Celebrity Couples That Have Bounced Back After Cheating

By Jennifer Harrington and Laura Seaman

For those who follow celebrity news, cheating in Hollywood is hardly a surprise. What is often more interesting are the couples that, despite the spotlight and scrutiny, manage to stick together through a cheating scandal. So Cupid took a look at a few high-profile lovebirds who have weathered the storm of infidelity to see what lessons about moving on can be learned from the A-listers.

1. Josh Duhamel and Fergie: This couple met back in 2004, became engaged in 2007, and were married in 2009. Soon after they became man and wife, though, a stripper accused the actor of cheating. This didn't seem to upset the Black Eyed Peas singer, as she stayed with him through it all. In 2012, Duhamel addressed the rumors and said, "When you go through difficult times, it really makes you stronger as a unit, as a partnership. It does for us, anyways. Our love today is a deeper love, definitely." In 2013, they welcomed their baby boy Axl Jack Duhamel. What didn't kill this relationship made it stronger, and these two are as happy as ever.

2. Kobe and Vanessa Bryant: Hotel worker Katelyn Faber accused the basketball star of sexual assault back in 2003. While Bryant did admit that he slept with the Faber and cheated on his wife, he denied that it was assault. Through the trial and all of the press, Bryant's wife stayed by his side. The two are still together and are now raising their two daughters, Natalia and Gianna. In fact, they were recently spotted on a family vacation in Greece.

3. David Borneaz and Jaime Bergman: The *Bones* actor and his former Playboy Playmate wife have been married since 2001, but in 2010, he admitted to the public that he cheated on a then-pregnant Bergman. The other woman in the picture is no stranger to scandal: Rachel Uchitel was also a mistress of Tiger Woods. Later, to make matters worse, explicit texts between the two were leaked to the media. Soon after, the actor commented, saying of him and his wife: "We're working on repairing what has been damaged so badly." He now says that the entire affair was a type of bonding experience for the couple and that they are closer because of it.

4. David and Victoria Beckham: The soccer star was hit with a cheating accusation back in 2010 by *In Touch Weekly*, who published a piece stating that he had cheated on his wife with a call girl named Irma Nici. Beckham sued the magazine, and the suit was dropped. Beckham's rep released a statement saying the allegations were "completely untrue and totally ridiculous, as the magazine was told before publication." This past July, the couple, who has four children, celebrated 15 years of marriage.

5. Scott Disick and Kourtney Kardashian: This reality couple has faced allegations of unfaithfulness throughout the course

of their seven-year relationship. In 2011, rumors swirled that Disick and fellow reality star Kristin Cavallari were having an affair. Cavallari denied the rumors and speculated that they were initiated to spark interest before the premiere of a new season of *Keeping Up With the Kardashians*. With Kardashian pregnant with their third child, it sounds like all has been forgiven!

Ultimately, cheating should be avoided, and it's never a desired ingredient in any romance. But, unfortunately, it does happen. The examples from these high-profile couples proved that with time, forgiveness, and family support, it's sometimes possible to mend a relationship broken by unfaithfulness.

Kobe Bryant Relocates to a Resort Post-Split

When Kobe Bryant was forced to leave wife Vanessa after [cheating](#) allegations, he didn't have to go very far. The NBA basketball star found a private villa located on the Newport coast of Southern California. The resort that Bryant is staying at has 24/7 housekeeping and butler service. However despite these services for \$800 a night, Bryant has apparently elected to take advantage of the laundry unit located in the private garage provided to him, as he was spotted doing just that, according to [RadarOnline](#). Don't misinterpret that move, thought, because Bryant is still living the life of the rich and the famous after his impending divorce. According to sources, he has his \$400,000 Lamborghini parked outside his villa.

How do you decide where to go after a sudden split with a live-in partner?

Cupid's Advice:

When you make a decision to separate from a live-in partner, it can come with all sorts of consequences, one of which is where to go after the split. Cupid has some tips:

1. Assess current living arrangements: If you're currently paying the rent and are responsible for the lease, then it's obvious that your partner should be the one to leave and find new living arrangements. If the reverse is true, you'll need to relocate.

2. Friends and family: If you have to find somewhere to go after a sudden split, often the best case is to live with a family member or friend until you have more permanent living arrangements figured out.

3. Temporary living quarters: If you have the means, you can live in a resort or hotel like Kobe Bryant decided to do after his breakup. Of course, if you don't have quite the same level of income as Bryant, you might have to live without room service.
