Cupid's Advice:

While posting pictures of your pregnancy announcement on social media may be a great way of informing people you don't speak with everyday, you may be looking for a more intimate way to tell those closer to you. If you are looking for some ways to announce this milestone to your close friends and family, Cupid has some advice for you:

1. Baby clothes: One way to announce your pregnancy to your family, and to prepare for the arrival of your baby, is to start picking up baby clothes. Whether you are simply throwing a few baby outfits in your cart while you are out shopping with someone, or deliberately giving your parents a pair of baby shoes to keep at their house, people will catch on quickly and start asking you for all the details.

Celebrating your marriage by taking in a vacation is a good way to enjoy each others' company. Your honeymoon does not have to be extravagant. As long as you both agree on the place that you want to go, then it should be enjoyable. Cupid has

some advice on some great places to visit:

1. St. Lucia: This tropical island has many sandy beaches and nice weather, but will also test the bond between you as newlyweds. Consider taking day trips and going rock climbing at Pitons. Spend your time as a new couple going sightseeing, snorkeling or for a ride on a speedboat.

In celebrity wedding news, Sadie Robertson is a married woman. What are some benefits to a short

engagement?

Cupid's Advice:

Planning a wedding can be just as stressful as the engagement period. It can become stressful waiting for the big date to come and planning your life together. However, there are some advantages to getting to the altar earlier. Cupid has some advice on how a short engagement could be the way to go:

1. Less time to wait: Having a short engagement will give you the opportunity to start your life together earlier. You'll have less time to plan an extravagant wedding, but getting it over and done with can start your journey to married life. Try to make the wedding short and sweet. Invite guests that are close to both of you. Keep the guest list concise. This will help with planning a wedding in less than six months.

2. Less expensive: Weddings can be very expensive, especially if you want your day to be magical. Essentials like flowers, musicians, a DJ, and food can be very pricey for both parties. When you have less time to plan something, you'll be forced to make some cuts and compromises. You can take the extra money and use it toward a house, honeymoon, investments, or for your future child together.

3. Your story will begin: Who wants to read a story with a long introduction? It will make you less excited to get to the first chapter. Jumping straight to the point and getting married will help you build a stronger bond. You already know what your partner is like, but going through this new cycle together will teach you more about them. You don't have to do it within two or three months. Try to make it less than a year.

Your story will have the longer chapters with more details, laughter, and love to share.
