

Celebrity Couple Predictions: Ariel Winter, Bradley Cooper and David Foster

By [Shoshi](#)

In the latest celebrity news, three famous couples have caught the public's attention. One of which is new celebrity couple is stepping out in young Hollywood, while a more seasoned couple is prepping for a celebrity baby, and another is just getting things started. . But who's stepping out this time around hand in hand? Join me as I look into the crystal ball of relationships and love. Below, I share my predictions for these [celebrity couples](#).

Celebrity Couple Predictions: Celebrity Relationships That May or May Not Last

Ariel Winter and Levi Meaden: Looks like there's a hot young couple alert, because Ariel Winter and Levi Meaden have stepped out on the red carpet together making their celebrity relationship official after months of speculation. Winter is very smitten with Meaden, though it's not hard to blame her. He's cute, tall, and he's quite charming. She's a great catch as well. Both of them want to experience a fun, yet respectful relationship. Winter has no time for childish men. Being wise beyond her years makes it a bit difficult for her to find man that she connects with. That's where Meaden comes in. He has no problem with a smart woman whose fiery so they are a good match. Fun is the theme of this celebrity couple and they may even learn a thing or two about love. After Meaden, Winter will end up dating an older man.

Bradley Cooper and Irina Shayk: With a baby on the way and rumors swirling, Cooper and Shayk have everyone wondering if they are engaged. Shayk has a new mystery ring on her finger. But since she hasn't had the baby yet, it's safe to say that it's probably not a push gift. My psychic senses say that they plan to have a secret celebrity wedding to seal the deal. Cooper is all about family and he thinks it's time for him to settle down now that a baby is on the way. He wants to give married life a try since he's seen it work for other longtime Hollywood bachelors. Babies bring about happiness and emotions so it's a wonderful time for Cooper and Shayk. While I would love to say it will be all unicorns and rainbows for these two, that's not the case. They are a bit like a roller

coaster. There's a lot of up and down. Right now things are up due to the excitement of the baby. There needs to be a discussion about that each one of them wants in a marriage or they will last about three years tops.

David Foster and Christie Brinkley: Looks like David Foster and Christie Brinkley are spending some quality time together. Actually it's more like there's been one date or two. However with celebrities, one date could mean an engagement in two months. It's safe to say that Foster has a thing for models since some of his ex-wives were models or beauty queens. While Brinkley seems to like a man with some musical talent since her longest marriage was to singer Billy Joel. This isn't Foster or Brinkley's first time at the rodeo, both of them have a lot of relationships under their belt. If they get married it will be the fifth wedding between each. Maybe the fifth time's the charm? Hold up on the celebrity wedding invitations. This relationship is simply two good looking, age-appropriate people enjoying each other. Marriage does not look like it's in the cards. That is not to say that this romance won't last. It's always nice to have a "maintenance person" on speed dial when one is looking for love. I predict that we won't ever know all the details of their romance, they will keep us guessing.

Celebrity Couple Predictions: Mariah Carey, Prince Harry and Donald Trump

By [Shoshi](#)

In the latest celebrity news, three famous couples have caught the public's attention. In a sudden twist, wedding bells are not longer ringing for Mariah Carey and billionaire James Packer; while two other high profiled relationships seem to be going well between Prince Harry and Meghan Markle, and newly elected Donald Trump and his wife Melania. But who's stepping

out this time around hand in hand? Join me as I look into the crystal ball of relationships and love. Below, I share my predictions for these [celebrity couples](#).

Celebrity Couple Predictions: Celebrity Relationships That May or May Not Last

Mariah Carey and James Packer: As much as I was rooting for Mariah Carey to find love, my crystal ball told me that James Packer was not the one. That is not to say that Carey and Parker didn't have a good time together while it lasted. As quickly as their relationship came together, it quickly crumbled. There are reports that Packer was jealous of a back up dancer while it has also been said that Packer dumped Carey, because she spends too much money. She is worth over \$500 million dollars, of course she spends a lot of money. This relationship has had a big "not gonna happen" written all over it from the start. Planning a wedding before getting divorced from other people tends to put a negative vibe on a relationship. The ink isn't even dry from Nick and Mariah's divorce while Packer is still married. Not to mention that Packer looks about as interesting as a blank wall. Carey is too much woman for him. Don't cry for Mariah, she will love again. I see her with someone a little bit younger. As for Packer, do we even care what happens to him now?

