

Celebrity Couple Predictions: Megan Fox, Trai Byers and Selena Gomez

By [Shoshi](#)

In the latest celebrity news, these famous couples have made headlines, whether it be Megan Fox's rumored divorce, the *Empire* stars secret wedding, and Selena Gomez's not-so budding relationship. Whose stepping out in Hollywood this time around hand in hand? Check out my predictions for these three [celebrity couples](#) and find out what's next in their love lives.

Celebrity Couples Predictions: Celebrity Relationships That May or May Not Last

Megan Fox and Brian Austin Green: When Megan Fox started showing a baby bump, the press went crazy speculating over who the “baby daddy” could be. Since Fox filed for divorce from Brian Austin Green last August, technically, the baby could be anybody’s. But I never doubted that the baby was Green’s. This famous couple has been on a roller coaster ride since they got together. Fox and Green used to break up and get back together all the time before they got married. The new addition to their family was not planned, but they say all is good, they’re happy now and plan to see where it all goes. Neither one of them were dating anyone else and they still lived in the same house. My prediction is that Fox and Green will not file for celebrity divorce. It may be bumpy between them every now and then, but their spiritual connection remains. My relationship advice to Fox is take a month or two vacation from Green every so often. That seems to do the trick when it comes to rekindling their love.

Trai Byers and Grace Gealey: Two stars from *Empire*, Trai Byers and Grace Gealey, got married in a quiet ceremony in the Cayman Islands. You could say that it was a whirlwind romance since they had a short and quick courtship. Will they last? Right now it looks good. The Hollywood couple have the same ideals when it comes to marriage and family. Around their fifth year of marriage will be a time of make it or break it. Oddly, none of their co-stars from *Empire* were invited to the celebrity wedding, because they wanted to keep the wedding small. That lets me know that the rumors are true. Byers is

not happy to be on the show and there have been rumors circulating that he wants to quit. By the end of the year, let's say around November, there will be celebrity news that the pair is expecting their first child. They will have two kids together, a boy and a girl. After *Empire*, Gealey will focus on being mother and wife while Byers brings home the bacon.

Selena Gomez and Charlie Puth: Anytime Selena Gomez talks to anyone of the opposite sex, it causes a stir. This time around she is being paired with Charlie Puth. Puth does not have nearly enough swagger for Gomez. She likes bad boys and men with an edge. Puth is as wonder bread as they get. He's talented but a bore. Gomez needs a guy that matches her fire and passion. If anything is going on with Puth, it's simply a friends with benefits situation. This rumored relationship has no steam. I actually see Gomez involved with an actor a little bit older. This new celebrity couple should blossom during the summer. Puth will keep having make out sessions with starlets.

Top 5 Celebrity Couples With Tattoo Regret

[By Katie Gray](#)

Ah! There's nothing like famous [celebrity couples](#) who are romantics at heart. Many celebrity couples in Hollywood have shown their love and affection for their significant other by getting a tattoo in their honor. Nothing says "I love you" like putting it in ink, right? That means it's forever! Well, it turns out that sometimes ink isn't forever, even in Hollywood. Rihanna has stars on her back and behind her ear, songstress Mariah Carey has a butterfly, and Britney Spears has one on her hip. Everyone from actors Charlie Sheen and Denise Richards, to supermodel Heidi Klum, to boy band icon Nick Carter and heiress Paris Hilton, to Kelly Cuoco from *The Big Bang Theory* has put their love in ink. But the saying goes, "All good things must come to an end." This is true for some of our favorite celebs who have regretted and then removed their tattoo. We can all learn from this [celebrity dating advice](#). Maybe it's best to wait a very long time before putting our love in ink ... or maybe it's best to avoid it altogether.

Cupid has the top 5 celebrity couples with tattoo regrets:

1. **[Justin Bieber](#)**: “What do you mean?” Pop icon Justin Bieber broke out with his romantic pop songs about love such as “Baby” and “U Smile I Smile” and took the world by storm. He told *Vogue*, “This is my ex-girlfriend,” he said. “I kind of tried to cover her face up with some shading, but people still know.” On the bright side, this pair keeps it cordial and are clearly still happy for one another’s success.

2. **Eva Longoria**: Eva Longoria is known to be in love with love! This talented actress had her breakout role on *Desperate Housewives* but she is far from desperate. They say the third time is a charm, which is probably why she had three tattoos dedicated to her ex-husband. Single celebrities have all the fun! What are some benefits to staying single?

