Celebrity News: 'Bachelorette' Hannah Brown Says 'Thank You, Next' to Questions about Tyler Cameron & Gigi Hadid

By Ashley Johnson

In a [celebrity interview](#) with *UsMagazine.com*, Hannah Brown made it clear that she is ready to take on life as a single woman after her [celebrity break-up](#) with Tyler Cameron. The

reality TV star says she is focused on exploring her new opportunities as a single woman and is ready to move forward from *The Bachelorette* with or without a man.

In celebrity news, Hannah isn't letting anyone draw her into talks surrounding Tyler Cameron's dating life. What are some ways to move on when you see your ex moving on?

Cupid's Advice:

While all celebrity relationships do not last, the relationship you have with yourself does. We are rooting for Hannah in her new journey! Cupid has some advice on how to move on from an ex like Hannah Brown and many other single celebrities:

1. Focus on yourself: Self-care is always the best way to go. When we take care of ourselves and give ourselves all the love and affection for a change, we realize just how much we needed it and realize that self love is enough. Focusing on yourself and taking the time to heal on your own can help you rediscover yourself and learn more about who you are. You can learn more about your likes, dislikes, and everything in between.

2. Enjoy your hobbies and friends: Just taking the time to do things you enjoy again can remind you what you really value in life. You can now focus all your time and energy on everything you have ever wanted to do, whether it be painting, going to concerts, traveling the world, or spending more time with

friends. Friends are there for you when you need them the most. They can help distract you from your ex and past relationship and can be a shoulder to lean on when you just need to vent.

3. Take a break from social media: Focusing on yourself means you can't have any distractions. Social media is the easiest way to stay up to date with your friends, and unfortunately, your ex. With just one click you can get lost in your ex's feed. Being single means you now have time to focus on yourself, not your ex and their whereabouts. Embrace the distance from your ex... this may even mean blocking or unfollowing them on all social media for the time being.

Celebrity News: Hannah Brown's 'Bachelorette' Runner-Up Goes On Date with Gigi Hadid Days After Spending Night with Hannah

By Ashley Johnson

In each and every season of *The Bachelorette*, former bachelors and bachelorettes alike (along with a few athletes) inevitably make their highly anticipated return to the show to drop some relationship truth. Whether it's Ben Higgins having a one-on-one with Colton Underwood or Hannah Brown sitting court-side with Jaylen Brown, the singles are coached on "finding the one" and what to look for in a significant other. However, this is no simple task and may include a lot of casual dating before getting serious with anybody and making that commitment. According to *UsMagazine.com*, on Sunday, August 4, in [celebrity news](#), Tyler Cameron and Gigi Hadid were spotted together on what appeared to be their first [date night](#) ever in NYC, just two days after *The Bachelorette* runner-up was seen leaving Hannah Brown's apartment in L.A.

In celebrity news, Tyler Cameron isn't committed to Hannah and is

dating around. What are some things to be careful about when you're dating around?

Cupid's Advice:

While Tyler seems to have been getting cozy with more than one woman (Gigi Hadid being one of them) and seems to be living a true *bachelor* life outside of reality TV, Cupid has some dating advice on how to date around like the model himself and other single celebrities:

1. Be transparent: Being transparent means being truthful and being clear about your intentions. Sometimes being honest with people can be difficult, but you are not going to get what you want out of any relationship by hiding your true feelings. Relationships only work when the people involved are on the same page and have both of their wants and needs met.

2. Have patience: As we know from many years of *The Bachelor* and *Bachelorette*, you do not just fall in love on the first date (or maybe you do), and dating is a process. It is highly unlikely you are going to commit to one person after just one date, and you may find yourself going on numerous dates with numerous people until you find what you are looking for, and that is okay. You just have to be patient!

3. Take the time to discover yourself: Use the opportunity of getting to know various new people to also get to know more about yourself. By intimately being exposed to all different personalities and behaviors, you are going to find some that

you absolutely love, and others that you absolutely cannot stand. Dating different people only reaffirms your own wants and needs, and helps you figure out what you want more of (or less of) in life.

Celebrity News: Tyler Cameron Addresses Future with 'Bachelorette' Hannah Brown

By [Mara Miller](#)

Tyler Cameron addressed his future with *Bachelorette* Hannah Brown after she asked him out during the show's two-part season finale, according to *UsMagazine.com* in [celebrity news](#). Does this mean there's a possible celebrity couple on the horizon? On Tuesday, July 30, Brown opted to make a "bold gesture" when she suggested the pair "go for a drink" on Nick Viall's "Viall Files" podcast. Cameron responded that he would love to and he wants to take things slow.

In celebrity news, Tyler is looking to take things with Hannah "one day at a time." What are some ways to take things slowly in your relationship?

Cupid's Advice:

Amidst speculation that Tyler Cameron may be the next lead man for *The Bachelor*, things may change if he keeps things going with Hannah Brown. We hope the best for these two! Cupid has some advice on how to take things slowly like Hannah and Tyler:

1. Have self-discipline: Taking things slow means you're allowed to step back and think about your dating situation before you commit to anything. Don't rush into bed, living together, or constantly text each other because you're worried your potential partner will lose interest. Be sure to keep your head on straight before listening to your heart.

2. Be honest with each other: Honesty truly is the best policy, so be honest with your partner about why you want to take things slow. Maybe you want to get to know them better or you've been burned by an ex in the past, so you want to be ready you can go all-in before you take your relationship further.

3. Longer lasting relationship: Taking things slowly with each other will mean your relationship has the potential to last much longer than those moving their relationship much faster. You'll have time to build a solid foundation and partnership so you can work together as a team in your relationship and that means it could last for the rest of your lives together.
