This celebrity baby name is super cute! What are some ways to compromise about baby names with your partner?

Cupid's Advice:

Coming up with your child's name is a team effort as parents. There may be some baby names that you and your partner may not agree on, but here are some ways you can compromise:

1. Create nicknames: If your partner chooses a name, create nicknames by shortening the name. This way you will have a special name for your bundle of joy.

The finale of this season's [Bachelor in Paradise](#) went out with a bang...and a ring! As reported by [UsMagazine.com](#), Tanner got down on one knee and proposed to a surprised Jade, who of course accepted his proposal happily. Tanner told Jade, and the entire world, that he wants to "keep on loving you for the rest of my entire life." He finished off the celebrity engagement with the cliché "Will you make me the happiest man on Earth?" line.

At least one couple from *Bachelor in Paradise* ended up finding happiness! What are some unique ways to propose to your significant other?

Cupid's Advice:

Make your proposal meaningful and sincere, don't follow Tanner and use a line the whole world has heard time and time again.

Speak from the heart and create a memorable, surprising moment. Cupid has love advice to help you create the perfect proposal:

1. Propose in front of her family: Having her closest friends and family at the engagement will let them be a part of one of the most important moments she will have. This will show her how much thought you put into the engagement and how you want to share your love with the people closest to her. Who wouldn't want to share this wonderful experience with their loved ones?

3. Take her to where you first met: This is different than taking her to where you had your first date because this shows even more attention to detail. She will be extremely impressed you remembered how and where you met and that you were able to recreate the moment. The gesture symbolizes how far you've grown since that fateful day.

What unique approach did you take to propose? Comment below.
