

# Jason Mraz Won't Marry Until Gay Marriage is Legal

Singer Jason Mraz may have proposed to his fiancée, Tristan Prettyman, in December, but he doesn't see a marriage in the new future, according to UsMagazine.com. At Elton John's Concert to Benefit the American Foundation for Equal Rights, Mraz explained the reason for his long engagement. "The wedding would be nice for our family, our friends, our community – our moms especially – and so it puts us in the fight," said Mraz. "We can't get married until [gay] marriage is legal and equal...I think giving people the right to marry will be a huge movement in civil rights."

**What are some reasons to prolong your engagement?**

**Cupid's Advice:**

It's perfectly acceptable to delay your rush to the altar. If

a too-soon marriage is causing strife, then consider a long engagement. Here are a few reasons to prolong your engagement:

**1. Career issues:** Planning a wedding is a lot of work. If you or your partner are facing a stressful time at work, then consider waiting for your careers to settle down before tying the knot.

**2. Last minute details:** In many relationships, especially long-distance relationships, there are many final details to work out. Living arrangements, career changes and relocation are only a few of the issues facing engaged couples.

**3. Not being ready:** There's no room for second thoughts. If you're not sure you're prepared to make it official, there's no harm in waiting. You've already found 'the one,' so the pressure's off.

## Jason Mraz Discusses Why Fiancee Tristan Prettyman is "The One"

Singer Jason Mraz is sure his fiancée, Tristan Prettyman is “The One.” *UsMagazine.com* reports that Mraz’s certainty stems from his devotion to the number 23. “[Prettyman and I] hit it off instantly by syncing our interest in this magical prime number,” said Mraz on his blog. “Whenever she or I come upon it, whether being sat at table 23, or assigned seat 23 on a plane, we almost-always and/or involuntarily think about the other.” In fact, Mraz proposed on the magical 23rd of December. “We both see this being a long engagement, but would love to get married within the next 2.3 years,” said Mraz. “She will likely retain her beautiful name, but should she decide to hyphenate, Tristan Ann Prettyman-Mraz makes 23 letters.”

**What are signs that your partner is “The One”?**

### **Cupid’s Advice:**

Sometimes it’s hard to tell if your partner has the potential to be “The One.” Here are a few signs:

**1. He supports you:** A supportive partner will most likely be amenable to any changes your career throws at you, like sudden moves or a change in salary. Support is necessary if you and your partner are going to provide for each other both

emotionally and financially.

**2. You have the same goals:** You and your significant other need to be confident in your future together. If you both wish for kids or want a small house by the beach, then you'll find that making decisions in the future will be relatively painless.

**3. Your instinct:** You can do all of the analyzing you want, but eventually what it comes down to is how you feel about your partner. You may not see fireworks or flashes of light across the sky, but at the very least, a small part of you will "just know."
