What are some ways to have a fun family outing?

Cupid's Advice:

You don't have to stop having fun just because you have kids. In fact, children make outings even more fun! Going out with your family is all about enjoying each other's company and having a great time while you're doing it. You might need a

little help finding some things to do that the whole gang will enjoy. Cupid has some ideas:

1. Make a splash: Kids love water parks and so do adults. Find a local water park, beach or aquarium. If you prefer to do something a little more private, you can get creative and have your own mini pool party. Your children can join in on the fun by helping you decorate and pick out their swimsuits.

2. Picnics: Some parents have a hard time getting their kids to calm down in a restaurant. Well, take the food outdoors so they can do as much running around as they'd like. You and your honey can have a little alone time, while the children play tag or hide and seek. When they finally settle down, sit down and enjoy a meal on top of your favorite blanket.

3. Go on a walk: This is a win-win for everyone. The kids will be able to blow off some energy and you and your partner can hold hands while talking about how each other's day is going. If it's a hot day, don't forget to bring the sunscreen. If you decide to go during a cooler afternoon, make sure you dress your children accordingly.
