## **Cupid's Advice:**

Worried about your friend getting back with one of their violent exes? Should you do something? If so, what? Cupid is here with some advice:

**1. Reach out:** Tell your friend how you feel. Tell them you are concerned and worried about their safety. Offer to help them and let them know you are there.

**2. Support:** Be supportive and listen to them talk about their feelings. If they make a decision that you do not agree with, do not fight them over it or stop talking to them. Let them know you are always there so they don't end up isolating themselves from you, otherwise, they won't come to you when they realize that they really do need help.

**3. Leave the abuser alone:** One mistake people tend to make when they have a friend that is in an abusive relationship is contact the abuser and start a fight with them. If you contact the abuser and anger them, you will put your friend in more danger. Keep your feelings between you and your friend, for your friend's safety.
