

Kristen Stewart Apologizes for Making People Angry

By Jennifer Ross

For the second time, Kristen Stewart is publicly apologizing. This time, however, her apology is addressed to the world. Several months after publicly apologizing over her cheating scandal, the *Twilight* star tells *Newsweek*, “I apologize to everyone for making them so angry. It was not my intention.” Although she has been the most hated and loved topic of interest since her infidelity with her *Snow White and the Huntsman* director Rupert Sanders, Stewart says, “It’s not a terrible thing if you’re either loved or hated.” Even so, her main concern, besides reconciliation with boyfriend Rob Pattinson, is working on her talent. “I don’t care [about people’s opinions]...It doesn’t keep me from doing my s—.”

What are some of the main repercussions of cheating?

Cupid's Advice:

In a relationship, the discovery of infidelity can greatly damage and destroy the bond between you and your partner. It definitely destroys your perception of each other. The work required to reconcile is often so difficult that many relationships never recover. So if you are thinking about cheating, here are some of the consequences you may deal with afterwards:

1. Broken trust: Trust is at the very foundation of your relationship. Without it, one of you will constantly live wondering if you will ever stop having to prove yourself; while the other will live in fear, worrying about the next possible infidelity.

2. Loss of respect: Once caught cheating, to lose respect from your partner means you are no longer viewed in the same loving way. Although your partner may stay with you, he/she will never love you like before and not see you as an equal anymore.

3. Constant memory: Even if your mate wants to forgive you, he/she may never forget. This means that in times of conflict, the memory of cheating may surface repeatedly, forcing you to relive your punishment. This creates an emotional prison term with no parole for both of you.

Do you have two people vying for your affections? Here are some tips on how to handle the situation:

In *Snow White and the Huntsman*, Snow White has two men for which she has feelings. These choices can be extremely difficult in life as two people usually offer completely different things. Here is how you can decide which one is "fairest of them all":

1. Consult the people who know you best: Sometimes our friends and family know what is good for us more than we do. Perhaps they can point you in the right direction.

2. Think of the future: What is your future with each of these people? Does one look a lot brighter than the others? If so, then you have your answer.

3. Know yourself: Look at both people and simply figure out who makes you happiest. You have to determine who is best for you. If you don't do this, you could end up regretting your decision for the rest of your life.
