By Nicole Maher

In the latest [celebrity news](#), Vanessa Hudgens revealed what she wants in the ideal partner following her [celebrity break-up](#) with Austin Butler. According to *UsMagazine.com*, Hudgens is open to dating someone whether they are in the public eye or not. Hudgens and Butler separated in January of this year after dating for nearly nine years. Since their break-up, Hudgens has revealed that she has not been dating amid the coronavirus pandemic and her busy acting schedule.

In celebrity news, Vanessa Hudgens is reevaluating what she looks for in a partner after her split from Austin Butler. What are some ways to learn from a break-up?

Cupid's Advice:

Although challenging, break-ups provide a great opportunity for learning lessons from a past relationship, as well as determining what you want out of future relationships. If you are looking for some ways to learn from a break-up, Cupid has some advice for you:

1. Set priorities: Break-ups provide a great time to reestablish your priorities and expectations about what you want in a future relationship. While you likely had an idea of your priorities before you even started dating, going through an unsuccessful relationship can reveal what you truly need from a partner to make things work. Take this time to update your priorities so that you know what is a must-have the next time around.

2. Establish deal-breakers: Deciding on deal-breakers is just as important as setting priorities. A person can have all of the characteristics you favor, but if they have a major lifestyle habit that you disagree with, it can cause conflict in the future. Deal breakers also don't have to be "negative" attributes about the person, but can simply be factors like distance and the type of relationship you are both looking for.

3. Consider external factors: When we're in a relationship, we sometimes tend to put that aspect of your life above others. Break-ups are a great time to look at other aspects of your life and decide if you'd like to spend some time improving them as well. By working to better yourself professionally or mentally between partners, you will enter your next relationship with a more solid foundation and be ready to put in all the necessary effort.

Fashion Trend: The Modern Hippy

By Megan McIntosh

It looks like the 60s are making a comeback. Flower power and flowy dresses are in for the Spring and Summer seasons. Stars with great celebrity style like Zoe Kravitz and Vanessa Hudgens have been rocking that bohemian look for a while now, but it looks like the modern hippie [fashion trend](#) is here to stay.

There's something to be said for being boho-chic while rocking handmade fashions with a celebrity flair. The modern hippie fashion trend is one with decades of creativity and it's making a comeback.

There are a few ways to start rocking that modern hippie look,

you can start subtle or go all out. There's really no wrong way to dress like a free spirit with this fashion look. We have some tips:

1. Embrace the flowers: Whether it's a flowy shirt or a long, loose dress, it'll pair well with some flowers in the hair. The modern hippie look has comfort with nature combined. Anything loose, but flattering with a helping of florals is sure to fit Spring or Summer and the modern hippie fashion trend.

By [Rachel Sparks](#)

Our hair is coming out of its perpetual bun and our we're dredging our skin of dead layers and thick moisturizers. Duff use to boast about their hot celebrity bodies! Before you know it, you'll feel confident enough to walk out in the latest [celebrity styles](#).

Brew hibiscus, ginger, willow, dandelion, and high mallow in water.

The classic apple cider vinegar drink recipe typically contains apple cider vinegar, lemon juice, water, cinnamon, and cayenne pepper.

3. Ayurvedic tea: If you don't know what Ayurvedic means, you're not alone. An ancient form of Indian medicine falls under this name, but the term is often used for referring to natural remedies. Bathing suits can be a tricky item to shop for, regardless of your body type. With all the different styles, cuts and colors, it can feel nearly impossible to hunt down the perfect bathing suit for those days you'll be lounging by the pool. High waisted bathing suits are a style that have been popularized over the past few years. Fashion Advice: Red Carpet Looks You Can Rock at the Office

By [Melissa Lee](#)

Celebrities seem to look like they're *always* wearing the most stylish pieces. For those of us that tend to look to the stars for fashion inspiration, it may be a little hard to find work appropriate outfits when we're influenced by the red carpet. If you're trying to maintain a balance between fashionable and professional, use your favorite celebs for outfit ideas to uphold that "office chic" vibe.

If you're in need of some fashion advice, Cupid's here to save the day with some red carpet looks you can rock at the office!

1. Wide-legged trousers: Hailing from the '70s, these kinds of pants are making a comeback – especially in the office. Stars like Alessandra Ambrosio and Vanessa Hudgens have been seen rocking wide-legged trousers, making them totally celeb-

approved. Pair these pants with a tucked-in blouse or button down and you'll look both stylish and professional when walking around the office.

Rock a pencil skirt by tucking in a flowey button down and you'll be good to go for the day!

In a recent interview with Wonderwall, newlywed Ashley Tisdale gushes about the love she shares with husband Christopher French. The actress says she just knew that it was right and that he inspires her every day. The rocker's loyalty is second-to-none, a quality that Tisdale highly regards in her [celebrity marriage](#). The *High School Musical* star also dishes on how she and former *HSM* co-stars have kept in touch over the years, raving especially about her friendship with Vanessa Hudgens. Read on for the details from her adorable celebrity interview!

