

Celebrity Couple Predictions: Ashlee Simpson, Khloe Kardashian and Mama June

For today's celebrity couple predictions, we're looking at three pairs who are in various stages of a relationship: one set of newlyweds, one rebound relationship, and one surprise split.

Ashlee Simpson and Evan Ross: When it was first announced that the former pop princess was engaged to the son of songstress Diana Ross, nobody thought the marriage would actually happen. Some wondered why the 26-year-old Ross was hitching himself to

a single mother instead of going out and sowing his wild oats. Despite the naysayers, the wedding took place earlier this summer in Connecticut.

What I think some people forget is Ross has probably seen and done a lot in his two and a half decades, far more than any of us may do in our lifetime. For Simpson, this is her second go at walking down the aisle; be sure that she learned a thing or two on how to make a marriage work.

The newlyweds will give this marriage a good run. They have great chemistry and look very happy together. Around the beginning of the year, expect a baby announcement from them; I see a beautiful daughter in their future. Family is very important to the both of them and will always be their priority.

Khloe Kardashian and The Game: If I had to be stuck in an elevator with a Kardashian sister, it would be Khloe. She has always been the one Kardashian who speaks in complete sentences and makes pretty good decisions – that is, until she started dating rapper French Montana. Finally, her relationship with him is over, a rebound love that lasted far too long. Now, the reality star is back to spending some quality time with rapper The Game. He seems to be her go-to guy after every break-up.

These two look like way more than just friends sitting around having tea. They are a good example of friends with a *lot* of benefits. It's kind of a shame that they're in such different places when it comes to what they want in a relationship. They would be good for each other, and they understand each other on many different levels.

It would suit Kardashian to take time away from dating to be able to truly heal from her divorce from Lamar Odom. It would

be the best way for her to get grounded and figure out what she really wants in a relationship. Hopefully, she gets it together soon and can have the marriage and baby that she desires.

Mama June and Sugar Bear: The separation of reality TV stars Mama June and Sugar Bear came as quite a shock. Honey Boo Boo's mom thinks that her husband has been cheating on her, so she kicked him out of the house. Turns out, he *has* been creating profiles on dating sites such as PlentyOfFish.com. Who knew that he was such a stud?

Mama June has taken off her wedding ring and let it be known that the two of them are taking some time apart to figure things out. I predict that she'll get a little makeover and spruce herself up a bit – nothing too glamorous but something new for her. She will even test the dating scene to see what comes her way.

At this time, it's unclear if their relationship will work out. The time away from each other will do them good. Mama June will actually enjoy being single, while Sugar Bear will miss having his family around. After all, sometimes, you don't know what you have until it's gone.
