Kissing On Screen: Do Celebrities Get Jealous?

By Che Blackwood

In the real world, most couples are uncomfortable with the idea of their partner locking lips with a co-worker. Since infidelity is one of the leading causes of divorce and emotional cheating is grounds for a split, it's hard to imagine anyone condoning an out-of-relationship make out session; that is, unless you're in Hollywood. Stars have contractual obligations to kiss their co-stars, and their partners have to be understanding in order for their relationship to work. To avoid jealous outbursts and maintain healthy and loving relationships, celebrity couples make sure to follow these simple tips:

1. They work together: Whether they met on or off screen, famous couples like Kristen Stewart & Rob Pattinson and Olivia Wilde & Jason Sudeikis have managed to share the silver screen with their real life partners. Getting paid to kiss your

romantic interest is a sure fire way to keep the jealousy tamed.

2. They visit each other on set: While stars can often be away from their honeys for months at a time, the truly devoted grab every possible opportunity to see one another. Loving couples, like Shia LaBeouf and Karolyn Pho, know that absence can make the heart grow fonder ... at first. But too much time apart is a relationship killer.

Related: [Four Ways to Make Your Long Distance Relationship Work](#)

3. They're supportive: You don't have to understand your partner's career, but the couples that last know that you *do* have to be supportive. By rehearsing together and staying connected through the ups and downs of stardom, Tinsletown twosomes are able to keep their love strong, regardless of occupation.

4. They vacation together: Couples that play together, stay together. After long stints of work, lasting duos like Prince William and Kate Middleton know the best way to keep the fire burning is to get away from whatever was blowing it out.

5. They communicate: By far one of the most important parts of a relationship is communication (or the lack thereof), and it can make or break a relationship. Kris Humphries and Kim Kardashian prove that without a healthy dose of conversation, busy and stressed stars won't get far in their quest for love. By staying open about their feelings with one another, the rich and famous can get rid of jealousy altogether. In the end, when you're with the right person, no amount of on-screen kissing will break your bond apart.

Shia LaBeouf's Girlfriend Visits Him on Set

According to [People](#), Pho wore casual clothes and was friendly with crewmembers while visiting. She even shook the hand of director Robert Redford. Later, both LaBeouf and Pho managed to sneak off set and enjoy some alone time at a nearby coffee shop. Then, not quite ready to separate, they strolled arm-in-arm on the way back.

What are some ways to support your partner's career?

Cupid's Advice:

Even if you don't fully understand your significant other's career, it's important to show your support. Cupid has some ways to do just that:

1. Be there: Be aware of your mate's career moves and changes so that you can support and encourage them each step of the way. Pep talks at the right times certainly couldn't hurt.

2. Promote relaxation: Help your partner take their mind off of hectic or stressful times at work by doing something fun. Theme parks, movie theatres, or even a short interlude at a coffee shop like Karolyn Pho and Shia Labeouf work great.

3. Show understanding: If your partner has a chaotic job, they may not always be home on time, or they may have to travel a lot. Be willing to travel with your partner, and if that's not possible, make the time you have with them count. Whatever you do, don't make them feel guilty.

Carey Mulligan and Marcus Mumford: Engaged After 5 Months?

Two talented Brits are ready to walk down the aisle ... after only 5 months! Carey Mulligan and her musician boyfriend, Marcus Mumford of Mumford & Sons, reconnected last winter after being childhood pen pals in London. Mulligan, 24, and Mumford, 26, started dating seriously after the actress attended a secret Mumford & Sons show in Nashville in February. The Oscar-nominated actress had split from Shia LaBeouf last October. A friend of the two tells UsMagazine.com, "They're a great couple. Very sweet."

Is time a factor when it comes to getting engaged?

Cupid's Advice:

Some people believe that you should date for awhile before getting engaged, while others think that when you know you've found the one, why wait? Cupid has some advice:

- 1. Past the honeymoon phase:** Once you've gotten past that initial butterflies-in-your-stomach phase and still want to be together, then you might be ready to walk down the aisle.
- 2. No point in waiting:** Some people subscribe to the theory

that when you know, you know. If you're 100% confident that you've found the one, there's no reason to wait any longer before getting engaged. Plus, you can always have a long engagement.

3. Living together: Time might also be a factor if you're considering moving in together. While opinions differ on whether to live together before getting married, if you want to take this step before popping the question, wait a little while to get settled before getting engaged.

Shia LaBeouf and Megan Fox: Kissing Co-Stars?

According to UsMagazine.com, *Transformers* costars Meghan Fox and Shia LaBeouf hooked up on the set of the first and second *Transformers* movies. Though a source clarified that Fox was not with her present husband at the time, when LaBeouf was asked if Fox and her husband were together at the time, he stuttered and said, “I don’t know” 12 times. Director Michael Bay allegedly put a damper on their fling when he fired Fox off of the set. “Believe me,” said Bay, “that was an unhappy set. I think they were drawn together because it was so ugly working on that film.”

How do you act normal at work when you know that you’re hooking up with a colleague?

Cupid’s Advice:

Having flirtatious eyes and a pumping heart for a special someone at your job is perfectly fine. It might even make you want to come extra early or clock in some more hours. But how do you keep your amorous conversations away from your job’s listening ears? Cupid has some advice:

1. Cut it: Keep flirting to a minimum. Do nothing that would suggest any kind of overly friendly relationship. It's best to save these things for your lunch break and for when you're off the clock. This way, you will never have to worry about word getting back to your boss. This cute guy or girl is not worth the loss of your job.

2. Shrug it off: Don't take anything too personally. Nine times out of 10, your partner will have to speak at length to other people on the job. Keep the jealousy at bay.

