

Dating Advice: When Should I Sleep With A Guy?

On this week's episode of [Single in Stiletto](#), founder and matchmaker Suzanne Oshima talks to relationship expert Jonathan Aslay to offer their [dating advice](#) about when it would be right to sleep with a new partner. Follow these dating tips if you want to start having success on your dates.

Dating Advice On Sleeping With A New Man

1. **Do what is right for you.** There is no real timeframe that is right for everyone. You need to come to terms with yourself

and find out when the right time is for you. If you're looking for a serious relationship, you may not want to sleep with a new man too soon. A man who truly cares about you will try to get to know you before taking you to the bedroom.

2. Try the 10-date rule. You'll be able weed out the men who only want to have sex after the third and fourth date. The likelihood of sleeping together increases somewhere between the sixth and tenth date. This is a great option for those who are looking for someone that legitimately like them. The ten dates should occur somewhere between 6-weeks if it's not a long-distance relationship.

3. Don't be jaded. Negativity and cynical attitudes sabotage a lot of relationships. Don't assume all men are bad. The experts dating advice is to be open to love and realistic with your expectations. Many women say they need a commitment before having sex, but you need to define what commitment means to you and go forward with your relationships accordingly.

Dating Advice Q&A: How Has Technology Changed the Way We Date?

Question from Sandy L.: I'm a recently divorced mom of three who is jumping back into the wonderful world of dating. I can already tell that things are very different than when I was last single! How has technology changed the way we date? Should I definitely try online dating?

Dating can be complicated. Add social media and electronic devices into the mix, and it can get even more tricky to find a compatible partner. This feat is especially challenging for new singles leaving failed marriages. However, do not fret. Leave it up to our relationship experts who can offer their best [dating advice](#) on using technology the right way. Online

dating is here to stay, after all, so don't be afraid to jump in and catch up with the times!

Technology Dating Advice After Divorce

[Suzanne K. Oshima, Matchmaker](#): Dating after divorce can be scary, exciting and challenging all at the same time. But wait, don't let that scare you... because while things have completely changed since the last time you dated, it's also a really great time to be single. Meeting men has never been easier, especially with the advent of online dating. And while it can seem a little scary to put yourself out there so publicly, online dating is actually one of the best ways to meet someone. Just put together a profile with great photos (men are very visual, so you need to attract him) and an essay that shows your fun personality and what you're passionate about...soon your calendar will be booked up with dates! And if you need more dating advice on how to get back into dating after divorce, you can grab a free copy of my eBook: "Dating After Divorce: A New Beginning."

[Robert Manni, Guy's Guy](#): Technology has had a huge impact on dating, and it can be a great tool for meeting prospective partners. So, the answer is a resounding "yes" for trying online dating. Here are a few tips to help you get started. Before signing up for any sites or apps, decide what you want from the experience. Save time, psychic energy, and money by limiting your initial foray into the online dating world by signing up for only a few services. Talk to your single friends about their experiences and ask them for dating tips in setting up your profile. Most importantly, don't limit your dating life to the online world. Meeting other singles the old

fashioned way—through friends, at work, by taking a class, and just by living your life still works. After all, no matter how successful you are at meeting people online, the real chemistry test for a new relationship happens when you meet face-to-face.

Dating Advice On Attracting The Right Man

Relationship Advice Q&A: Is Liking Other People's Photos Suspicious Behavior?

Question from Valerie M.: I have been with my guy for a few years. I love him and he loves me, but we view social media differently and it causes us to bump heads. He “likes” photos of other girls constantly, especially if they’re half naked. I’ve told him repeatedly why it bothers me when he does this and ask how he would feel if I did the same thing, but he continues to do so. Am I being too sensitive? I know you can find others attractive while in a relationship, but letting the world know you like all these suggestive photos seems a little unnecessary and juvenile.

Dating during these technologically savvy times is a bit more complicated than it used to be. Social media has completely changed how people view relationships, love and faithfulness. Gone are the days when men used to open up a magazine and silently admire the opposite sex. However, do not fret, leave it up to our relationship experts who can offer [relationship advice](#) and dating tips that may provide comfort about your partner’s social media activity.

Relationship Advice On Social Media Etiquette

[Suzanne K. Oshima, Matchmaker](#): Your boyfriend “liking” other women’s provocative photos is not only a bit inappropriate, but it’s also completely disrespectful to you. Especially after you explained to him how it makes you feel. He’s being insensitive to you and your feelings. Sometimes the only way to make him see your point is to give him a taste of his own medicine by doing the same thing with other men’s photos. If that doesn’t work, then I suggest you have another heart to heart talk with him and if he still doesn’t get the point, then I would re-evaluate whether you want to be with a man who doesn’t respect you or your feelings.

