

'That's My Boy' Can Teach You a Thing or Two About Surviving Your Crazy In-laws

By Jessica Smith

Adam Sandler has been playing “dad” throughout his career, ranging from an unlikely role model in *Big Daddy* to a fun-loving parent in *Grown Ups*, but *That's My Boy* might be his most unconventional role yet. At thirteen, Sandler's character knocks up his teacher and then becomes a single parent when she's put in jail. His son, played by Andy Sandberg, leaves as soon as he's eighteen and becomes incredibly successful, but his new life is threatened when his low-life dad stumbles back into the picture. As the boys attempt to develop the father-son relationship they never had, tension builds with Sandberg's fiancée, played by Leighton Meester. The trailer is full of laughs and the slapstick humor that has become Sandler's signature, which should make this a great choice for

people looking for a laugh among the summer's more serious films.

Should You See It? This movie has some great A-list actors and an outrageous plot that will create a conversation you're going to want to be a part of.

Who To Take: This would be a great film to see with some friends who are looking for a good laugh. There's going to be some great humor coming from all the actors with some special appearances from stars like Vanilla Ice.

Do you have a hard time getting along with your in-laws? Here are some tips to help you out:

In *That's My Boy*, Sandler plays the role of a hardly-lovable soon-to-be in-law, and Meesters' character, her family and her friends are forced to embrace Sandler's wacky personality. They have a hard time adjusting to this unpleasant surprise, especially since they're in the midst of engagement celebrations and wedding plans. Here are some tips to keep your in-laws from driving you crazy:

1. Be Civil: You're not always going to agree with your in-laws, and giving in to their wishes isn't the best solution either. Whether you decide to take their advice or not, you should at least be civil and take their thoughts into consideration.

2. Be Understanding: It may seem like your in-laws are trying to make your life hell, but they actually just want what's best for their child. Sometimes letting someone else

make those decisions can be difficult for them to grasp, so avoid pointless bickering and try to see the situation from their point of view.

3. Be Positive: Instead of constantly trying to find ways to bother your in-laws, be proactive! The easiest way to keep them from driving you insane is to build a better relationship with them so you can eventually see eye-to-eye on things. This will make life easier for both you and your partner.

**EXCLUSIVE: Happily Single
'That's My Boy' Actress
Abigail Klein Says Love "Will
Happen When It's Supposed to
Happen"**

By Jessica Smith

You may have already caught glimpses of Abigail Klein cheering for the Dallas Cowboys or appearing on the CW Network's *90210*. Now, you'll be getting another peek of her in a role that she hopes will launch her acting career. The rising star, who's been compared to model Brooklyn Decker, still pinches herself when she thinks about playing a bridesmaid in the upcoming Happy Madison film, *That's My Boy*.

As a young actress, she says that she is flattered to be working alongside A-list celebrities, including Adam Sandler, Andy Sandberg, Leighton Meester and James Caan.

"It was insane," Klein says. "Everyone was so brilliantly funny and wonderful. That was the most pleasing thing, I think, because everyone was so welcoming."

Klein describes being on set as the "best of both worlds," especially considering she spent a month in Cape Cod. "It was really cool to work with these amazing actors and then watch them in their everyday lives too." Klein explains how Adam Sandler had his children on set and how amazing it was to see him go from actor to dad. "Although I play one of the bridesmaids who is there to have fun and take part in the wedding festivities, I also got to observe how all these

amazing actors interact both personally and professionally.”

Her best piece of advice, however, came from costar Meagan Fay. “I remember chatting about how to take on the industry with the right mindset. We talked about people in the industry and how having good qualities for yourself, in your everyday life, translates into your work.

Positive things come from being positive,” Klein recalls. “At the end of the day, it’s a career, and you have to love it. Meagan had a lot of good advice.”

Although her acting career seems to be taking off, her love life remains at a standstill – something that she doesn’t really mind. Despite rumors that she’s dating legendary quarterback Troy Aikman, she claims that she’s “as single as they come.” Instead, she’s focusing on becoming a better actress and going with the flow.

“I’ve always thought of romance as something that will come along when it’s the right time, so for now, I’m focused on myself and what I’m doing with my life. Everyone says it happens when you’re not looking, but I’m at the point where I’m almost hoping it *doesn’t* happen,” she adds. “I want to focus on my career, and I want to focus on me. I want to experience things by myself.”

She also wants to encourage her peers to think about themselves and their own happiness before they start worrying about partnering with another person. “When you do meet that person, you get to share your life and come together and be proud of the experiences that you’ve had as individuals. Then, you make new experiences with that person,” advises Klein. “I think it will happen when it’s supposed to happen. I think it should be easy and just feel right.”

Don’t let her fool you, though. If she landed a role with

action star Chris Hemsworth, she might change her mind. “[He’s] a big reason why I liked *The Avengers*,” she says with a laugh.

If Klein had her choice, she would love to make an action film, but for now, the starlet is keeping an open mind. “I’m just excited to take things day by day and see what else is out there,” she reveals.
