In celebrity news, not all kisses are made for the record books! What are three kissing tips?

Cupid's Advice:

Not all kisses are worth remembering. Here are three tips for a memorable kiss:

1. Prepare yourself ahead of time: It's a good idea to make sure that your lips are kissable. Prep your lips beforehand by using lip balm or a nude-colored lipstick.

2. Let them know your intentions: Try taking a subtle approach to letting your partner know what your intentions are. Instead of being super direct by telling them or lunging at them, try leaning in gently for a smooch.

How do you make your pregnant partner feel beautiful?

Cupid's Advice:

When a woman is pregnant, she's going through a lot both emotionally and physically. Sometimes it can be hard for her to keep her confidence levels up. As a dedicated partner, you should be there to let her know that she is still beautiful, she always has been, and always will be:

1. Go shopping for maternity clothes. When your partner starts to show and goes out to buy maternity clothes, so with her and tell her which ones you think look best. Give her your opinion and let her know how amazing she looks as she tries on her picks.

2. Take photos with her. Sometimes women just feel self-conscious about photos in general, but when you're putting on pounds for a baby, photos can seem like even scarier. Let your partner know that she looks perfect, even when she's pregnant. Encourage full body pictures, not just pictures cut off below the shoulders!

3. Go out on dates with her. Let your partner know that she can still get dressed up and out on a date, even with the baby bump. Take her somewhere fancy and treat her like the gorgeous woman you know she is. Show her off and complement her regularly. Treat it like one of your first dates where your goal was to impress her and make her feel like the most beautiful girl ever.
