In celebrity baby news, Stassi and Beau will be welcoming a baby girl. What are some ways to prepare for a baby girl versus a boy?

Cupid's Advice:

Expecting a child is an exciting time! Your family is growing and there's a lot to prepare for. It's important to know that a baby's brain develops differently for each sex. If you want a sneak peek into your little girl talents and struggles, Cupid has some advice for you:

1. Talking: On average, girls start talking a month earlier than boys. Girls also tend to have larger vocabularies than boys as early as 18 and 24 months. However, reading to your child has more of an impact on their vocabulary than biological sex does, so be sure to talk and read to your baby as much as you can!

2. Spatial skills: Boys tend to better understand the space objects take up. Boys can usually understand how objects appear rotated between three to five months old, which is earlier than girls. Make sure to play with your daughter in ways that help her with this: build with building blocks, teach her to count, throw a ball around with her.

3. Potty training: Girls have the upper hand when it comes to potty training. They start toilet training between 22 and 30 months, which is three months to a year earlier than boys.

Girls pee on their own approximately four months earlier than boys. Girls also are able to sit still to poop around three-and-a-quarter-years-old, which is five months earlier than boys.

By [Mara Miller](#)

Schroeder announced her engagement to Beau Clark on Instagram with the caption, “OMG I feel like Meghan Markle” and an engagement ring emoji. Aww! Congrats to them both!

In celebrity engagement news, it seems another *Pump Rules* couple will be heading down the aisle! What are some important things to remember when everyone around you is getting married and having babies?

Cupid's Advice:

It's a fact of life. Friends get married and then, eventually, have babies. Even if you aren't attached to someone yet, you don't need to rush to get married and have babies of your own. Cupid has a few ideas on what to remember when everyone around you is getting married and having babies:

1. Don't rush: You'll have marriage and babies when you are ready for it. Even if you're single, you don't need to put pressure on yourself to meet "the one". Rushing can lead to a lot of mistakes you'll regret later, like marrying the wrong person, and will make your life more difficult once children are involved.

2. You're not selfish: So what if your career is more important than marriage and kids right now? It's okay to focus on the things you want to do while you're still young. Write that novel, take that trip to Scotland for an *Outlander* tour, or soak up the sun in the Bahamas on a mini-vacay.

3. Your time will come: Nothing is more agitating than having your baby fever kick because of your first meeting your friend's cute new baby and you haven't met someone you're happy with yet. Take the time to enjoy being single. Date and find the right person.

Celebrity Break-Up: 'Vanderpump Rules' Star Stassi Shroeder Gets Dumped By Boyfriend on 4-Year Anniversary

By [Marissa Donovan](#)

Stassi Shroeder had her heart broken big time! The [Reality TV](#) star shared on her [Twitter](#) that, after her four year relationship with boyfriend Patrick Meagher, he dumped her on their anniversary. According to [UsMagazine.com](#), the two had a rocky long-distance relationship. The *Vanderpump Rules* star booked a trip to Mexico to celebrate their anniversary, but once Meagher called their relationship off, Shroeder brought her best friend instead. Hopefully she can find a future partner to treat her better!

This [celebrity break-up](#) isn't necessarily surprising, but it's still sad. What are some ways to know your relationship is on its way out?

Cupid's Advice:

Sometime break-ups can be predictable depending on what has happened in your relationship. Here are some signs you and your partner could be ending your time together soon:

1. Long distance effects you both: Distance doesn't always make the heart grow fonder in relationships. For some couples, being apart for long periods of time can strain your relationship and allow for you and your partner to grow apart. If this seems to be a problem, you can expect to be breaking up soon.

2. It's always on and off: Couples who keep making up and breaking up will eventually get tired of their old routine. Instead of getting back together or trying to stay together while being unhappy, it might be best to break it off permanently.

3. Wanting to see other people: Knowing that one of you is interested in seeing other people should be enough to cut ties in your relationship. If you sense that you or your partner plans on ending the relationship for a new relationship, then your intuition is most likely right.

Katie Maloney of 'Vanderpump Rules' Opens Up About Her Relationship and Love Life: "I'm Confident Now That a Proposal is Coming"

Interview by [Lori Bizzoco](#). Written by Emma L. Wells.

