Cupid's Advice:

Defining a relationship is hard enough when you're involved

with the person, but when it starts to get complicated, it's a lot more challenging to define. Cupid is here with some [dating advice](#):

1. You're friends: If the break-up is amicable and you think you can stay civil, call it friendship. Perhaps you were friends first and it's easy to fall back into old patterns. The break-up was a set back, but it didn't ruin everything between you two.

Break-ups can be messy, and nobody wants to deal with the drama. The aftermath is almost always tragic, but there are ways to minimize it. Cupid is here to help:

1. Walk away: You don't have to shake hands or hug it out in the final stages of your break-up, but it doesn't hurt to walk away. Instead of prolonging a fight, just get up and leave. Forget about closure, and worry more about your mental health.

Celebrity Couple Predictions: Taylor Swift, Chris Evans and Ariel Winter

By [Shoshi](#)

In the latest celebrity news, three famous couples have caught the public's attention. Two of which are celebrity relationships that are just getting started, such as with Tom Hiddleston and Taylor Swift, and Chris Evans and Jenny Slate, while Ariel Winter, on the other hand, has decided to kiss her boyfriend goodbye. Who's stepping out in Hollywood this time around hand in hand? Join me as I look into the crystal ball of relationships and love. Below, I share my predictions for these [celebrity couples](#).

Celebrity Couple Predictions: Celebrity Relationships That May or May Not Last

Tom Hiddleston and Taylor Swift: Looks like Taylor Swift has bounced back quickly from her breakup with DJ Calvin Harris. The new man on her arm is Hollywood hottie, Tom Hiddleston. This coupling took many of us off guard and they are going

hard into this relationship. Parents have been met on both sides and there are tons of public displays of affection. I would love to applaud this new celebrity couple, however I'm suspicious of the quick romance. There have been grumblings that it's a publicity stunt. Would Swift go so far as to have a fake romance? It's a known fact that Hiddleston gets around when it comes to the ladies. I wouldn't go so far as to call him a ladies man, but he trades in his lady friends very often. Swift is known for having a new boyfriend often as well, though that isn't necessarily her fault. She tends to get dumped by her boyfriends, so what's a girl to do? She gets back out there. While Hiddleston and Swift are all smiles, I'm not convinced that this relationship is the real thing. Time will tell if all of these photo ops equal a real celebrity relationship. At least they look like they are having fun which is what that matters the most.

Related Link: [Celebrity News: Taylor Swift Caught Kissing Tom Hiddleston Two Weeks After Split](#)

Chris Evans and Jenny Slate: Chris Evans has been rumored to be dating any woman in Hollywood that he says "hello" to, but it's safe to say that he has a new boo and her name is Jenny Slate. Evans must be into funny women because Slate is a comedic actress. The two of them just stepped out together on the red carpet for *The Secret Life of Pets*. In Hollywood terms, this means that the pair is officially dating. Slate is gushing over being with Evans. It's nice to see Evans finally in a stable celebrity relationship after speculation of who he's snuggling up with. He seems like a nice guy and would be a keeper for the right woman. Evans and Slate will probably last about 6-8 months, with Evans being the one to break-up. Slate will want to nest and settle down with Evans. What girl wouldn't? However, he doesn't look ready to settle down and do the wife and kid thing just yet. Slate is getting him ready for the next lady.

According to [UsMagazine.com](#), he's been quite vocal saying things like, "I cared too much and then I didn't care at all. This celebrity news has us questioning what we thought we knew! What are some ways to respond

to criticism or questions from family and friends post-split?

Cupid's Advice:

Break-ups can be messy and awkward, or both. The backlash can be even worse so it's important to have somebody in your corner. Cupid is here to help you cope:

1. The truth: When asked a specific question about the break-up, answer honestly and hope that your family and friends will understand. If they're supportive, they'll show you compassion and give you the space you need to move on. Being vulnerable isn't easy, but with the right people on your side you'll be just fine.

3. Pick one person: Choose someone whether it's your mom or a gal pal to confide in. Instead of having to deal with a press release worth of people, try sticking to one. You'll feel better with less attention on you in your time of need.

1. Ask questions: Since you know little to nothing about the person at the start of a relationship (unless they're your friend first), ask lots of questions on the first date. Celebrity News: Taylor Swift Reportedly Wanted a 'Future' with Calvin Harris

By

[Nicole Caico](#)

Another [celebrity relationship](#) has come to an end. [Taylor Swift](#) and Calvin Harris' [celebrity break-up](#) comes after over a year of dating, and according to [UsMagazine.com](#), "Taylor Swift thought Calvin Harris was the one." The [celebrity couple](#) celebrated their one year anniversary this past March. Reportedly, they have grown apart and decided to end things for that reason. Calvin Harris tweeted about the break-up saying, "The only truth here is that a relationship came to an end & what remains is a huge amount of love and respect."

This celebrity news still has us down in the dumps. What are some signs things are headed toward the end in a relationship?

Cupid's Advice:

No one could have foreseen this celebrity relationship coming to an end, but it is important to know what signs to look for in your own relationship that could mean you're headed for a break up:

1. Last place: If you are repeatedly put at the bottom of your significant other's list of priorities, prepare for the worst. Having your S.O. choose friends or work over you every time means that he/she doesn't consider your relationship a top priority. You deserve first place, don't settle. This shows a serious lack of effort.

2. At a loss for words: When you realize that you two are having less and less to talk about it's a sign that you're growing apart. If conversations are becoming boring, or draining, it's time to rethink your relationship status. Hanging out shouldn't feel like a chore.

3. Not the time or place: Sometimes it can be as simple as this—you're not at the same place in your lives. If you are both trying to pursue a career, or need to be close to your family, things can get in the way. Life gets complicated and if you are both dedicated to something that is pulling you

away, it may be time to decide as a couple not to be a couple anymore.
