## Relationship Advice from the 'Hunger Games'

By Amy Osmond Cook, Ph.D.

If any of you saw the *Hunger Games* recently, you were in for a bloodbath—a very entertaining, very well produced bloodbath.

I'm a huge fan of Suzanne Collins, and the movie was one of the best I've seen in a long time. But while I cheered for Katniss, cursed the gamekeeper, and threw popcorn at President Snow, I couldn't help but notice that some of the lessons of *Hunger Games* could also be applied to relationships:

### **Hunger Games Tip #1: Don't Let Him (or Her) Own You**

Before going into the *Hunger Games* arena, Peeta and Katniss spend a quiet moment looking over the city. With a wistful glance at his would-be lover and soon-to-be fellow Gladiator, Peeta tells Katniss, "I keep wishing I could think of a way . . . to show the capitol they don't own me. That I'm more than a piece in their games." And show them he does.

Healthy relationships are built on equality. If you feel owned or used, there's a good chance that you are being played in someone's game. You may be their most important game piece. But regardless of whether you are a queen or a pawn, if your relationship feels like a chess match, run!

### **Hunger Games Tip #2: Don't Eat the Berries**

While Katniss is out hunting for food, Peeta tries to be helpful and unknowingly picks poisonous Nightlock berries to eat with the meal. Foxface watches Peeta and picks berries of her own, thinking they are edible. She dies instantly upon ingestion.

Affairs, abuse, and drug and alcohol addiction are common forms of relationship Nightlock. While they are possible for some couples to overcome, they can be instant relationship killers. So if you are tempted to stray, to use, or to be

otherwise despicable, be aware that you are putting your relationship seriously at risk.

### **Hunger Games Tip #3: Just Be Yourself**

When Katniss first arrives at the Capitol, she is told that she needs to make people like her. Sponsors, Haymitch (her mentor) states, can make the difference between life and death. Katniss fails miserably at this until Cinna, her stylist, tells her, "Don't try to make people like you . . . Just be yourself." When she forgets about public opinion and is true to herself, she becomes beloved by district and Capitol people alike.

It goes without saying that it's important to be yourself in a relationship. There's nothing worse than sushi and ballet when all you really want is barbeque and line dancing. Don't pretend to be someone you're not, if for no other reason than it's just plain tiring—and it's impossible to keep up the façade forever. When the walls come down and the real you shows through, don't you want someone who shares your secret passion for all things Woody Allen, or at least loves you for it?

Suzanne Collins is more about opposing the Man and the media than providing commentary on romantic relationships. But forging relationships based on equal power dynamics, avoiding toxic situations, and having personal integrity are lessons as applicable to the bedroom as the Hunger Games arena.

## Jennifer Lawrence Compares 'Hunger Games' to Kim Kardashian's Divorce

After a battle almost as fierce as *The Hunger Games* itself, actress Jennifer Lawrence scored the role of Katniss for the upcoming film. During an interview with [Parade](#) magazine, Lawrence related people's love for the *Hunger Games* with Kim Kardashian's divorce. "I was watching the Kardashian girl getting divorced, and that's a tragedy for anyone. But they're using it for entertainment, and we're watching it," said the actress. "The books hold up a terrible kind of mirror: This is what our society could be like if we became desensitized to trauma and to each other's pain."

**How do you keep your divorce as drama-free as possible?**

### **Cupid's Advice:**

Going through a divorce without any complications or disagreements is unheard of, but Cupid has some tips to keep things as drama-free as possible:

**1. Keep quiet:** Blabbing about your divorce to everyone you know will only get the rumor mill churning, and before you know it you'll have more stress than you started with. Lucky

for you, you're not Kim Kardashian who had the world watching her mistakes and eventually her marriage's demise.

**2. Stay private:** The divorce is your business and your ex's business, so be respectful of that and be appropriate when dispersing any information on the matter. You don't want or need outsiders getting wrapped up in your affairs.

**3. Act maturely:** You and your ex may not like each other anymore, and that's why you're separating, so be on your best behavior until you're out of each others hair. Things can get messy when emotions are running high, especially in court where decisions about money or children are being discussed, so don't give the judge or your ex-partner any ammo to use against you.

**Check Out the First Blockbuster of 2012: 'The Hunger Games'!**

2012's first big movie is right around the corner. *The Hunger Games* not only features a strong female heroine, it also features a complex love triangle. The upcoming action film stars Jennifer Lawrence, Liam Hemsworth, and Josh Hutcherson as the love struck teenagers who may be forced to take each others' life. Katniss and Peeta (Lawrence and Hutcherson respectively) are both selected for the Hunger Games, a reality TV sensation in a dystopian future where teenagers fight to the death. But the two of them suffer a connection as they are supposed to play up their relationship to get more viewers. However, Katniss also has Gale (Hemsworth), a hunting partner that she has suppressed feelings for. Who will Katniss choose? Will she have to kill Peeta?

**Should You See It?** In a word, yes. *The Hunger Games* looks to be an exciting movie and could be a great date movie that both parties will enjoy.

**Who To Take:** You or your significant other may enjoy the action, but *The Hunger Games* also has a loyal fanbase who read the book. A group of friends may work for this one as well. Just don't take your mother, the gore factor is pretty

intense.

**Are you forced to kill your significant other? How to get out of that and other difficult situations.**

In *The Hunger Games*, Katniss is potentially forced to kill someone she has a connection with. While you may not share this problem with her, in many ways it's a classic *Romeo and Juliet* style problem. Here are some ways to get through really tough situations that test your relationship like nothing else could.

**1. Prove everyone else wrong.** People pit you against each other just to prove that it cannot work. If you and your significant other can prove them wrong then you have won.

**2. Stick together.** If you can't stick together and be there for each other then you have nothing. If you can comfort each other and only worry about yourselves rather what everyone else thinks, you two have the right stuff to pull through these difficult times.

**3. Do what is best for them.** If it is meant to be then do whatever it takes. Sometimes that includes leaving until things can get better. If it is meant to be then it will happen, but maybe now there is simply too much going on for any one person to handle. Do what you have to do and hopefully things will work out for the best.

# Liam Hemsworth Says Miley Cyrus Would Beat Him in 'Hunger Games'

Liam Hemsworth may be the one starring in the film *The Hunger Games*, but he believes that his girlfriend Miley Cyrus could beat him if they competed. “She’s a tough girl, that one,” the Aussie actor told [People](#). The two lovebirds stood side by side on the black carpet at the movie’s massive premiere, which brought in an even bigger crowd that Hemsworth had imagined it would.

**Is being tough a good thing in a relationship?**

**Cupid’s Advice:**

It's good to have a backbone, but it's also possible to be too tough in a relationship. Cupid has some tips:

**1. Vulnerability:** Having the ability to protect yourself from emotional pain in a relationship can be a good quality, but at some point you have to make yourself a little more vulnerable. Bringing down your shield will strengthen your bond as a couple.

**2. Protection:** If you love each other, you want to protect one another. Men especially like the feeling of being able to appear as a woman's protector or caretaker, so ladies, it's ok to be that damsel in distress from time to time so that your prince charming can take care of you.

**3. Strength:** You need to have a little toughness within your relationship so you don't get pushed around all the time. As couples become more comfortable with each other, they tend to get bossy or demanding, so keep that tough bone under your skin so you have the strength to stand up for yourself when necessary.