Prince Harry and Meghan Markle: The word on the British streets is that Prince Harry has a new love in his life and her name is Meghan Markle. Unless you are a fan of the show, *Suits*, there is a chance that you have no idea who she is. Everyone should just calm down a bit. Step away from all of

the wedding talk. This celebrity couple is getting to know one another, taking it nice and slow. He's hot and she's gorgeous. It makes for a very good time, especially since they have similar interest. It was a smooth move by the Buckingham Palace to let the media know that it's not cool to keep pointing out that Markle is biracial due to her African American mother. Black women around the globe are rooting for Markle to add a touch a color to the royal family tree. Time will tell where this relationship ends up. Let's try to see if we can actually get a photo of them together before we say that they are picking out china patterns.

Donald Trump and Melania Trump: I have stated several times that if Donald Trump didn't become POTUS, Melania would get divorce papers rolling sooner than later. I see that this whole election process has taught her a lot about her husband. It's one thing to know him as a shrewd business man, but ever notice how he would almost trample Melania to get out on stage for a round of applause. That's not much of a turn on. Also during most of the campaign, she looked like a deer caught in the headlights. Melania signed up for the money, but the White House is a whole other level. Everything that she does will be under a microscope. Within the next four years, she will feel very alone. She's not as clueless as the media makes her out to be. Maybe she will shine in her own way. Donald and Melania will be no where near was hot to watch as Barack and Michelle. The Trumpster will be too busy talking about himself, he will throw her a few compliments from time to time. Their celebrity relationship will continue to look like Beauty and the Beast.

Celebrity Couple Predictions: Angelina Jolie, Sharon Osbourne and Tori Spelling

By [Shoshi](#)

In the latest celebrity news, three famous couples have caught the public's attention, one of which is a high profiled split that no one saw coming between Angelina Jolie and Brad Pitt;

while two other long term marriages are fighting to survive after celebrity cheating scandals (Sharon and Ozzy Osbourne, and Tori Spelling and Dean McDermott). But who's stepping out this time around hand in hand? Join me as I look into the crystal ball of relationships and love. Below, I share my predictions for these [celebrity couples](#).

Celebrity Couple Predictions: Celebrity Relationships That May or May Not Last

Angelina Jolie and Brad Pitt: When it was announced that Angelina Jolie had filed to divorce Brad Pitt, gasps were heard around the world. The fairytale was officially over. But was their relationship really as wonderful as everyone thought it was? While most people were surprised that their marriage is ending, I was surprised that it's lasted as long as it did. There were clues that their marriage wasn't filled with unicorns and rainbows. Anytime a couple gets married due to pressure from their children, it isn't a good sign. This relationship should have ended a long time ago. Jolie is so ready to move on. Their pack of kids can beg and plead for her to go back to Pitt, but it's a wrap. Rumor has it that she has already moved into a private residence in Los Angeles that cost \$30,000 per month! It's time for both of them to move on. While Pitt is a bit devastated now, he will see that this is for the best. Don't be surprised if Angelina's next lover is a woman. Brad will be fine, women are already getting information to swoop down and grab him. My relationship advice to him is to stop picking high maintenance women.

Sharon and Ozzy Osbourne: Look's like Sharon and Ozzy Osbourne are having a real lovefest after Ozzy's alleged affair with a

celebrity hairstylist earlier this year. He recently surprised Sharon by showing up on *The Talk* and giving her a diamond ring for her birthday. Ever notice how men like to make things better with diamonds? There are those who feel like their happiness is staged. Maybe it is, but then again what hasn't their relationship been through at this point? I don't see anything that will actually cause this celebrity couple to break up for good. Their marriage has been a bit of a rollercoaster since day one. Sharon is a ride or die when it comes to Ozzy. They will continue on with their sweet gestures in the press. It is what it is. They are basically a famous couple that at the end of the day is just like everybody else.

Related Link: [Celebrity News: Find Out Why Sharon Osbourne Took Ozzy Back](#)

Tori Spelling and Dean McDermott: Remember all the drama that Spelling went through with her husband McDermott. It looked like their marriage was going to end, but Spelling took one for the team and stuck with it. The couple recently announced that their fifth child is on the way. There is still conflict in their relationship that stems back to the Dean's 2-day affair when he was working in Canada. Let's not forget that Tori actually got together with Dean because they had an affair while filming a Lifetime movie. McDermott also recently proposed again to Spelling right before their tenth anniversary with their kids in attendance. That's all good, but I say this marriage is still a hot mess. Spelling can do so much better than him. When will she see the light? With baby number five on the way, she may never leave. Being a single mother with five kids doesn't sound so sexy when it comes to dating. McDermott is sneaky and it looks like he just may bring more heartbreak to Spelling; that may be just the thing that she needs to let him go and find love with another. Let's just say that he is the lucky one in the relationship.

