On this week's [Single in Stilettoes](#) show, matchmaker Suzanne Oshima talks to dating expert Marni Kinrys about how to handle a bad kisser.

Dating Experts Discuss What to Do About a Bad Kisser

The founder of the Wing Girl Method believes that, unlike women, men don't like to hear that they're doing something incorrectly or that they're turning you off in some way. "So

there has to be a gentle way for you to say, “Yeah, you’re the worst kisser in the entire world!” Kinry’s explains. According to her expert love advice, the best way to do so is to take on a teacher role and show him in a fun and flirty way how you like to be kissed.

Relationship Experts Share Dating Advice

The dating consultant for SurviveWomen.com explains that the only person who truly knows the answer to this question is the man himself. However, the [relationship experts](#) offer a few potential reasons for you to consider: Something may have come up in his personal or professional life; he didn't find you attractive or may have been bothered by something you said; or he may be taken already. There's one other question that women often ask themselves: If he doesn't call, should I reach out? Feel free to contact him, but remember that you shouldn't be doing all of the pursuing. It's a two-way street, and you deserve someone who's willing to go the extra mile for you!