After an emotional ride on season three of the popular Bravo reality TV series *Vanderpump Rules*, [Katie Maloney](#) seems better than ever! She took some time to talk with CupidsPulse.com about the biggest moments of last season, her relationship with Tom Schwartz and what's next for them as a [celebrity couple](#).

Katie Maloney Discusses Her Relationship and Love Life and Reality TV Show

There were many points during last season where the fate of Maloney's relationship and love life with Schwartz was unclear. Viewers had watched the reality star give her boyfriend a six-month proposal ultimatum on the show. "When that came about, I was fed up and really frustrated," the reality TV star explains. After the complete story of his infidelity finally came out, Maloney admits that she was at the end of her rope: "I was like, 'Okay, well, how many blows can I take and still be patient and understanding and work at this with you?' There were all these bombs coming out of left field!"

In January, the beauty guru wrote about her celebrity romance in her Bravo blog: "I had to completely turn my attention and priorities towards our relationship and assess everything. Rebuilding my relationship was the most important thing to me. So in order to move forward, both in head and heart, I had to forgive everyone. Not for them but for me... For me, I cannot move forward and grow and learn if I do not swallow my pride and forgive and accept. I did this for myself and for my relationship. Tom on his own was making moves to preserve our relationship, and this was my contribution to our growth."

And while her deadline has come and gone without an engagement ring, she seems optimistic about her future with Schwartz. "I'm confident now that a proposal is coming," she shares. "We're in the best place that we've been in. We went through hell, and we decided that our relationship is

important to us both. We're committed equally to it, and I think we're more in love than we have been."

Fans of *Vanderpump Rules* know that the famous couple have, of course, talked about their eventual engagement. Maloney says that she is a sucker for watching the crazy flash mob proposals on YouTube, but she has a different idea for her own special day. "I want him to do something that's representative of us and that he wants to do," she admits.

When it comes to their wedding day, she'd like it to be "completely stress-free. We get married, and then we party!" The pair hasn't completely ruled out getting married on reality TV though. "We'll see," she cryptically responds when asked if her walk down the aisle will be seen on *Vanderpump Rules*.

She also reveals that they have talked about having a family. "I definitely want us to enjoy being married for a bit before we start having kids. And that's why I want to get the ball moving – I'm young, but I'm not getting younger!" she says with a laugh.

It's no surprise that Maloney feels that the issues she faced last year, both in her romantic relationship and in her friendships, have allowed her to grow as a person. She cites the difficulties with Schwartz as the turning point and shares, "Instead of letting it destroy me or devastate me, I'd rather use it to empower me. I want to focus on my strength and happiness and really begin to let go of the petty drama. I realize now that life is short."

That new mindset is one of the reasons why she decided to bury the hatchet with Scheana Marie and go to Miami, even though it ended her friendship with Stassi Schroeder. "At the end of the day, if it's going to be something that dumb that causes

Stassi to toss out an amazing friend, then you know what? Sorry I'm not sorry," she comments.

***Vanderpump Rules* Star Katie Maloney Has Big Plans for the Future**

It's not just Maloney's romantic life that's coming together. "I'm at a point right now where I'm thinking, 'What are you going to do next?'" she shares of her career path. Outside of working at Sur, she's still focusing on her beauty blog Pucker & Pout, which offers makeup and fashion advice and might soon be broadening into health-conscious content like meditation, yoga, and exercise. "I've been brainstorming other ideas, little ventures I can do," she adds. "It would be so much fun to do a line of cosmetics or hair care products, but it's a huge undertaking." While the blog is definitely her passion, she doesn't know much about the business side of things. "I just like to put makeup on and be creative," she confesses.

Her work on Pucker & Pout is something that viewers of the show don't really get to see. "That stuff would be fun to have on *Vanderpump Rules*, but there's not a lot of drama in it," she explains. "Sometimes, I wish we could show more of the personal endeavors and things outside of the show. I think it's important because we all are people who are creative, talented, and smart and work at a restaurant to supplement our income."

Speaking of the hit reality TV show, fans of *Vanderpump Rules* are dying to know if there will be another season. The most recent season received such high ratings and viewership that many would be surprised if it Bravo didn't renew it. When asked if she'd sign on for season four, she enthusiastically

responds, "Of course!"

