How do you know which qualities in someone else will fit with your personality?

Cupid's Advice:

It's not so easy to find your so called perfect match. Here are some ways to know whether or not someone's qualities will mesh with your own:

1. Test it out: The best way to figure out if someone is compatible with you is to give them a chance. If you have a good gut feeling about a person, go out on a date with them.

2. Do some research: Do some Facebook investigating or ask some of your friends if they know this special person. If something about the person seems fishy, then you can cross

them off of your list.

3. Learn from the past: Does this person have qualities that your ex had? Try to steer clear of people who remind you of former partners. Remember: they are exes for a reason.
