By Abbi Comphel and [Whitney Johnson](#)

There are plenty of pairings that just make sense: peanut butter and jelly; flip-flops and the beach; bright red lipstick and that little black dress, to name a few. That's not to say that unexpected matches don't make their mark: bacon and chocolate (seriously); navy and black; cowboy boots in the summertime. This idea holds true for relationships, too. Zimbio's Top 10 Sizzling Celebrity Couples

When it comes to celebrity couples, everyone wants to know which ones are hot and which ones simply don't make the cut. Zimbio came up with a list of their 100 Hottest Celebrity Couples. Celebs were rated on their levels of success, attractiveness, popularity and staying power. The total of the scores in the four categories determined each couple's rank on the list. Although one of the couples has since split, the other nine are still happily together – as of now. Let's take a look at how hot Zimbio's top 10 list is:

1. Angelina Jolie and Brad Pitt: Who other than “Brangelina” should get the number one spot? Jolie and Pitt's names have graced headlines ever since word got out that they were an

item. On success, Zimbio said, "These two command the box office," and their attractiveness and popularity are self-explanatory. As far as staying power, Zimbio believes they have more reasons to stay together than the average celebrity couple.

2. Beyonce and Jay-Z: *Parade* magazine reported that this couple racked up a total of \$162 million this year, proving their obvious success. Also, this couple keeps their relationship strictly between them, giving their relationship longevity.

3. David and Victoria Beckham: Their attractiveness ranked a scorching 19 on the scale of one to 20. Posh Spice remains a feisty diva who has perfected her fashion tip, and the soccer player has always been noted for his good looks. Though rumors have circulated about the couple having affairs, they are still holding strong, 12 years later.

4. Gisele Bundchen and Tom Brady: There's no need to speak on success, as Brady is one of the hottest names in the NFL and the former Victoria's Secret angel continues to land many cosmetic endorsements. This is a first marriage for this seemingly ageless couple – one that will hopefully last!

5. Faith Hill and Tom McGraw: Though Zimbio doesn't think this couple is too hot, success sums them up in a nutshell. Hill had 1.2 million Google searches last month, and McGraw's 2.25 million was enough to put them in the top tier of most popular couples, according to the site. We predict that this couple will continue their happily ever after, as their staying power ranks 20 out of 20.

6. Will Smith and Jada Pinkett: You should have known this hot Hollywood couple was coming! Smith and Pinkett are the epitome of the sweet, down-to-earth duo everyone loves. They have both spoken out about divorce before, and simply put, it won't happen.

7. Jessica Biel and Justin Timberlake: Although this couple gained a spot in the top 10 list, the fire to their flame has been blown out. However, the former pair ranked 19 out of 20 for both popularity and attractiveness.

8. Gwen Stefani and Gavin Rossdale: While they aren't as successful as the others, this musical couple ranks high in attractiveness. Though Stefani used to date No Doubt band mate Tony Kanal, there's "no doubt" she and Rossdale are a match made in heaven.

9. Johnny Depp and Vanessa Paradis: According to Zimbio, "Johnny Depp became the highest-paid actor for a single role in the history of film" after shooting *Pirates of the Caribbean: Dead Man's Chest*. If that's not success, we don't know what is! These dark-haired lookers have an unpredictable staying power and didn't rank high in popularity, but made the top 10. Kudos!

10. Heidi Klum and Seal: Seal's album *Soul* ranked number one on the French album charts for 13 weeks straight last year, and Klum's 2010 income was said to be \$14 million, according to *Forbes* Celebrity 100. Though Seal has a rare condition called discoid lupus erythematosus that caused the scars on his face, Klum, the bombshell Victoria's Secret model, only noticed his flawless personality.

This Top 10 list is just a small portion of what's on Zimbio's Top 100 menu; if you can't take the heat, stay out of the kitchen. For the rest of the list, visit Zimbio.com.

Celebrity Couples Who Have Stayed Together

By Erin O'Riordan

Why do some celebrity couples end up as a train wreck, while others seem to withstand the test of time? Different strategies work for different power couples. For some, private time is the glue that cements them. For others, it's a conscious decision to put marriage and family before work or making time for grand romantic gestures.

Check out what works for these four celebrity pairs:

Beyoncé and Jay-Z: They are one of the world's great couples. Jay-Z has an undeniable charm, a laugh to die for and a fantastic smile. The key to their happiness may lie in their

equal success – both reportedly make around \$80 million yearly. Celebrity couples have survived even without equal success, though, so what works for Jay-Z and Beyonce might be their commitment privacy. The couple is notoriously private about their relationship, keeping the magic between them and not opening up their bedroom to the world.

Faith Hill and Tim McGraw: Married since 1996 and some of the hottest entertainers on the country music scene, these two owe their success to spending time together. Even with their busy touring schedules and McGraw's burgeoning movie career, they try never to spend more than three nights away from each other's sides.

Jada Pinkett Smith and Will Smith: He's the only actor ever to have scored eight consecutive films that grossed over \$100 million domestically. Okay, so Will Smith is the biggest movie star ever. Jada's also had some megahits, notably the Matrix series, and she's taken turns as a writer and director. Still, Jada insists she would let her career go before allowing it to interfere with her relationship with Will. Maybe that's why they've been together since 1997. Of course, it doesn't hurt that this super-cute couple only seems to get better looking with age.

Heidi Klum and Seal: The former Victoria's Secret model who stays involved with America's Next Top Model, is known for her fabulous figure and gorgeous face. He's known for his legendary singing voice and the uber-romantic ballad "Kiss From a Rose." The pair met in 2003 and married in 2005. The fact that he's English and she's German never seems to be an issue for this playful pair, often caught in public frolicking with their four children. The romantic duo renews their wedding vows every year on their anniversary.

Seal definitely had a lot of fun making the music video for his new single "Secret," where he and supermodel wife Heidi Klum don their birthday suits – in bed! The single, off Seal's new album *Seal 6: Commitment*, is about he and his wife's relationship. "The song, the movie, it's the story of our love," said the 47-year-old singer. Klum, 37, told [*Us Weekly*](#), "I feel so lucky to have found my husband especially at the time when I did." The pair married in 2005 and have

three children together, ages 5, 3 and 1. Klum also talked about what the song means to her. "It's the story of two people in love. My husband is what I always wanted and never thought I would have."

How do you know what qualities you need in a partner?

Cupid's Advice:

Finding "the one" can be tricky, so it's important to know what qualities you need in a partner if you want the relationship to last. Cupid has some ideas on how to figure out what traits to look for:

1. Look back: Every relationship is a learning experience that gets you closer to finding Mr. Right. Use your past experiences to figure out what qualities you want (and don't want) in a future partner.

2. Use an example: You know that couple that have been together forever and are still totally in love? Think about what makes their relationship last, whether it's honesty, communication, or a sense of humor, and keep those traits in mind.

3. Share goals: Think about what's important to you and look for someone who wants the same things. While your partner doesn't have to have identical goals, being with someone who has similar aspirations and values will ensure a long-lasting relationship.
