Follow these dating tips if you want to start having success on your dates.

Dating Advice On Sleeping With A New Man

1. Do what is right for you. There is no real timeframe that is right for everyone. You need to come to terms with yourself and find out when the right time is for you. If you're looking for a serious relationship, you may not want to sleep with a new man too soon. A man who truly cares about you will try to get to know you before taking you to the bedroom.

Dating is not easy, but expert dating advice says one of the best ways to show a man that you're attracted to him is through your body language. Experts say your body language can say more to a man than you ever could. Their three best dating tips are to smile, hold eye contact, and lean into his

personal space a bit.

1. Smile. One of the biggest things you can do to show a man that you're interested, is to smile. It's a green light because men are so nervous and want to say hi, but don't always feel comfortable. If you can hold his gaze and give him a sweet smile, it makes you approachable.

On this week's episode of [Single in Stilettos](#), founder and matchmaker Suzanne Oshima talks to relationship expert and author of *121 First Dates* Wendy Newman to talk expert [dating advice](#) on first date do's and don'ts.

Dating Advice: First Date Tips

Dating experts acknowledge that it can take awhile to find the man of your dreams, but they have some dating tips on how to act on a first date.

- 1. Show up natural.** Be yourself and don't have an agenda. Throw away that checklist and don't prequalify the person you're dating.
- 2. Get to know each other.** Show up and try to get to know who the person is. Find out what they love and what they're passionate about.

3. Be clear if you don't like him. Be gracious and pleasant, but don't act happy and flirty only to say no to a second date or dodge his calls.

4. Don't be negative. A first date is not the time to complain about your day at work, your parents, your friends, or even an ex. Be positive and pleasant to be around.

5. Don't talk about the long term future on a first date. Women think they're serious and that men date for sport. But it's just the way that you approach dating that's different. Men realize that a first date is just a first date. It's a baby step. Expert dating advice: Don't go into it trying to find your husband. Just try to get to know each other.

Expert Dating Advice: What Men Want & Why They Cheat

On this week's episode of [Single in Stilettos](#), founder and matchmaker Suzanne Oshima turns the conversation over to relationship expert and author of "The Problem With Women...is Men," Charles J. Orlando to talk expert [dating advice](#) about none other than men, what they want, and why they cheat.

Dating Advice On What Men Want & Why They Cheat

Men want women who are confident, intelligent, energetic, honest, and supportive. Men respond to women who bring confidence to the table, but that is not to be mistaken with being a bitch. "Confidence is knowing who you are, it's knowing where you're going, and it's knowing who's going with you," Orlando said. He also wants someone he can talk with, not talk at. Sometimes a woman's intelligence can be troublesome to men if it's greater than his own. When women are smarter men have to be comfortable with that. Some men don't know their place as anything other than being a protector/provider, so it forces them to find their new

masculine. But Orlando did note, a man doesn't open a door for a woman because he thinks she's incapable, he opens the door because he values you. Men also want someone who is energetic and spontaneous, so Orlando's dating advice is to bring excitement to the relationship. He wants these things to remain throughout the relationship. Spontaneity is often the first to go, Orlando said, but men want to keep it.

Related Link: [Dating Advice: Get Inspired by Childhood Fun](#)

Men cheat for a variety of reasons, but Orlando said, "before physical act of betrayal, the relationship has already broken down." There is something missing in the relationship even before the inception of an affair. But what is it exactly that compels men to cheat? One, the opportunity to have sex without getting caught, which also caters to physical/sexual gratification that is emotionally detached. Two, he wants to have sexual variety. He's curious about being with someone he found physically attractive. Three, for the thrill of the chase. He misses that challenge and wants to know he's still got it. Expert Dating Advice: Three Signs He Is Unavailable

On this week's episode of [Single in Stiletto](#), founder and matchmaker Suzanne Oshima talks about the language of love with relationship expert Nicole Moore who provides [dating advice](#) on the three defining ways men show you that they are unavailable for a relationship.

Expert Dating Advice: Three Signs He is Unavailable

Similar to many readers, relationship problems are not foreign to the dating experts. For Moore, to solve her own woes and to

provide others with dating advice, she developed a knack for love. “After enough pain, I got fed up and thought ‘I’m going to figure out how to make love work’ and I devoted my life to learning about love, how to love well and I figured out love is skill like anything else. It’s a learnable skill,” the expert shares. “When you know how to do the skill of love right you can have an amazing loving relationship.” Here are three signs that the guy you’re in to just isn’t available.

1. He tells you. If he says he isn’t looking for a relationship, or work is his priority, or his profile states that he’s just looking for friends and fun, take the hint. Regardless of these overt cues, women think he will commit to a loving relationship with them. “Look at what he is saying rather than what you are desiring or the fantasy that you made up in your mind,” Moore says. Pay attention to him and the way he talks about relationships; if he shows any of the signs above, it is very unlikely that man is available to you for a relationship.

2. Is he present? When you’re with him what’s his energy like? Is it focused on you? Is he uncomfortable? Is he looking around, checking his phone and making you feel as if he isn’t fully with you? “The reason people aren’t present on the deeper level is because there is stuff inside of them they haven’t dealt with yet. They can’t hang out in their body, they have to go to their heads,” Moore says. Dating tip: Once he faces enough of his inner demons, he’ll make you feel like you’re the only two in the room and he’s ready to make the two of you a happy item.

3. How does he talk about women in general? If he talks

negatively about women or talks negatively about his acts in the past he's not ready for you yet. He is either not over his exes or could have preconceived notions of women that are unfavorable and these two factors will prevent him from giving himself to you fully or at all. "He's going to hold himself back because he's actually afraid that women are going to hurt him," Moore reveals.
