Helena Bonham Carter Breaks Silence on Split from Celebrity Ex Tim Burton

By

Kyanah Murphy

After nearly a year since their shocking celebrity break-up, Helena Bonham Carter finally spoke out about what this split with Tim Burton has been like. EOnline.com shares that Bonham Carter said she and Burton weren't meant to last

forever, though what they had was a special gift. Celebrity exes Bonham Carter and Burton split on amicable terms and continue to be friends and co-parent together. She also shared that there are some difficulties that the former celebrity couple have faced, such as being on set together for *Sweeney Todd*, where Burton was the director. Bonham Carter mentions that she'd confuse the situation of Burton being the boss because in their private life, they're partners. Either way, these celebrity exes seem to be handling their split quite gracefully.

Sometimes celebrity exes can get along! What are some ways to foster a good relationship with your ex?

Cupid's Advice:

These celebrity exes set a good example for remaining on friendly terms with one another. Though it's not always easy, Cupid has some advice on how to keep a good relationship with your ex.

1. Be the example: The old saying "treat others the way you want to be treated" rings true here. Monitor yourself and your behavior and treat your ex as kindly as possible. This should, hopefully inspire your ex to do the same.

2. Give yourselves some space: You guys have broken up and now you live your lives with minimal interaction with one another. Sync up when needed but live your life independently of your ex. Give each other time to heal and move forward.

3. Leave the past in the past: Everything that happened in your relationship, including the negatives, are past now. There was nothing you could do about it then and there's nothing you can do about it now. Make peace with what happened and focus on going forward.

Celebrity Couple Predictions: Helena Bonham Carter, Cameron Diaz and Chris Brown

By

Shoshi

With the new year finally here, there's bound to be a lot of exciting celebrity couple news for us to digest! Here are my predictions for three pairs who are currently popular in the media:

Helena Bonham Carter and Tim Burton: After thirteen years together, Helena Bonham Carter and Tim Burton have separated. The couple actually split earlier this year, and this news is just now coming out. In what appears to be one of the more amicable splits in Hollywood, they are staying friends because they have two children together.

This separation shouldn't come as such a surprise. About a year ago, Burton was seen with a mystery blonde and accused of cheating. While he may not have been cheating, where there is smoke, there tends to be fire.

So what's next? Burton will attempt to make some movies without Bonham Carter, but that won't last for long. He will bring her back to his films. Even though they are no longer together, she is still his muse. Look for Bonham Carter to have a new boyfriend soon – a younger actor, someone who will be quite shocking. Let's not forget that, while she is quirky, she is an attractive woman. Her brilliance, beauty, and different appeal will keep the stud very interested.

Cameron Diaz and Benji Madden: The latest celebrity couple that is rumored to be getting married is Cameron Diaz and Benji Madden. Depending on what news source you believe, the two of them will be skipping down the aisle and having a baby as soon as possible.

This is a very interesting pair. When I take a look at their love energy, it isn't so cut and dry. It is not clear what

will happen between them. This could be due to the fact that they are still trying to figure it all out. I do see problems for them down the road unless Diaz is more open to change in their relationship. She is a very independent woman. Let's just say that she is just fine without a man by her side. Some of that reasoning is because she has had no problem getting one; the issue is finding a guy that she wants to *keep*.

I wish this couple the best. Baby energy is circling Diaz, and she will make a great mom. Let's cross our fingers that Madden keeps Diaz interested, or this relationship may not last long.

Chris Brown and Karrueche Tran: Recently, the rapper proclaimed that he was single and went off about his ex-girlfriend dating Drake behind his back when he was in jail. It appears that it was all in his mind though. According to Drake, Tran's small bottom is not big enough for him to look at her twice. In case you didn't know, Drake loves a big booty on his woman.

Just when you thought they were finally over, it looks like Brown and Tran may be back on again. They were spotted all cuddled up at a club. One has to wonder if Brown will be able to have a healthy relationship. He has been diagnosed with bipolar disorder, which seems to be affecting some of his choices. Tran may want to stand by her man, but she's enabling him to treat her any way that he wants – which is never good!

This relationship will continue to be filled with drama. The on-and-off love will continue until Tran says "enough is enough" and moves on to get herself a new man to settle down with.

Six Celebrity Couples We Wish Existed

By

Elle Rose Williams

When surrounded by a celebrity culture and constantly looking at the world's most beautiful or talented elite, it's hard not to start wishing that two of your favourite celebrities were dating. No matter how perfect some couples seem, deep in our hearts we always know they could do better. Whether we think they'd make a great match or just want to see the children, here are five celebrity couples we wish existed:

Related Link: [Top Five Celebrity Couples Who Have Made Love Last](#)

1. Lady Gaga and Tim Burton: The quirky duo that is Lady Gaga and Tim Burton could be the ultimate power couple, with Gaga ruling the world of music and Burton ruling the world of film. Their united interest in the bizarre and huge cult followings could be great starting points. With your own relationship, it can be a great idea to make sure you have common ground in this same way.

2. Ryan Gosling and Rachel McAdams: Although Ryan Gosling and Rachel McAdams used to be a couple, they're now separated. However, any girl who grew up with the ultimate romantic epic *The Notebook* would think these two should be reunited one day. It can be the same in our own relationships too: when we have such a long history with someone, it's easy to picture ourselves with them.

3. Jennifer Aniston and David Schwimmer: *Friends* might have ended eight years ago, but after ten years of portraying the ups and downs of Ross and Rachel, it's hard to see Jennifer Aniston and David Schwimmer as anything else. Considering Aniston's consistent bad luck in relationships, it'd be amazing for her and Schwimmer to get together and to finally see her settled and happy. With our own relationships, we like to see ourselves with someone who'll look after us and someone who will be with us through the rough times and the good times too, which Ross and Rachel always personified.

4. Madonna and Richard Branson: Another important part of being a couple is balancing your attributes. This would make Madonna and Richard Branson a fantastic power couple. Plus, it would be great to see Madonna settled down with a man her own age. There's a lot that Madonna could learn from Branson, and

even Branson could benefit from Madonna's publicity stunts. They'd be a good balancing act for each other, and this is always a good way to seek out a potential partner.

5. Charlie Chaplin and Gwen Stefani: How amazing would it be if Charlie Chaplin and Gwen Stefani were a couple? Sure, the two are actually decades apart, but their quiriness and originality would make these two a brilliant celeb couple. We have a feeling their sense of humor would gel too. In your own relationship, humor is hugely important. As long as you can laugh together, the bad things will never seem as bad.

6. Audrey Hepburn and Colin Farrell: Audrey Hepburn and Colin Farrell are another couple that would be impossible, but still would be brilliant. We'd love to see the dynamic, cheeky Irishman be tamed by the ultimate lady of class and elegance. They'd be so different that they could actually be the perfect match. This can apply to real couples too, so look for someone who wants you to be the very best version of yourself.