Celebrity Couple Predictions: Kendall Jenner, Nicki Minaj and Minka Kelly

By [Shoshi](#)

In the latest celebrity news, three famous couples have caught

the public's attention, two of which are celebrity relationships that are just getting started, such as with Kendall Jenner and A\$AP Rocky, and former exes Minka Kelly and Wilmer Valderama. In terms of more serious relationships, one of Hollywood's most anticipated marriages involve rappers Nicki Minaj and Meek Mill. But who's stepping out this time around hand in hand? Join me as I look into the crystal ball of relationships and love. Below, I share my predictions for these [celebrity couples](#).

Celebrity Couple Predictions: Celebrity Relationships That May or May Not Last

Kendall Jenner and A\$AP Rocky: I'm convinced that Kris Jenner had a secret meeting with the Kardashian/Jenner kids where she told them they could only date black people associated with rap music. It appears that Kendall Jenner is now following the family trend by allegedly dating rapper A\$AP Rocky. Jenner and Rocky been spotted having dinner together as they creep out during the late night hours. While they're doing the "date thing," don't call them boyfriend and girlfriend just yet. Jenner is taking it slow. She wants to enjoy herself. Basically, she is testing him out to see if he's worth her time. If Rocky wants Jenner to take him seriously, he is going to have to step it up. Kendall tends to be a little more "low key" and drama free with her relationships. She won't flaunt her love affair like Kylie or Kim. But only time will tell if they officially become a couple. Don't be surprised if Jenner is on mystery dates with someone else.

Nicki Minaj and Meek Mill: Everyone seems to be wondering when

Nicki Minaj and Meek Mill will walk down the aisle. That wedding may be getting closer. The celebrity couple just moved in together in fancy crib in Beverly Hills. In April, Minaj said she was single on the Ellen Show, so this move is a big step. Minaj looks all the way into the relationship, but there is something about Mill that looks shady for lack of a better word. I'm not saying that he's cheating on Minaj, but he leaves the door open for other women. He likes to get his flirt on which could lead to trouble down the line. If they don't get married soon, it may never happen. There is a big chance that they will simple crash and burn after the relationship runs it's course.

Related Link: [Celebrity Couple: Nicki Minaj & Meek Mill Spark Engagement Rumors Again](#)

Minka Kelly and Wilmer Valderrama: Didn't Wilmer Valderrama and Demi Lovato break up like five minutes ago? Well Valderrama is not wasting time crying about it. He has already hooked back up with his ex Minka Kelly. The two dated in 2012, so this is their second time around. While they will have some fun, the relationship is not for the long haul. Kelly will want more than what Valderrama can give her, which is marriage or at least a nice long term commitment. She will eventually have to move on. Valderrama is always dating a hot actress or singer. What is it about him that is hard to resist? He will continue to woo the ladies and probably won't be ready to settle down until he hits his 40s.

Celebrity Couple Predictions: Pauly D, Leonardo Dicaprio and Chloe Grace Moretz

By [Shoshi](#)

In the latest celebrity news, three famous couples have caught the public's attention, two of which are celebrity relationships that have been in the works for some time now, such as with Pauly D and Aubrey O'Day and Chloe Grace Moretz and Brooklyn Beckham. But one of the newest Hollywood couples is Leonardo Dicaprio and Nina Agdal. Who's stepping

out in Hollywood this time around hand in hand? Join me as I look into the crystal ball of relationships and love. Below, I share my predictions for these [celebrity couples](#).

Celebrity Couple Predictions: Celebrity Relationships That May or May Not Last

Pauly D and Aubrey O'Day: Pauly D and Aubrey O'Day are definitely an interesting pair. It's a rollercoaster kind of love. The latest celebrity news is that Pauly is abstaining from sex with O'Day to slow things down. At this point, it might be a very good move so they can figure out where their relationship is going. This famous couple works because they are both a hot mess when it comes to relationships. Either they will continue to break up and get back together or they will have a secret wedding then divorce quickly. Eventually, O'Day will decide that she can do better because she can. Pauly can't give her the kind of love that she craves. Let's just say, it's a learning experience for both of them. The best partner option for O'Day is actually an older gentleman who is stable with a nice bank account. I ain't sayin' she's a gold digger, but she likes to be pampered. What lady doesn't?

