2. Have your friends help: Having a child can be exhausting! Repeating the details to each and every friend and relative is the last thing on your mind, so ask one of your most talkative friends to spread the word. Hand them your contact list and have them make calls, send emails, and text everyone. They'll enjoy telling the story, your friends will be happy to hear the news, and you'll be spending time with your new baby.

I’m going to give him my number.’ And she was like, ‘Honey, he’s engaged.’”

This celebrity news tickles our funny bones! What are some ways to know if your crush is currently involved with someone else?

Cupid’s Advice:

There’s nothing worse than having a crush on someone who is already otherwise involved with someone else. Cupid has some tell tale signs your crush isn’t up for grabs:

1. He’s standoffish: Obviously being standoffish can mean more than one thing, but if you know he’s a friendly guy and he shies away a little when you try to flirt with him, that’s a red flag. At that point, you should probably ask around to those close to him to see if he’s got a significant other or at least a love interest already.

2. He’s non-committal: If you keep casually suggesting a hang out session with your crush and he keeps coming up with lame excuses, it’s definitely time to consider the circumstances. He might not be able to hang out because he already has a girlfriend! It’s time to do some digging.

3. He's treating you like one of the guys: If your crush is asking you to play a pick-up game of basketball with a group of guys, or asking you to have lunch with a big group of friends, it's time to start thinking about why he's not asking you to spend quality time with him alone. Chances are, he's otherwise involved.

Seth Meyers Marries Alexi Ashe

By Kerri Sheehan

Funny man Seth Meyers is officially off the market! His longtime girlfriend walked down the aisle to the former Saturday Night Live star on Sunday, September 3rd. The two tied the knot on Martha's Vineyard, Massachusetts after their July engagement. An insider dished to UsMagazine.com, "He's very excited for the next phase of his life. He's known that she's The One for awhile, but it was all about timing." Meyers will soon be taking over the hosting duties for Jimmy Fallon on NBC's *Late Night*.

What are some factors that go into deciding your wedding location?

Cupid's Advice:

A wedding can be the most important day of your life. Let Cupid help you decide where to tie the knot:

1. Think numbers: A location depends heavily on how big of a wedding you want to have. If you're looking for a huge bash then having a destination wedding might not be feasible as many guest would not be able to attend.

2. Season is key: If you're looking for an outdoor wedding then the question of when will come into play just as much as the question of where. A winter wedding in New England may not fair too well and the same with a summer nuptial in the Arizona.

3. Family and friends: The closer the wedding is to your family and friends the more likely you'll get the turn out a wedding deserves. If most of your family lives in California, but you reside in New Jersey then you may want to consider walking down the aisle in The Golden State.