Ashley Tisdale Opens Up About Her

Celebrity Marriage

WW: Did falling for your husband open your eyes to a new kind of romance or love story?

AT: “Definitely! Obviously! He definitely inspires me, for sure. It’s one of those moments where, in the past, everything else was just kind of forced or not right. Then, finally, when you are in the one that’s The One, you are like, ‘Oh, wow! This is how this is supposed to be.’ So it’s natural and nice. It’s one of those moments that you just know.”

WW: How does he inspire you in your celebrity marriage?

AT: “He inspires me in so many different ways, just to be a better person. I never really had someone guy-wise who was a loyal person, so it’s really nice to have someone be as loyal ... I hold loyalty and respect really high. So it’s like ‘Oh, there’s someone who is giving back as much as I’m giving.’”

WW: What is your idea of a romantic encounter?

AT: “I think it’s that first connection. You just feel it. It’s an exciting time, I think. It’s the first spark where you go, ‘Oh my God, this is so great.’ I definitely can relate to that moment for sure. You always remember it too, that moment.”

WW: What’s your idea of a romantic evening?

AT: “For the first couple of dates, I’m definitely someone who likes to be more casual. When it’s super romantic, it’s a little bit of pressure, and you’re like ‘Oh my God, this is nerve-racking.’ I’m one of those girls that you can just take to dinner and not have to romance completely. I’m someone who likes the idea, but I’d rather go to a cool restaurant that’s

not so dark. For me, romance is the smaller things. I'm definitely someone who is adventurous and spunky."

WW: Are you a hopeless romantic?

AT: "Yeah! I definitely am. I'm someone who loves romantic comedies: *My Best Friend's Wedding*, *Just Married*, and *How to Lose a Guy in 10 Days*. And I listen to Taylor Swift's music all of the time."

Celebrity Interview with Ashley Tisdale

WW: You recently had a *High School Musical* reunion. How was that?

AT: “Monique [Coleman] does this charity where she was giving away a dinner with the cast. So there was a winner a couple of months ago, and she was finally able to get us in one area to do it. It was the best time. We were just talking about anything and everything. [The winner] was so a part of it because we hadn’t seen each other in so long. It’s been years since we’ve been all together like that.”

WW: You and *High School Musical* co-star Vanessa Hudgens have really stayed close over the years. How has your relationship grown?

AT: “We will always have this connection of something we’ve been through together. Over the years, though, she’s really grown up and is such a beautiful person. It’s nice to grow together and lean on each other in moments that we’ve needed it. It doesn’t matter how busy we both are; if I pick up the phone and call her, she’s always there. So to have that kind of friendship has been awesome.”

Do's and Don'ts of Flirt texting and Sexting

By Olivia Baniuszewicz and Debra Goldstein

We were eating dinner the other night with our best guy friend, and the topic turned to sexting. Not too soon after, he handed us his cell phone to show us close to a hundred naked photos of different girls. Can you believe he actually created a folder on his phone to archive them because there were so many? Sigh. Anyways, all of these girls sent him photos for one reason and one reason alone ...because he asked. He didn't think twice about showing them to us nor is he shy about sharing them with his boys.

Ladies, we don't particularly want to see your privates on our friend's phone, in the news (yes, you Andrew Weiner, Blake

Lively, Vanessa Hudgens...) or anywhere else for that matter. We thought a nice refresher on some do's and don'ts of sexting may be just what we all need to keep our privates, well, private.

What is Flirtexting?

Flirtexting is what you do in the beginning stages of a relationship to build a connection.

What is Sexting?

Sexting is sending suggestive flirtexts that are bold and blunt and used to spice up an existing relationship.

Do's:

- Sexts should be used by mature adults in a committed relationship to avoid risky backlash
- Stay classy by sending simple sexts telling him what you want to do when you see him later, or what you plan on wearing
- Use the casual and safe environment of text to forgo shyness by sexting to reveal your fantasies
- Spark fire in a long distance relationship with an exciting bedtime sext
- Send a flirtext to spice up an existing relationship during work
- Less is more, send sexy photos of new lingerie or a picture of your legs to get him aroused

Don'ts:

- Never include your face in a naked photo text.
- Avoid your kids seeing these photos by deleting them immediately from your phone after sending them.
- Don't reveal everything in a text message exchange, leave him wanting more.
- Stay away from racy photos unless you're in a serious relationship to avoid unwanted leaks and criticism.

You Should Know:

- Guys have said that they will often test girls by sending them a sext to see how they will respond.
- Nothing is going to happen if you refuse to take it all off for a sext, except for maybe gaining more respect from the person asking you for it.
- Unlike phone sex, you don't need to be anywhere private to send a sexy text.

