equally career-driven, but sometimes in relationships, one partner may find the other partner a little too focused on work. How can you handle your partner when their motivation to work hard turns into an addiction and their entire life is centered around work? Cupid has some advice:

- 1. Accept your partner:** It's important to remember that you can't change your partner. If work is central to his or her life, don't try to make him or her negotiate that. Respect

your honey's priorities and give him or her space.

2. Communicate: So you want to give some needed space, but you also want to let him or her know that his or her career obsession is a problem, because it makes you feel neglected. As long as you put the focus on your feelings and emphasize your desire to spend time with your significant other, he or she shouldn't get offended.

3. Help him or her relax:When your partner comes home after a hard day at the office, give him or her a soothing massage and allow them to take their mind off serious matters. Let them indulge in a leisurely activity with you.

Cupid’s Advice:

Going through a divorce can be so traumatic, it’s easy to lose your confidence. Cupid has some tips on how to get your swagger back after a split:

- 1. One is the loneliest number:** Being by yourself after being part of a couple for so long is one of the hardest parts of a divorce. But it’s important to relish the time alone to figure out who you are without another person to define you.
- 2. No regrets:** When you think back on your marriage, remember the love you had for each other and everything you learned. This will give you hope that you can find love again.

5 Celebrity Couples We Want to Reunite

By Tanni Deb

We've all had a moment when we've stared wide eyed in utter shock at the TV screen after finding out our favorite celebrity couple has split, trying to figure out what went wrong. After all, this pair seemed to be in such a happy relationship!

There will always be famous duos that we think about months (or even years!) down the line, wondering if they'll ever reconcile. While the possibility may be a long shot, no one can help wishful thinking. With that said, here are five celebrity couples we would like to reunite:

1. Britney Spears and Justin Timberlake: The famous singers first met in 1993 on the sets of *The Mickey Mouse Club* and began dating five years later. They were everyone's favorite celebrity couple in the late 90's, but their relationship ended in 2002. After their breakup, Timberlake released 'Cry Me A River,' a revenge song for Ms. Spears herself. As much as everyone loved this musical duo it doesn't seem like they'll ever get back together – romantically, at least. We can hope for a musical collaboration, right?

2. Jessica Simpson and Nick Lachey: Although wedding bells are ringing for both performers, who wouldn't like this aesthetically pleasing couple to reunite? The pair met in 1998 and within weeks of meeting each other, Lachey told his 98 Degrees band members Simpson would be his future bride. He proposed in 2002 and the marriage lasted for three years. Could *Newlyweds*, MTV's reality show which aired the couple's married life, be to blame?

3. Reese Witherspoon and Ryan Phillippe: This blonde coupling were married for seven year when they split in 2006. While they seemed to have a successful relationship, they spoke openly about having to work on their marriage, and underwent couples therapy in 2002. Despite Witherspoon's recent nuptials, we can't stop thinking of what a beautiful couple she and Phillippe made.

4. Scarlett Johansson and Ryan Reynolds: After only two years of marriage, the pair called it quits in 2010. Rumor had it that Reynolds had an affair with *Gossip Girl* star Blake Lively, and *Us Weekly* reported that he told friends Johansson

“treated him badly.” Though the *Lost in Translation* actress has certainly moved on, we wonder if she and her ex-husband will ever reconcile.

5. Courteney Cox and David Arquette: They fell in love on the set of *Scream* in the mid-90s, tied the knot in 1999, had their first child in 2004 and then shocked the world when they announced their separation in 2010. However, the couple isn't giving up, as they're currently undergoing marriage counseling. We wish these two the best of luck!

These are just a few of the many celebrity couples we'd love to see together again. Which celebrity do *you* want to see back with their ex? Let us know in a comment below!

How can you support your partner's career?

Cupid's Advice:

Most of the average person's day is spent at work, so it's very important to be supportive of one another's careers.

Cupid has some tips on how you can back up your partner's occupation:

1. Always be there to listen: Whether he just landed that promotion or he's whining about the most recent boss drama at the office, try to always be there to listen to the good and the bad.

2. Be happy for each other: There's no room for jealousy in a relationship. If your significant other has a major breakthrough in his or her career, you should be the first person there cheering them on.

3. Do a little research: If you and your partner have totally different career paths, you might consider doing a little homework. It's always nice to feel as though you have some idea of what each other is talking about.

Is Sandra Bullock Heading for Heartache Again?

By Dawn Maslar,
author of *From Heartbreak to Heart's Desire: Developing a Healthy GPS (Guy Picking System)*

Just about everyone loves America's sweetheart Sandra Bullock. She showed such grace and charm winning the Golden Globe Award just months after filing for divorce following the devastating cheating scandal with ex-hubby Jesse James.

Bullock maintained her dignity while her husband's tawdry affairs were displayed on just about every magazine cover. Most of us couldn't image the pain she was going through.

