Scott Porter and Kelsey Mayfield said 'I do' on April 20 in Austin Texas. According to [UsMagazine.com](http://UsMagazine.com), the couple selected Austin for their wedding destination because that's where their love story began. "We wanted to get married under a Texas sky, and it's going to be kind of a rustic chic wedding – that's the term she throws around," Porter explains. "She's got the whole thing in her head and I trust her explicitly."

**What are some ways to compromise on wedding details?**

**Cupid's Advice:**

You and your fiancé have been dreaming up the perfect wedding.

Now that it's time to get the ball rolling, you realize you don't see eye to eye on every detail. Cupid's here to help you compromise plans for the big day.

**1. Pick your battles:** Your soon-to-be husband wants to have a live band, opposed to a DJ at your wedding and you think it might be a little tacky. Your love seems so committed to the idea and really seems to want it for the wedding. If you don't have a deep concern over an issue, let your partner have his way. It clearly means a lot to him. In return, he will let you have your way with other disputes you may come across while planning.

**2. Try new things:** Your love wants to invite his friends from college that you never met before to the wedding. At first you are horrified by the idea of having strangers at your wedding. Think it through—these people are probably important to your man and should be there for his special day. Perhaps get to know them before the wedding.

**3. Ask other's opinions:** If you and your fiancé are in a huge argument over the color scheme of your wedding ask other's opinions. Go to your mom and his mom—to make it fair—and see what they think. A fresh perspective may be all you two need in this situation.

# Porter Dish on Love Triangle on 'Heart of Dixie'

By Jennifer Ross

In the season finale of *Hart of Dixie*, Dr. Zoe Hart (Rachel Bilson) and Wade Kinsella (Wilson Bethel) finally have their love affair. However, the show didn't end like that. Soon after, George Tucker (Scott Porter) decides to call off his wedding to Lemon Breeland (Jaime King) and confesses his love to Dr. Hart. What's a girl to do? Bilson, 30, tells [UsMagazine.com](http://UsMagazine.com) that although she does not know who her character will end up with, she thinks the love triangle will continue for awhile. As if that was not enough to keep you waiting for next season, poor Lemon will battle with maintaining her perfect image before society. How will she handle the humiliation? Will she fight to get her man back? Will she go back to her former lover, Lavon Hayes (Cress Williams)?

**What do you do if you're caught in a love triangle?**

## **Cupid's Advice:**

Whether you are torn between two lovers or happen to be one of the two hanging on, being in a love triangle is exactly like being stuck between a rock and a hard place. There really is nowhere to turn and no matter if you believe they love you, you are ultimately alone. When you are ready to move forward to a better relationship, here are a few tips to get you going:

**1. Be honest:** One of the main reasons you got yourself into this mess is because you were not honest with yourself in the beginning. Do it now! What pain or void are you trying to fill? Aside from the actual person, what do you truly want in a partner? Never mind the guy, what kind of love do you want for yourself? Make a list and read it daily.

**2. Listen to logic:** No matter how much you feel you need to stay, chances are you know or have heard all the reasons for getting out. You must take time (a week, a month, etc) to slow down your emotions and think about your love triangle in its entirety. Remember, holding on tighter to your lover(s) will not make the spinning stop; it only makes you dizzier.

**3. Let go:** Do this; imagine your younger sibling or best friend came to you with this exact same problem. Would you tell them to stay or would you tell them they deserve better? One thing you forget to realize is that the only reason you are in a love triangle to begin with is because you continue to stay in your corner. The sooner you get out, the sooner your pain will heal.