Related Link: [Q&A: Should I Be Concerned About My Man’s Social Network Activity with Other Women?](#)

[Robert Manni, Guy’s Guy](#): Although I am not a big fan of poking around my partner’s online content, you’ve already opened Pandora’s Box. And now you have to do something about what you’ve discovered. Men are visual creatures, but when a guy is in a committed relationship, “liking” scores of scantily clad women online is not a great idea. Since you’ve been together for a few years, you can most likely chalk this behavior up to “checking out the menu without ordering.” But can you be sure? You’ve asked him to stop, yet he continues “liking” these women. My relationship advice is to ask him to curtail his behavior one more time. If he is deliberating doing something that bothers you, his priorities are out of order. At this point, if he won’t stop... maybe he has to go. Your call!

Learn whether or not you fall into one of the three types of women that men tend to

avoid. Follow these dating tips to get your love life back on track.

Dating Advice On Who Men Try To Avoid

1. Being bossy. Very few men find bossy or rude traits attractive. Men do like strong women, but not if she is self-centered and generally mean. There can't be a relationship if you're entitled and trying to rule everything. Mutual respect is always best.

3. Being flirty. Men don't like women who are always seeking compliments from others. Men are territorial, so be careful how you receive and react to attention. The experts dating advice: It's disrespectful to be flirty or be perceived as flirty with other people in front of your man. Don't do what you wouldn't like done to you if the roles were reversed!

2. Accept it. The fact that he hasn't called you back should serve as a sign that he isn't right for you. Don't try to force anything. If he was meant to be the right man for you,

he would have called. Know your worth and accept that you have to move on.

3. Be the best you. Once again, don't try to do detective work to find out why he didn't call you back. Looking for answers is a way of looking for how you can change yourself. Don't try to change. Dating Advice: Are You Repelling the Right Man Away?

On this week's episode of [Single in Stiletto's](#), founder and matchmaker Suzanne Oshima talks to relationship expert Nicole Moore to offer her [dating advice](#) for those who might be repelling the right man away. Follow these dating tips to attract a good man and keep him in your life.

Dating Advice On How To Avoid Repelling Men

1. Get honest. If you're not meeting good men, the problem might just be you. Experts agree the best dating advice for a woman attracting problem men is for her to acknowledge that she is the common denominator and also has the power to fix it.

2. Don't be afraid. Showing fear contributes to your poor luck in finding men. If you're approaching relationships afraid and guarded, you'll attract men who aren't good for you. Your fear

is a magnet for men who are also afraid. Shift your thoughts to something positive.

On this week's episode of [Single in Stiletto's](#), founder and matchmaker Suzanne Oshima talks to relationship expert Tinzley Bradford to offer her [dating advice](#) for those questioning whether they should be happy with themselves before meeting a man. Follow these dating tips to help find a happiness that isn't dependent on a man.

Dating Advice On Being Happy Before Settling Down

1. Take time for yourself. You need to find someone that complements you rather than completes you. Focusing on what makes you happy will make you feel fulfilled and help attract someone who admires your happiness.

Related Link: [Dating Advice: 3 Tips to Turn Around Your Dating](#)

2. No settling. Don't settle for less than you deserve. If you're complacent with a mate that isn't right for you, there is no way you can be happy later on. Also, if you aren't happy with yourself, you will end up resenting the man you're with

because you aren't satisfied with where you're at in life.

Dating Advice Q&A: How Can You Know If Someone is Being Honest Online?

Question from Chelsea R.: I met a guy online who seems really great, but because I've been burned in the past (one too many times!), I'm hesitant to totally trust him. How can I know if he's being honest online? I don't want to move our relationship to the real world until I'm sure that he's trustworthy.

Online dating isn't always easy, especially with "catfishing" becoming extremely common. Leave it up to the relationship experts who have [dating advice](#) that may provide some comfort while you date online.

Dating Advice: How To Tell If They're Being Honest Online?

[Suzanne K. Oshima, Matchmaker](#): I completely understand your concerns about trusting a man you met online. As women, we always need to be somewhat on guard with new men, so we don't get taken advantage of physically or emotionally. However, that being said, you can also put up too many walls, where it blocks any man (including a good man), from getting to know

you! My dating advice is to have a few email exchanges, then move it to the phone. If he seems genuine on the phone, then move it to meeting him in person in a public place. If he seems great and you would like to see him again, then just take it slow in getting to know him. If he's genuine, then his words will match his actions. And if his actions don't match his words, then move on.