Now the grocery store checkout lane is displaying Sandra Bullock and Ryan Reynolds in a rebound romance. Bullock divorced Jesse James in June 2010, while Reynolds' marriage with Scarlett Johansson just ended a few weeks ago.

Besides the fact that rebound relationships usually lead to heartbreak, neither of the stars have very good partner picking skills. Bullock's past attraction to a bad boy biker (who just announced his impending fourth marriage to Kat Von D) shows an attraction to men with questionable loyalty. And Reynolds' past relationship choices aren't much better. His marriage to Johansson only lasted two years, which is actually record breaking for the young actress, since her previous relationships usually lasted less than a year.

If we take a look at who Johansson dated prior to Reynolds, we see many red flags. She dated Justin Timberlake, who has a string of affairs with women who are attracted to the wrong men, including Britney Spears and Cameron Diaz. Diaz's is currently dating Alex Rodriguez, whose dating history is one of a classic player (and I'm not talking about baseball). Diaz also dated Chris Angel, and the relationship seemed to evaporate into thin air. The point is, by looking through this cycle of relationships, it's easy to see why both Bullock and Reynolds should probably keep their distance ... at least for now.

Spokespeople for both of the actors claim the pair are just friends, and we hope they keep it that way. Their relationship histories and current rebound states indicate that a potential relationship could end in heartbreak.

Sandra Bullock Denies Romance with Ryan Reynolds

Apparently, Sandra Bullock and Ryan Reynolds are not “lovahs,” at least according to Bullock’s interview with Al Roker in an interview earlier this week. The actors have been close friends for 10 years, but at this time in her life the only man Bullock looks forward to seeing at the end of her day is her son, Louis, according to *People*. “I think there will be a collective sigh amongst women across the united States when I say he’s not my lovah,” she said.

How do you use humor to fend off relationship rumors?

Cupid’s Advice:

Constant pestering from family and friends about you

potentially dating a close friend can get obnoxious. That said, sometimes it's best to combat those comments with humor:

1. Make a funny: If nobody believes your denial, give in and play along. By giving dramatic fabricated details about a date that never happened, the topic will soon die out when friends finally get what they want, which is you discussing the "relationship."

2. Do as Sandra does: Play light on the subject. By saying something along the lines of, "I could only wish he'd take me out," you acknowledge that you two aren't dating and at the same time give the audience a mental picture of you two together.

3. Stay away from sarcasm: Although a dry joke may be your weapon of choice, take into consideration others' feelings beforehand so you don't offend anyone. Only use sarcasm if you're sure it will be well-received.

Sandra Bullock and Ryan Reynolds: New Couple Alert?

Former *Proposal* co-

stars Ryan Reynolds and Sandra Bullock were seen ringing in the new year at Bess Bistro in Austin, Texas, according to *UsMagazine.com*. Sources said the two looked “very playful” and were “smiling all the time and sometimes touching.” Reynolds, who filed for divorce from Scarlett Johansson at the end of last year after a two-year marriage, and Bullock, who’s been divorced from Jesse James since last June, may be bonding over their breakups. And although Bullock’s rep says there is nothing going on between Reynolds and Bullock, a friend of Reynolds said that chemistry is obvious between the two.

Can you trust a man to get serious again only a few weeks after leaving his wife?

Cupid’s Advice:

As intoxicating as a new relationship can be, starting one with someone who is just ending a major chapter of his life can be toxic. Cupid has some tips:

1. Understand the situation: Even if he says he’s ready to be with someone again, don’t be so quick to believe him. He may *want* to be over his last relationship, but that doesn’t mean that he *is*.

2. Get the facts: Find out the specifics of your parent's past relationship. The longer and more intense the relationship was, the harder it's going to be for him to make a commitment to someone else so soon, especially if his heart is broken.

3. Move forward with caution: New relationships are always fun and exciting, but having one with a newly single man can be dangerous. To prevent yourself from heartbreak, go into the situation slowly and with caution.

Ryan Reynolds Officially Files for Divorce from Scarlett Johansson

As much as we had hoped they would work it out, less than two weeks after their separation, Ryan Reynolds and Scarlett Johansson have officially filed for divorce, according to USMagazine.com. According to their documents, neither is asking for spousal support.

How do you know when it's time to make a separation permanent?

Cupid's Advice:

Separations are usually a last attempt to make your marriage work. Unfortunately, they often precede divorce. Cupid has some ways for you to know when it's time to make a separation permanent:

- 1. You can't get along:** If taking a break from each other doesn't get rid of some of the hostility in your marriage, it may be a sign that it's too late to work things out.
- 2. You're only in it for the kids:** As much as every parent wants to make their children happy, there comes a time when you may need to put yourself and your spouse's needs first.
- 3. You've been unhappy a long time:** A separation is a time to reflect on your relationship. If you can't recall a recent time when you were content with your spouse, it may be time to move on.