3. Focus: Don't get too caught up with watching him or her from afar. Remember, you still have work to do. Above all, maturity and responsibility will always be expected on the work site.

Shia LaBeouf Speaks Out About New Girlfriend Karolyn Pho

Shia LaBeouf's young relationship is already starting to blossom. UsMagazine.com reports that the *Transformers* star is beginning to expand his horizons thanks to his five-month relationship with girlfriend Karolyn Pho. "A cheese plate? That's a very 25-year-old deal," LaBeouf said in an interview with the [Los Angeles Times](http://LosAngelesTimes.com). "I can get down with some fig jelly and some cheese on a cracker... [Karolyn's] having me try different things. I was scared of fish, 'cause of my upbringing, being Jewish. Gefilte can ruin your entire seafood life." Aside from broadening his eating horizons, the actor now admits his sprawl in February wasn't the most mature move. "I have no excuses. I'm not happy with it, but I don't think it's a calamity," he said.

What are some signs that your partner is beginning to mature?

Cupid's Advice:

A maturing partner is a good sign that your serious relationship is heading down the right path. Here are some telling signs that your partner is maturing:

1. Pleading guilty: It takes a bigger person to admit that he

or she has made a mistake without trying to cover it up. If your partner does this, then that's a good sign.

2. Open communication: A good sign of a healthy partnership is how well you two can talk – whether it's about the weather, what you ate for lunch or personal issues. If it seems that no topic is off-limits, your partner is certainly maturing.

3. Family reunions: If your lover wants to show you off in front of his or her family, then there's a good possibility he or she is serious about you and the relationship, or at the minimum, they see a future.

New Couple Alert: Shia LaBeouf and Karolyn Pho

Despite his recent split with Carey Mulligan, Shia LaBeouf seems to have rebounded nicely. He was recently spotted holding hands with a new gal pal, who an insider identified as Karolyn Pho. According to UsMagazine.com, Pho is a stylist. Even though LaBeouf seems to waste no time jumping from relationship to relationship, he insists he's no ladies' man. He told *Details*, "I'm not great with women, dude. I'm not a closer. I can chat all night long, but I'm not the guy who goes, 'Okay, back to my room.'"

How can you tell if he's a ladies' man?

Cupid's Advice:

1. His eyes wonder: He's probably a player if his eyes are meeting every part of your body except your eyes. Of course every guy is going to check you out at some point, but if that's all he's interested in, beware.

2. He uses terms of endearment: It's one thing if you've been dating a guy for a long time and he uses terms like "baby" or "girl," but if you've just met and he's already using pet

names, chances are he's a ladies' man.

3. He talks about his workout routine (a lot): If he can't stop talking about his body and how often he works out, he's selling himself to you. It's a good bet that he's not actually interested in getting to know the deeper you.

Miranda Cosgrove Wanted Shia LaBeouf As Her New Year's Kiss

When *People* asked *iCarly* star, Miranda Cosgrove, about her

dream New Year's smooch, she replied, "If I could pick anyone, it would be Shia LabBeouf." Not only have the pair met, but Cosgrove also admits, "He's really cute." Despite her wish, the young actress was kiss-less at midnight. When it comes to turning that dream into a reality, she admits that not having a driver's license is limiting the possibilities. "I got my permit," Cosgrove says, "but I'm still not officially driving and I don't have a car." If a car is all that it takes, perhaps 2012 will prove lucky for the starlet.

What are some ways to snag a kiss from someone you like?

Cupid's Advice:

New Year's might be over, but that's no reason to shy away from kissing someone you like! Cupid's got three ways to hook a kiss from that special someone:

1. Drop a few hints: While we would all like to think that that special guy or gal can read our minds, it never works out that way. Rather than hope that they understand how you feel, lay down some inviting body language. A light touch against their arm can send the right message.

2. Dress the part: Of course kisses can happen in sweatpants, but it never hurts to glam it up! Pop in a mint, spray some perfume and dress up with a nice blouse when you're ready to lay one on him.

3. Lean in: If you're not afraid to be a little forward, why not initiate the kiss? Nothing is sexier than confidence!

Shia LaBeouf and Carey Mulligan Break It Off

While romance might have been in the air between Shia LaBeouf and Carey Mulligan during the filming of [Wall Street: Money Never Sleeps](#), that doesn't seem to be the case post-premiere.

The duo have indeed parted ways, with a friend claiming, "It just wasn't working," as the reason behind the split. With Mulligan back in Los Angeles filming indie flick *Drive*, a friend offers reassurance that, "[Carey]'s strong. She'll be fine!" Would a certain British actor, Tom Sturridge, have anything to do with this? Sources tell [Us Weekly](#) that isn't the case; they're just pals.

If things aren't working, when is it time to call it quits?

Cupid's Advice:

Every relationship has its ups and downs, but there's a difference between a rough patch and an unhealthy relationship. Here are some signs for when the going gets bad and you're just not sure whether it's time to break up:

1. All we do is fight: If every conversation ends with a screaming match, chances are you're having problems communicating with your partner. If the arguments stem from trivial matters, try compromising and picking your battles. However, if these fights involve serious issues, such as your goals and values, remember: you can't change who a person is at heart.

2. The spark just isn't there: While it is common for the thrill of a new relationship to dissipate over time, there also just comes a point when you simply don't feel the same way as you used to about the person you're dating. People change, and if the spark that made your relationship special in the first place has gone out, then you need to reevaluate what makes you happy.

3. You want to see other people: It happens. You reach a point when you realize that your current mate is just not "the one" for you. All you can do is be honest and straightforward. Don't placate a relationship. It's not fair for your partner to think that you are 100% emotionally committed to your relationship, when you aren't.