When you’re single, don’t remain bitter about love or seeing other couples happy. Rather, use this time to build up

1. Be more productive: You don't need to worry about cooking dinner, cleaning, attending events or shopping for your partner so you have a lot of extra time that can be devoted to work, hitting the gym, or starting a new club. Use this time wisely to discover new interests or skills.

result.

Cupid doesn't think these celebrity exes are getting back together anytime soon! What are some ways to keep things civil post break-up?

Cupid's Advice:

It's nice to know that these celebrity exes are able to maintain a friendship even after their romantic relationship ended. Although it seems difficult, exes can be in each other's lives. Here are a few relationship tips on staying civil with an ex:

1. Give them their space: While in a relationship, it isn't uncommon to want to know what your partner is up to throughout the day. However, after a break-up you no longer need to know what your ex is doing all the time. Constantly checking in on them may cause some unnecessary tension.

2. Let old arguments go: Once you two are no longer a couple, all the fights and bickering that used to happen aren't important anymore. Try to forget any grudges you may have and start this new friendship with a clean state.

3. Be okay without them in your life: Sometimes exes don't want to have a friendship once the relationship is over, and that's okay. You shouldn't force a friendship with them, it will only cause drama and cause a wider gap between you two.

New Celebrity Couple Selena Gomez and Zedd Face Doubt From Her Friends

By [Whitney Johnson](#)

It looks like Selena Gomez has finally moved on following her celebrity break-up with Justin Bieber! The pop princess is now in a relationship with music producer Zedd. According to [E! Online](#), a source close to the singer says, "Everything is going great with him. She is really happy, and they are having fun." Unfortunately, some of Gomez's loved ones are unsure about the new celebrity couple and where their relationship is headed. "Selena's friends are a little bit wary while remaining hopeful," the source adds. "Right now, he is making Selena happy, and he's not Justin Bieber, so that's a good thing."

This celebrity couple is facing some doubt from the pop star's friends. How do you handle criticism about a new relationship

and love?

Cupid's Advice:

The beginning of a new relationship and love should be filled with joy and bliss. However, when your pals are unsupportive of your new partner, it can put a damper on your happiness. If you're facing criticism like this celebrity couple, Cupid has some tips:

1. Introduce them: If your buddies haven't met your significant other yet, ask them to be open-minded until they get to know each other. If they've already been introduced and had a negative first impression, tell your buddies that it'd really mean a lot if they would give your beau a second chance. Encourage them to set judgments aside until they spend some quality time together.

2. Listen to their concerns: It may seem counterproductive, but it's important to ask your friends to explain their doubt to you. As much as you may want to ignore their criticism, giving them the chance to share their worries will go a long way. It'll help you understand where they're coming from, and it'll allow your pals to feel like they're being heard. Getting everything out in the open will help you all move forward in a graceful way.

3. Be honest: If all else fails, you need to have a heart-to-heart with your loved ones and open up about your new relationship. seeing you so happy should be enough for them.

The heart wants what it wants. According to UsMagazine.com, Selena Gomez stunned the audience at the AMA's

on Sunday night with an emotional performance of her hit single. She dazzled in a flowing cream dress with her hair pulled back. The performance included a pre-recorded phone conversation of a sad Selena, some intense imagery and a teary superstar at the end of the performance. Celeb bestie Taylor Swift was also affected as she watched from the audience. "The Heart Wants What It Wants" singer recently shared that the muse for the song, Justin Bieber, "thought it was beautiful."

What are some ways to express emotion to your partner when words won't cut it?

Cupid's Advice:

Sometimes when it comes to love, words just aren't enough. Here is some advice on how to let your feelings out in different ways:

1. Write it down: If you've tried to say the things you need to say and they won't come out right, write it down. Sometimes that's what you need to process the thoughts in your head.

2. Read about it: If writing isn't your forte turn to the words of John Keats, William Shakespeare or Emily Dickinson. Reading words of love and lust and loss may be just what you need to express your own emotion through a different outlet.

3. Don't forget about intimacy: When you are with someone you cannot forget about the simplicity of intimacy. Nonverbal communication has a lot of power, don't be afraid to use it.

What are three important conversations to have before reuniting with an ex?

Cupid's Advice:

Sometimes it's good to give second tries to relationships. Want to give it a try? Cupid has some advice on how to talk things out:

1. Ask questions: Are there still feelings there for one another? Why did the relationship fail in the first place? All questions to ask. It's important to address past issues so that you can then move forward.