Leonardo Dicaprio and Nina Agdal: It's no surprise that Dicaprio has found another model to cozy up to. This time, it's *Sports Illustrated* model, Nina Agdal. They have recently been spotted frolicking around Greece together. Right now it's looking like a regular Leo, love 'em and leave 'em relationship. In several photos, he already looks bored with Agdal. She is beautiful and all, but don't expect to see Agdal at many events with Leo. Basically, the best thing about their

relationship for her is more attention for her career. She should bask in the photo opportunities and trips while she can. Unless she has some tricks up her sleeve, their celebrity relationship will be a short one. DiCaprio likes his freedom which is why he continues to select the women that he does. When he does find his match, he is going to pull a George Clooney move by putting a ring on it quickly and walking down the aisle.

Chloe Grace Moretz and Brooklyn Beckham: Slowly but surely Moretz and Beckham are becoming the cutest Hollywood couple. They have been dating since May of this year and Moretz's mom has posted on social media that she approves of their relationship. Moretz recently spoke at the Democratic National Convention, while Beckham made the smooth boyfriend move of showing up as a surprise. Then Beckham's mom, Victoria Beckham, praised the speech on Instagram! It looks like a major love-fest is going on. Beckham is clearly smitten. He is consistently declaring this love and support for Moretz on social media. If they weren't so young, I would say to be on the lookout for wedding invitations. It's nice to see young love without the drama. They compliment each other in the best possible way. I can see them walking down the aisle in the future.

Celebrity Couple Predictions: Katy Perry, Sarah Paulson and Gwyneth Paltrow

By [Shoshi](#)

Whose stepping out in Hollywood this time around hand in hand?
Join me as I l predict the future of three new [celebrity couples](#).

Predictions For These Celebrity Couples

Katy Perry and Orlando Bloom: Looks like Katy Perry has landed herself a Hollywood hottie. This time it's actor Orlando Bloom starring as her leading man. While it's easy to see why they would be attracted to one another, this coupling is an odd match. Perry has a habit of moving quickly in relationships. No one can ever say that she doesn't throw all of herself in, except her ex-husband Russell Brand. Since that relationship, she seems to be a "ride or die" kinda girl. In other words, all the way in. Recently, she and Bloom were spotted on vacation in Hawaii. It was officially their first outing to confirm that they are the newest Hollywood couple. While Bloom has introduced his son to Perry, this relationship does not have staying power. He will kick her to the curb once he gets bored of her. Expect him to move on from the singer to an actress with whom he will get very serious. Perry wants a stable, loving and long-term relationship. She may need an older, established man for this to happen. Moving away from a man like John Mayer and going toward Orlando Bloom is a step in the right direction. She just needs to keep looking to find the love that she wants.

Sarah Paulson and Holland Taylor: When Paulson and Taylor announced that they were the latest celebrity couple, it caused quite the stir. There hadn't even been celebrity gossip that they were dating. The lovely ladies had known each other for years before their romance blossomed. Exchanging messages on Twitter is what initiated their first date. Paulson has stated that she is absolutely in love with Taylor and their 31 year age difference isn't an issue. This is not the first time Paulson has dated an older woman. The deep love and respect in

their relationship will only continue to grow. I predict that these lovely ladies will get married by the end of the year. This will give Ellen and Portia a run for their money as the hottest lesbian couple in Hollywood.

Gwyneth Paltrow and Brad Falchuk: While Chris Martin dates around, it looks like Gwyneth Paltrow has the desire to have another celebrity wedding. Could it be to current boyfriend Brad Falchuk? Hold up on the wedding invitations. There is something about this relationship that reads "not quite right." They should end this before it becomes a big 'ole nasty mess. Falchuk is trying to make Paltrow happy by giving into her high maintenance ways. He thinks that she can elevate him while in reality the relationship is taking him further away from who he is. Paltrow is used to getting things her way. This is a dead end. They should move on. Falchuk should call his soon to be ex-wife, maybe she will take him back. Paltrow should date around for a change, have some fun. Maybe she and Ben Affleck could go out together and revisit old times.