Related Link: [Q&A: Can You Tell by Someone's Social Network If They're the Relationship Type?](#)

[Robert Manni, Guy's Guy](#): Although trust is a critical aspect of romantic success, it's not easy to prove that someone is completely trustworthy online. You can Google a new guy and check his LinkedIn profile to compare what he's told you to what turns up, and if he passes muster on those sites, it's a good sign. But even that is no guarantee of his trustworthiness. Whenever we decide to get to know someone new, there is always risk involved. My dating tip? After checking Google, LinkedIn and any other site, if you still have doubts, trust your instincts before deciding to meet him in person. After all, the most important person to trust is yourself. Good luck.

Dating Advice To Improve Your Future Dates

1. Look for patterns. If you want to get different results, you need to determine what your type is and date people who are outside of that type. The qualities you think you like might just be the reason why things haven't worked the way you

Dating Advice Q&A: Is It Weird If He Doesn't Call Back After A Date?

Question from Luci M.: I met a guy online who seems really great. We went on a date and everything went well! We even planned our second date. It's been three days but he hasn't called me yet. Is it weird if he hasn't called yet? Should I call or text him?

Online dating isn't always easy, especially when it comes to the etiquette of calling back. Leave it up to the relationship experts who have [dating advice](#) that may provide some comfort.

Dating Advice: When Should He Call Back?

[Suzanne K. Oshima, Matchmaker](#): It really depends on when the second date is planned for. If it's next week, then I don't think it's a big deal that he hasn't called you yet. But if the date is tomorrow, then that could be an issue. The most important thing to know is that if a man is really interested in you, he will pursue you. My dating advice: You shouldn't have to call or text him. He will call or text you and he will make proper arrangements for the second date. If he's not

calling/texting you soon after the first date, he might just see you as a “filler.”

Related Link: [Dating Advice Q&A: Is He Hiding Something When He Turns His Phone Off?](#)

[Robert Manni, Guy's Guy](#): When a guy is interested in a woman he's just met, he'll get in touch with her ASAP to see her again. Let's assume this one time there were extenuating circumstances that prevented this guy from contacting you. It could be work or a personal situation. There is nothing wrong with texting or calling him once. If he's interested, you will definitely hear back. If he doesn't respond, my dating tip is that it's probably time to move on.

Dating Advice: How To Attract A Man Through Your Body Language

Dating Advice On Attracting A Man Through Your Body Language

Dating is not easy, but expert dating advice says one of the best ways to show a man that you're attracted to him is through your body language. Experts say your body language can say more to a man than you ever could. Their three best dating tips are to smile, hold eye contact, and lean into his personal space a bit.

1. Smile. One of the biggest things you can do to show a man that you're interested, is to smile. It's a green light because men are so nervous and want to say hi, but don't always feel comfortable. If you can hold his gaze and give him a sweet smile, it makes you approachable.

2. Holding his eye contact for 2-3 seconds. Doing this shows that you're listening and are engaged in the conversation.

3. Lean in. Go into his personal space a beat and lean in when you're talking to him. When women do that little hair toss, it shows men that you like them.

On this week's episode of [Single in Stilettos](#), founder and matchmaker Suzanne Oshima talks to relationship expert and author of *121 First Dates* Wendy Newman to talk expert [dating advice](#) on first date do's and don'ts.

Dating Advice: First Date Tips

Dating experts acknowledge that it can take awhile to find the man of your dreams, but they have some dating tips on how to act on a first date.

- 1. Show up natural.** Be yourself and don't have an agenda. Throw away that checklist and don't prequalify the person you're dating.
- 2. Get to know each other.** Show up and try to get to know who the person is. Find out what they love and what they're passionate about.

3. Be clear if you don't like him. Be gracious and pleasant, but don't act happy and flirty only to say no to a second date or dodge his calls.

4. Don't be negative. A first date is not the time to complain about your day at work, your parents, your friends, or even an ex. Be positive and pleasant to be around.

5. Don't talk about the long term future on a first date. Women think they're serious and that men date for sport. But it's just the way that you approach dating that's different. Men realize that a first date is just a first date. It's a baby step. Expert dating advice: Don't go into it trying to find your husband. Just try to get to know each other.