2. Seeing passed what happened: Some things are forgivable/forgettable, while others are simply things you can't get past. Determine which category your past issues fall into, and then go from there.

On-Again, Off-Again: Celebrity Couples Who Can't Make Up Their Minds

By Deanna Atkins and Laura Seaman

In Hollywood, you never know who's going to be the next big couple, especially when the new duo may breakup before official word even gets out. To be fair, it has to be

difficult to maintain a relationship that's constantly in the public eye. Aside from frequent budding romances, we're constantly hearing about those twosomes who just can't commit. They're on one week and off the next week, and then before you know it, they've eloped...only to divorce weeks later.

These three pairs constantly keep us guessing and never fail to surprise us with yet another breakup or makeup. Sometimes we enjoy staying on their relationship roller coaster ride, but still, we have to wonder why these stars are so incapable of staying together:

Lady Gaga and Taylor Kinney: If you were as busy as the pop star, you'd probably find it challenging to keep a boyfriend too. But as her touring schedule has slowed down, it seems like she and the *Chicago Fire* actor are back on again! The 'Born this Way' singer has been with the 33-year-old for three years now, and rumor has it, she's been looking at wedding dresses in Canada. The pair have been seen on romantic skinny dips and dining at Gaga's father's restaurant, but don't be fooled by their seemingly effortless relationship because it's definitely a tough one to maintain.

Sammi Giancola and Ronnie Ortiz-Magro: Whether this couple's out of control relationship was purely for entertainment purposes or not, everyone can't help but love to hate the *Jersey Shore* duo. The guido and guidette got together on the first season of the show, and, ever since, we've seen the twosome through the crying, name calling, and all out physical brawls. It's actually a rarity when they're filmed *not* fighting.

That said, there are those times they honestly look happy together. Between his fohawk and her Jersey-girl attitude, they couldn't be more perfect for one another. Let's give them some credit though: Since the filming of the sixth season ended, they're officially on and have even moved in together.

Selena Gomez and Justin Bieber: This A-List couple has been on and off for quite a while. As of now, the pair seems to be back together. For the past few years, fans have been told about their constant breakups, only to be shown pictures of the two cuddling on Instagram.

It's no surprise that there's friction between them. The former Disney star seems to be rapidly climbing the ladder of success in both music and film. Bieber, on the other hand, just keeps getting in trouble and can't seem to catch a break. From his DUI to videos of his vulgar behavior, this pop star isn't gaining much support lately. For a while, there was even a petition to deport him to his home country! Despite all of this drama, America's darling seems to be smitten with this Canadian bad boy.

Whether these celebrities don't realize what they have in front of them or they're waiting to see what else is out there, anyone can relate to needing a push in the right direction. It may be time to quit the games and find a more compatible mate or accept that you're truly in love with your partner. Either way, it's not beneficial for anyone to be in a consistent on-again, off-again relationship!

Celebrity Couples Who Love Fourth of July

By Shannon Seibert

Tis the season to take pride in your homeland and rock the colors of vigilance, perseverance and justice. It's also the day where we sport killer bikinis, chow on barbecue and watch amazing fireworks displays. The best part about the holiday, though, is that it's a day in which our entire country takes pride in their homeland, especially our celebrities. We've pulled together the envy-worthy patriotic plans and traditions of these stars to hopefully inspire a little Independence Day tradition in your own household:

Jessica Simpson and Eric Johnson: Jessica Simpson and Eric Johnson will have two reasons to celebrate this weekend. After being engaged since 2010, the couple has chosen to wed on July 4th. This all-American occasion will definitely be a party worth remembering.

Idea for you: You may not have been married on the Fourth, but that doesn't mean you can't celebrate your love. Have an intimate anniversary party underneath the fireworks with your love. Get silly and stuff American flag cake in each other's

faces, wedding style.

Beyonce and Jay Z: Queen B has always been a fan of the holidays. With Blue Ivy around B and Jay Z are bound to have some Fourth of July fun. Last year the singer struck a pose against a vintage car in flag-print denim shorts. Looking forward to this year's photoshoot B!

Idea for you: Have your own star-studded photoshoot! Together with your love dress up in all of the patriotic attire you can find. Then take your man around town and find your most historical sites. Snap some selfies together, or strike your best model poses.

Eddie Cibrian and LeAnn Rimes: Last year the couple attended Rimes' Fourth of July performance with Cibrian's two sons. The family of four gathered around for a quick photo of them decked out in holiday attire. Rimes had tweeted about how happy she was to spend time with her man and the boys.

