#### **Cupid's Advice:**

Getting divorced is a huge decision, one you might regret. There's no shame in getting back together after a break-up, but sometimes it just isn't working out. Cupid is here to help:

**1. You're fighting:** When your partner is causing you to throw stuff at him or hit him where it hurts, there's no going back. It's not worth trying to fix it if it's just going to result in another fight. If it's getting loud and out of control, the best thing for both of you is to steer clear.

**1. The truth:** When asked a specific question about the break-up, answer honestly and hope that your family and friends will understand. ## This celebrity couple is no more. What are some ways to re-establish trust when it's lost?

### Cupid's Advice:

Trusting a person is hard enough, but when they break that trust, it's a long road to trusting them again. Cheating especially causes a rift in a relationship. Cupid is here to help:

**1. Honesty:** If you aren't being loyal, the least you can do is admit your faults and come clean. Even if you do something wrong or hurt your partner, there has to be open and honest communication. When you lose that kind of connection, there's no going back.

**Related Link:** [Celebrity News: Demi Lovato & Wilmer Valderrama Break Up](#)

## Celebrity News: 'Bachelorette' Villain Chad Johnson Defends Bad Behavior

By [Stephanie Sacco](#)

One of the biggest villains in the history of [The Bachelorette](#) came from JoJo Fletcher's season. However, according to [UsMagazine.com](#) he told Jimmy Kimmel post-elimination, "At the end of the day, it is a show so things are amplified. # What are some benefits to avoiding the bad boy?

## Cupid's Advice:

The idea of a bad boy is always better than the reality. You see them in movies and books and believe that deep down they have a soft spot. Cupid is here to set the record straight:

**1. Nice guys finish first:** Bad boys might look nice (think James Dean), but deep down they may not always be the right guy. If you're looking for fun and no commitment, maybe you'll find that in a bad boy. However, most of the time it's just trouble. A nice guy will always treat you well.

**Related Link:** [Celebrity News: 'Bachelorette' Guys Share Embarrassing Sex Stories with JoJo Fletcher](#)

**2. Less heartbreak:** A bad boy doesn't always stick around, and you need somebody who isn't going to break your heart (at least not on purpose). Find a guy who is all about you and who won't let you down. Don't settle for anything less than the best.

**Related Link:** [Celebrity News: 'Bachelorette' JoJo Fletcher Deals with Chad's True Colors](#)

**3. They're immature:** Wearing a leather jacket or riding a motorbike isn't cool forever. After a while, it just gets old. There's nothing cool about being treated badly, and if your bad boy isn't respecting you, kick him to the curb.

Live music is a great entertaining [date idea](#) that will have you on your feet. Lots of bars and restaurants offer live music on the weekends or karaoke and open mic nights during the week. One of the quickest turn-arounds for a [celebrity couple](#) came from Gigi Hadid and Zayn Malik, who recently broke up earlier this month. According to [UsMagazine.com](#), they're back on again. In [celebrity news](#) and gossip, a source said, "They broke up and got back together almost right away. Right now it's back on, but it could be off again in an hour." Seems like they could be the next big on-again off-again couple. Unfortunately, it seems as though they might be too different to make it work. The source continued, "She loves attention and he hates it. An introvert and an extrovert; we all saw it

coming.” This [Hollywood couple](#) might just prove that opposites attract, but only time will tell.

## **This celebrity couple’s break-up was short-lived. What are some things to consider when you find yourself in an on-and-off relationship?**

### **Cupid’s Advice:**

Break-ups aren’t always permanent. Sometimes couples just can’t let go, but it’s a tricky place to be in. Cupid is here to help:

**1. Times:** If you’ve broken up one too many times, but still manage to get back together, that’s great. It proves that both of you want to work on the relationship. But, if it’s been too close for comfort time and time again, be aware of it. Don’t get stuck in a rut.

**2. Happiness:** Your level of happiness is important, so if the relationship isn’t working for you, get out. There’s no need to stay in that kind of relationship if it’s causing you grief. It’s not for everybody and if you want some more structure that’s fine too!

**3. Exclusivity:** Does being in an on-again off-again relationship keep you from dating other people? If that’s something you want to consider, then cut ties completely with

your partner. If it's truly off and on, maybe you'll get back together in the long run.

## Weekend Date Idea: Take Time to Relax

By Brittany Stubbs. Updated by [Stephanie Sacco](#)

Once the work week ends, all you want to do is relax. There's no time during the day to hang with your partner, and by nightfall you are so tired that you just want to sleep until Friday. You and your partner both work non-stop, so take this weekend off and plan something relaxing with these [date ideas](#).

## **It's time to unwind and take time for yourself this weekend.**

The first step to your relaxation destination with your partner is escaping the digital world. Take our [relationship advice](#) to heart, and close your laptops, log out of your email and social media accounts, and most importantly turn off your cell phone. Your boss doesn't need to keep in constant contact with you over the weekend. You'll be amazed how relaxed you'll feel stepping away from technology and out into the world.

Come up with a plan ahead of time that you both agree on, and keep in mind that this date is about spending time together.

Consider making appointments at your local spa, and arrange a couples massage. Get your nails done or spend time by the pool. It's like taking a mini vacation. The mix of relaxed muscles, a calm environment, and each other's company will help you connect like you never have before.

**Related Link:** [How to Get the Best Sleep With Your Partner](#)

If a spa day isn't in your budget, you don't have to spend money to wind down. Put on your fluffy robe and favorite slippers and create a spa in your own living room. You and your partner can take turns giving each other back, hand, and foot massages. After you've gotten each other's knots out, open a bottle of wine and curl up on the couch.

Instead of grabbing for the television remote right away, make an attempt to learn something new about your partner. This doesn't mean sharing what happened at work last week. Go deeper! It'll strengthen your bond as a couple.

**Related Link:** [Date Idea: Slumber Party](#)

No matter how you've chosen to relax together, don't forget about your responsibilities: like eating! Pick a meal that requires little stress or effort or get take-out. You deserve it! Get into your pajamas with your partner and take a nap. Pop a frozen pizza in the oven or wait for the delivery guy to show up. Continue enjoying the comfort of your own home and the warmth of your partner.

Whether it's only for a few hours or an entire day, devoting some time to unwind with the one you love will do wonders for your relationship and your health.
