As to be expected, this young medium's life changed drastically after filming the first season of his show. One aspect Henry is still trying to get used to after his television debut is being recognized by fans in his coming and goings. "Getting stopped on the street by people who've been personally affected by the show has been one of my favorite

experiences,” the reality TV star shares in our celebrity interview, “I love getting to meet fans of the show and hear their stories – everyone has one.” And speaking of stories, there’s many to tell in this upcoming season of *Hollywood Medium*. “There are so many moments that are deeply profound, some of my favorites being with people who may have started off as skeptics,” Henry reveals. He especially enjoyed conducting a reading for singer and songwriter Moby, who Henry assures received touching results. Other celebrities to keep an eye out for in season 2 include Melissa Joan Hart and Kris Jenner, both of whom left the medium starstruck. The young psychic revealed that he’d like to read Lana Del Rey and Cher because “both are amazing performers with intriguing stories.”

In addition to being a medium to the stars, Henry finds time to do readings for non-celebrity clients as well. “The show only represents a small demographic of my overall clientele,” he says, “I still read the public and people who need it. It’s essential for me to have a balance during filming as readings can become physically and mentally draining.” And despite having a busy schedule, this talented clairvoyant has written his first book, titled *Between Two Worlds: Lessons from the Other Side* that will be released in November. The book is a memoir of Henry’s journey to becoming a medium, discussing life events that profoundly affected his upbringing, such as the passing of a childhood friend. “I think people will be surprised to see that many of the stereotypes people associate with don’t apply to my situation,” the psychic says. “In telling my story, I kind of demystify more of the outlandish ideas that people often assume mediums believe. It isn’t like *The Sixth Sense*, and healthy skepticism is something I embrace.” Henry hopes that readers will find resonance in his experiences and learn that we’re all interconnected. The book

will also go in-depth about the lessons people on the other side can offer to the world of the living. In five years, Henry hopes to still be working on *Hollywood Medium*, conducting readings cross-country and setting up a charity for young people who've experienced loss.

Thanks to his clairvoyant abilities, Henry's been lucky enough to avoid nightmare date nights. Though there have been times he's felt "more connected to a date's deceased grandmother," but he typically goes with the flow during these situations. The 20-year-old's career as a medium has helped keep his life free from relationship problems. "When I'm dating someone, I often find I know whether we'll be going on a second date before the first one even really begins." But he also says that he isn't opposed to having his mind changed. His abilities just simply provide intuition about people's intentions or motivations. However, this rarely happens since many with ulterior motives "run for the hills" anyway when they discover his abilities.

Talks About His Near-Death Experience & Biggest Celebrity Crush!

By [Emma Malefakis](#)

Most young celebrities are known for their talents but none quite like Tyler Henry. He has a unique gift of his own: He connects to those who have departed. Known as one of Hollywood's youngest psychics, he began working as a medium when he was just 16-years-old. He practiced his skill in a small town in California and has since worked with some of the biggest stars, including Snooki and Boy George. His everyday life was recently pitched for a reality TV show, and now *The Hollywood Medium with Tyler Henry* is airing Sunday nights at 10/9c on E!.

In our [exclusive celebrity interview](#), Henry opens up to us about his own near-death experience and shared his best relationship advice.

Celebrity Interview: Tyler Henry Talks About His Talent and New Reality TV Show

The reality TV star admits he owes much of his success to his supportive parents. "It took some time, but they now see the healing impact that the readings have in giving people insight, clarity, and closure," he says. "Now, it's just on a much larger scale." Of all the challenges he faces, the young medium says that crowds are the toughest part, but "the

benefits of his gift outweigh any of the downsides.”

It’s understandable how such a talent can be overwhelming to others since they can’t completely understand the ability of clairvoyance. “I get strong visual and mental imagery in my mind’s eye when I concentrate on a person. This imagery, when pieced together and interpreted as a message, is then delivered to a person as means to provide some form of insight,” he explains.

Henry has read hundreds of celebrities. He says one of the most shocking readings was with Tracey Gold. “Many revelations can come from readings, and many of them can be incredibly surprising. A murder victim that she was connected to came through and acknowledged the details of her passing,” he divulges.

Even with all his success, there are always doubters when it comes to the talents of mediums. “Thankfully, every celebrity who agreed to have their session filmed was open in some capacity, even the skeptics,” he shares. Henry says that he communicates what the client is meant to hear, not necessarily what they want to hear, and of course, that requires some tact.

Despite all of the celebrities he has had the opportunity to work with, if he had the chance to read anyone in the world, it would be the Dalai Lama. “To be able to connect to such an influential, and inspiring person would be an absolute honor,” he gushes.

Young Psychic Shares Relationship Advice

In his personal life, the medium admits that his gift doesn't cause too many relationship problems. "I'm one of the few people who can probably tell whether or not there's going to be a second date before the first one," he says with a laugh. When it comes to his celebrity crush, he admits, "Ezra Miller, hands down!"

The greatest piece of relationship advice he has to offer is for those with a significant other on the other side: "Honor their legacy by having new and exciting experiences and look for the signs they will give to show they are still with you," he explains. "They also want you to be open to new relationships and love."

The heartache of losing a significant other is unimaginable, and the pain of losing a child is even harder for people to accept. Henry has these words for grieving parents: "Children are met by loved ones on the other side and are helped in their transition with ease," he says. "Every child that I've ever brought through has acknowledged being at peace with God."

What many people don't know is that the celebrity clairvoyant had a near-death experience of his own. "In February 2014, I suffered brain swelling due to water on the brain caused by a brain cyst," he reveals. He had emergency brain surgery and was in the intensive care unit for days. "It was life-changing for me – nothing quite grounds you like a near-death experience," he shares in our celebrity interview. "It showed me what really matters and just how fragile life in this realm can be."

As for what's next for Henry, he plans to continue doing

readings and even has a book in the works. He would love to travel and tour the world. "I have so many causes that I hope to be able to bring light to, particularly in grief awareness and support for parents who experience the loss of a child," he says. "I am so thankful to be able to share my gift with the world and help aid in the grief process, one reading at a time."