Idea for you: Nothing says 'America' like a good 'ole country concert. This time of year, tours are in full swing. Hop on Ticketmaster with your man and surf the web for some neat Independence Day deals on your favorites, such as Miranda Lambert.

Selena Gomez and Justin Bieber: The past year has been plenty rocky for Jelena, but this time last year the couple was in full-swing of celebration. Gracing Instagram with an adorable selfie, the pair sent fans screaming about their Fourth of July return.

Idea for you: Connect with old friends while celebrating your freedom. The Fourth is a great day to reach out to your "neighbors" under law and check in to see how they are doing.

Style

Josh Kelly and Katherine Heigl: The Kelley family spent July 4th of 2013 poolside at their home in Utah, making a splash in the holiday's festivities. The former *Grey's Anatomy* actress posted adorable photos of her two daughters and her hubby on Twitter, wishing the nation a happy birthday.

Idea for you: Host a pool party with your family- friends. Have a potluck and ask your guests to bring an item along to share. This way there will be plenty of food and fun to go around.

Kim Kardashian and Kanye West: The Kardashian family has never disappointed on the subject of partying. This year there are rumors of a Kardashian family get-together which will include all of the usual prospects. The Wests will be celebrating their daughter North's second Independence Day this year.

Idea for you: Take the day to just be with the family. Set up a barbecue buffet for you and your man's closest family members. This way you can see whether your Uncle Joe's fireworks outshine Grandpa Jim's this year while spending time with your loved ones.

How do you know if you should give your ex a second chance?

Cupid's Advice:

Second chances are risky. Love isn't like baseball when you get a definitive three strikes rule, this is your heart we are talking about and it isn't something to be toyed with. When it comes to giving your ex a second chance you have to go with your gut and see if there is something here to be fighting for:

1. They have made an effort to change: Doing the same thing over and over again and expecting different results is the definition of insanity. The same rule applies to human behavior. Obviously the way things were wasn't working for the two of you together, so something has to give. If your ex has made a measurable effort to better himself for the sake of your relationship, that is something to take into account when granting a second chance to dating them again .

2. He has given you a sincere apology, and meant it: There isn't much you can do with the words "I'm sorry." After a while of hearing the repetitive apologies, they begin to lose their meaning. A real apology entails acknowledgment of their wrongdoing, recognition of the consequences, and a plan of action for what they're going to do to improve. If your ex has sat you down, looked you in the eye, and apologized explicitly for whatever he may have done, that is credible.

3. Take your past into consideration: Was your relationship toxic? Did your nights end in tears more often than kisses? Can you see yourself dating this person again ? Relationships end in one of two ways: in a break up or they don't end at all, you're with them until you pass. If you can look into your past and smile about it, and look into the future and see him there, he may be worth the second shot, similar to what Selena Gomez did with dating Justin Bieber.

What are some ways to keep drama from affecting your relationship?

Cupid's Advice:

Opinions of others and outside drama can have a certainly have a way of tainting the relationship if you and your partner do not know how to avoid it. Cupid has a few tips on how to steer clear of the drama:

1. Keep away: Do not put you and your partner in environments or situations where you may begin to question your relationship just because of what others may have said. Also, do not involve yourself in any conflicts that are not related to you (or your relationship) – this includes spreading malicious information about others or simply sharing an offensive opinion. How do you weigh the pros and cons about whether to get back together with an ex?

Cupid's Advice:

Many couples break up, but sometimes couple who break up can't stay away from each other and continue to get back together. When it comes to deciding whether you should give it another go with your ex there are many things to consider and think about. Cupid has some advice on how to weigh the pros and cons about whether to get back together with an ex:

1. The con or why you shouldn't get back together: Sometimes someone just isn't right for you and deep down you know when someone just doesn't cut it for you. If you find you could never trust them before than you probably won't trust them the second time around. If you find you two never get along well, or have a hard time trusting one another, it's probably best to let them go, why waste your time with someone who isn't right for you.

So what if now in the future you are both in the right places in your life for a committed relationship and still find yourself still drawn to your ex? If you still keep in contact, get along well and are still attracted to your old lover, getting back together might be just what you need.

3. The pro or con, which one outweighs the other more: If there are more negative than positive memories about your ex

than it's probably best to not let the possibility of history to repeat itself. If there are more positive reason on why you should get back together with your old flame, such as even with the negative you accept them or find them endearing.
