Celebrity Couple Predictions: Taylor Swift, Chris Evans and Ariel Winter

By [Shoshi](#)

In the latest celebrity news, three famous couples have caught the public's attention. Two of which are celebrity relationships that are just getting started, such as with Tom Hiddleston and Taylor Swift, and Chris Evans and Jenny Slate, while Ariel Winter, on the other hand, has decided to kiss her boyfriend goodbye. Who's stepping out in Hollywood this time around hand in hand? Join me as I look into the crystal ball of relationships and love. Below, I share my predictions for these [celebrity couples](#).

Celebrity Couple Predictions: Celebrity Relationships That May or May Not Last

Tom Hiddleston and Taylor Swift: Looks like Taylor Swift has bounced back quickly from her breakup with DJ Calvin Harris. The new man on her arm is Hollywood hottie, Tom Hiddleston.

This coupling took many of us off guard and they are going hard into this relationship. Parents have been met on both sides and there are tons of public displays of affection. I would love to applaud this new celebrity couple, however I'm suspicious of the quick romance. There have been grumblings that it's a publicity stunt. Would Swift go so far as to have a fake romance? It's a known fact that Hiddleston gets around when it comes to the ladies. I wouldn't go so far as to call him a ladies man, but he trades in his lady friends very often. Swift is known for having a new boyfriend often as well, though that isn't necessarily her fault. She tends to get dumped by her boyfriends, so what's a girl to do? She gets back out there. While Hiddleston and Swift are all smiles, I'm not convinced that this relationship is the real thing. Time will tell if all of these photo ops equal a real celebrity relationship. At least they look like they are having fun which is what that matters the most.

Chris Evans and Jenny Slate: Chris Evans has been rumored to be dating any woman in Hollywood that he says "hello" to, but it's safe to say that he has a new boo and her name is Jenny Slate. Evans must be into funny women because Slate is a comedic actress. The two of them just stepped out together on the red carpet for *The Secret Life of Pets*. In Hollywood terms, this means that the pair is officially dating. Slate is gushing over being with Evans. It's nice to see Evans finally in a stable celebrity relationship after speculation of who he's snuggling up with. He seems like a nice guy and would be a keeper for the right woman. Evans and Slate will probably last about 6-8 months, with Evans being the one to break-up. Slate will want to nest and settle down with Evans. What girl wouldn't? However, he doesn't look ready to settle down and do the wife and kid thing just yet. Slate is getting him ready for the next lady.

Ariel Winter and Laurent Claude Gaudette: Ariel Winter, the actress from *Modern Family* has broken up with boyfriend Laurent Claude Gaudette, yet again. These two have been on again and off for the past two years. Most recently, the pair has unfollowed each other on Instagram. When millennials do that, they mean business! On a serious note, Winter is finally done with this celebrity relationship. This whole romance has been exhausting. Gaudette will call Winter, but she won't answer. I see that she will be moving forward. Winter will be single for a few more months then she will find a new love with a man who is a little bit older than her. She needs someone who is more her equal than Gaudette. Had anyone heard of him before he was with Winter? She'll bounce back just fine from this break-up.

This new celebrity couple is definitely making the rounds! What are some ways to get to know each other quickly at the beginning of a relationship?

Cupid's Advice:

New relationships can be exciting, but also a little scary. Jumping into a partnership takes a little bit of courage. Cupid is here to help with some [dating advice](#):

1. Ask questions: Since you know little to nothing about the person at the start of a relationship (unless they're your friend first), ask lots of questions on the first date. It's important to know things about your partner, but also to see that you are compatible. If he's going on and on about topics that don't interest you, it's best to be aware from the start.

2. Go on dates: Try out different hot spots and restaurants at the start of your relationship. See which activities excite your partner and which you wouldn't try again. It's a great way to see if he's spontaneous or if he's more routine oriented.

3. Tell it like it is: Be outright when it comes to what you like, too. Don't just nod and agree with everything he says, but put in your two cents. If he won't let you share your opinions, it's not going to be a fun run.