'Vanderpump Rules' Reality TV Star Katie Maloney Confirms That She and Tom Schwartz Are Still Together!

Interview by [Lori Bizzoco](#). Written by [Sarah Batcheller](#).

[Katie Maloney](#) is a force to be reckoned with on Bravo's hit reality series *Vanderpump Rules*, a spinoff of *The Real Housewives of Beverly Hills*. Maloney's romantic relationship with castmate Tom Schwartz is in the spotlight this season and has made her character very interesting to watch. Intense, drama-filled friendships sum up her social life, and her heated love life is now fodder for [celebrity relationship](#) news. CupidsPulse.com had the chance to speak with Maloney about the most recent celebrity cheating rumors on the show as well as her current relationship with Schwartz.

During our exclusive celebrity interview, the reality TV star confirmed that her employment at SUR was not staged for the cameras and that she's actually still working there. She also says that working with Lisa Vanderpump, the show's matriarch and boss, is "exactly what you would expect it to be." She assures us that Vanderpump "has high expectations – she really wants us to respect her and her business," adding, "She's really smart!"

Katie Maloney Discusses Celebrity Scandal on Reality TV Show

The *Pucker & Pout* style blogger clears the air about her fallout with castmate and ex-best friend Kristen Doute, who slept with their friend Stassi Schroeder's boyfriend, Jax Taylor. "Contrary to what everyone, including Kristen, wants to believe, I didn't end my friendship with her [Doute] because of what she did to Stassi." But Maloney does say it was a contributing factor because Doute's behavior and lies were "disturbing and alarming." Maloney explains, "It opened my eyes to how Kristen is towards her friends. We were best

friends for so long, and we had a lot of fun together, but she has some issues that she has to work through. I don't hate her; I just had to move on with my life."

In regards to her friendship with Schroeder, the SUR employee says, "It's definitely not what it was." Without revealing what happened between them, Maloney says that Schroeder had ulterior motives when it came to helping her through the celebrity scandal and cheating rumors about her boyfriend of four years, Schwartz. Most of Schroeder's motives were fueled by Schroeder's beef with her ex-boyfriend Taylor. "It's a sensitive subject because there are a lot of things I don't understand about it," Maloney admits.

Maloney says she tries to stay out of the drama, but it's hard. "With the kind of people I run around with, it's impossible not to get caught up in things," she confesses. "I've always tried to keep a level head as much as I can and not let emotions run too high. That's always kind of been my M.O. – I think I've done a pretty good job!"

Celebrity Couple Katie Maloney and Tom Schwartz Still Together

If history repeats itself, then viewers predict that another celebrity cheating scandal will occur on season three of the popular show – and that it might be Maloney and her boyfriend who end things next. Thankfully, though, Maloney fondly describes their celebrity relationship, recalling, "We met when he moved here from Florida. Kristen moved in with him, and she kept wanting to introduce me to her roommate, and I was like, 'No, I don't really want to date a model dude. There are plenty of those.' But then finally I met him...and the rest is history!" During our exclusive celebrity interview, she

confirms that, even though their relationship has been a bumpy ride, they are still together and going strong.

Maloney did go to her boss Vanderpump for relationship advice as we will see on tonight's episode. "I didn't know anyone else with an unbiased opinion who I could talk to about it," she shares. "Everyone was talking about Tom and me. I didn't know where to go. I didn't know how to be around Jax. Lisa could tell how much I was hurting and pressed for information, and I told her everything that happened. I value her opinion because she has more life experience. She's been married for 30 years, and she's not Jax's ex-girlfriend! It was really nice to go to her."

Since her blog offers beauty and fashion advice, we had to ask Maloney for her best tips on what to wear on a first date. She shares, "It obviously all depends on where you're going, but wear something comfortable. Wear your favorite outfit: your go-to shoes and your go-to dress." If you still can't find something that works, she adds, "A little black dress is always a good option. Just keep it as classic as possible!"

The *Pucker & Pout* creator believes that her and Schwartz's story "tugs on the heartstrings a little" because it's so relatable to those who have also had to work through tough issues with their partner. Maloney is very firm on the fact that she and her beau have a good relationship and she encourages women to be careful of the pressure you get from friends when it comes to making decisions about your love life!
