

Product Review: Get Ready for Spring with Pretty in PRAI Fragrance and Body Lotion

By

Taylor Barbato

Sometimes [beauty](#) products are misleading and do not last long, so when we find the perfect product, we like to hold on to it as long as possible! PRAI Beauty has unique signature ingredients with an addictive scent of fragrant citrus and floral essences. The scent is perfect for the Spring and gives off a classy, soft, and sensual smell. The beauty products offer skin smoothing ingredients, which are perfect for dry skin after the winter. For our animal lovers, every product is cruelty-free, a portion of every purchase is donated to animal causes and the whole PRAI team volunteers at local shelters!

PRAI Beauty's Pretty in PRAI Fragrance and Body Lotion will make your Spring beauty list!

Pretty in PRAI Fragrance:

Start the Spring season in the right direction with PRAI Beauty's signature scent! The scent can be described as a fresh citrus and green fruits meeting floral essences including gentle hyacinth, mysterious cyclamen, seductive jasmine and romantic gardenia. The fragrance scent lasts throughout the day and into the night. It is perfect for a romantic night out, a first date or even daily activities. The sizes available are 1.7oz/50ml and .17oz/5ml with retail prices of \$39.95 and \$14.95.

Product Review: Get Comfortable and Confident With Slim-Sation

This
post was sponsored by Slim-Sation.

By Taylor Barbato

Our society constantly tries to balance comfort while staying fashionable. [Fashion trends](#) are changing faster than ever with today's social media, where we experience the pressure to an even higher standard of how to be fashionable. Whether it is through youtube videos, Pinterest or Instagram models our newsfeed are continuously updating as our confidence may be

weakening. With Spring around the corner we hope to see trends that are more consistent and comfortable. Many of these short-lived trends tend to be extremely uncomfortable. So where does one cross the line between comfort and fashionable?

Slim-Sation has no line and builds your confidence!

Slim-Sation focuses on creating trendy pants while using a flexible tummy control panel to give you a slimming look without feeling uncomfortable and constricted. The clothing line offers both formal and casual pants, anything from shorts, leggings, capris and jeans. The way the pants contour your waist, accentuate your hips and slim down your tummy gives off the feeling of being 10 pounds lighter.

Women's Long Leggings _

Leggings are always pretty easy to wear but leggings by Slim Sation include a contoured waistband for all day comfort. Wear them to work, around the house and even for a date night. The sophisticated color allows you to mix and match with any item in your closet. The Women's Long Leggings is a reasonable price of \$66, are washable, has a 28" inseam and is made out of cotton and spandex, the perfect combination of comfortable and confident.

Boyfriend Jeans

Rock Slim Sation's boyfriend jeans while feeling comfortable and relaxed. The jeans have a contoured waistband and the

perfect cuff detailing with stationary roll styling. Wear them around the house, running last minute errands and even to lunch with the girls. Only \$64 dollars for a pair of comfortable yet fashionable jeans you can wear all year long.

Don't let fashion limit you this spring! With these awesome pants, you can feel confident and not worry about how many holiday cookies you ate last season. Explore Slim-Stations innovative slimming technology to make you look and feel fabulous!