Flirtexting: How to Text Your Way into his Heart *is a dating guide that spells out the rules, the guidelines and the do's and don'ts of the dating phenomenon of flirting over text message. "We date, therefore we text," was Debra Goldstein and Olivia Baniuszewicz's motto and inspiration for writing Flirtexting. Once guys stopped calling and started courting them over text, they decided to equip themselves, their friends, and the greater cell carrying public, with the tools to cleverly respond to get what they want. www.flirtexting.com*

Beastly featuring Vanessa Hudgens, Alex Pettyfer and Mary-Kate Olsen

Beastly, a modern day depiction of *Beauty and the Beast*, tells the tale of Kyle Kingson (Alex Pettyfer), the ideal handsome high school student who has anything he could ever want. His only downfall is his love for picking on those inferior to him. Things take a turn for the worse after Kyle ditches a goth girl (Mary-Kate Olsen), who casts a spell and transforms Kyle into a hideous creature. The spell can only be broken if he can find someone who's able to love him for his inner qualities. Kyle's father (Peter Krause) isn't one who can do this, sending Kyle off to live in Brooklyn where he vows to protect a local addict if he lets his beautiful daughter (Vanessa Hudgens) live with Kyle. Over the course of the film, this couple forms a deep relationship unlike anything Kyle had in high school.

How important is physical attraction in a relationship?

Cupid's Advice:

Sure, good looks draw attention, but how far does that really

go? Cupid has a few things to consider and other important traits to look for when finding a long-term mate:

1. Old age: As gruesome as it sounds, everyone gets old, and looks will fade in time. Dating based entirely on physical attraction probably isn't the best idea.

2. Carrying conversations: Probably the best long-term commitment is one where you and your partner are able to sit down and talk for hours about anything ranging from current events to your deepest feelings. Once looks are gone, the only thing left is your ability to communicate.

3. Moral character: You may get along with someone on the surface, but if you're not on the same page morally, your relationship may be doomed. The longer you're in a relationship, the more moral character plays an important part.

How long do you wait before moving on after a split?

Cupid's Advice:

Mourning is important after a breakup, but try to keep it to a minimum. Life is short. Don't waste it being sad over someone who probably wasn't worth it in the first place:

- 1. Instant gratification:** If you are one of those rare people who can get over a breakup immediately, the more power to you.
- 2. Waiting too long is unhealthy:** If a month has gone by and you still haven't gotten over your ex, you may want to consider seeking professional help.

3. Give it a week: If you need to give yourself a week to get yourself together, go for it. However, when your time is up, there are no extensions.

How quickly should you move on after a break-up?

Cupid’s Advice:

After a relationship ends, when is it healthy to start dating again? Everybody’s different, but Cupid has some tips on how to know when you’re ready:

- 1. Take time to recuperate:** Don’t start dating again after a breakup until you’ve had enough time to properly heal. If you don’t, you’ll end up in an unhealthy rebound relationship.
- 2. Do it for yourself:** Make sure you’re not jumping into a new relationship just to make your ex jealous. It’s unfair to your new partner and to yourself.
- 3. Don’t rush:** Take things slow with your new boyfriend or girlfriend. Think about what went wrong in your last relationship, and try not to make the same mistakes.

How can you hang out with an ex after a public breakup?

Cupid’s Advice:

When you and your ex make your breakup public, any contact you have from then on becomes the talk of the day. If you had a public breakup but want to continue to hang out, Cupid has some tips:

1. Be honest: If you don’t want the rumors to start, be up front. The best way to avoid talk is to tell your friends

honestly that you and your ex are starting to hang out again, and it's nothing more than that. The more you tell them, the less they have to make up.

2. Stay out of the limelight: For some people, it's easier to go with the low key approach and risk the rumors than to face their friends. If telling those close is too much pressure, keep it to yourself as long as possible.

3. Return to spotlight: The best way to start fresh with your ex is to make your make-up just as public as your breakup. Invite your friends when you hang out with your ex. That way you can avoid the stress of secrets and put all rumors to a halt.

When asked about her current relationship with Efron, the young actress told [People](#), "We're good." **How do you stay on good terms with your ex-partner?**

Cupid's Advice:

Staying friends with your ex after a breakup can be awkward, but it's much healthier (and easier to move on) if the two of you can remain on good terms. Here are a few tips to help continue a friendship:

1. Don't rush: It's best not to strike up a friendship immediately after your break up. Give each other some time and space. Start to rekindle your relationship after you've both had time to heal.

2. Date other people: Try dating around for a bit, even if it's nothing serious. This will help you avoid the temptation

to get back together with your ex-partner. If you wish to remain close, make sure you keep it strictly platonic.

3. Avoid talking about the breakup: Never bring up the past or your breakup with your ex. This conversation will only bring pain and possibly anger. It will strain your new friendship. Keep your conversations focused on the present and future.

Zac Efron and Vanessa Hudgens Split

Just like the end of the *High School Musical* saga, so ends the famous relationship that grew from it. After three years and

multiple duets, Zac Efron and Vanessa Hudgens are calling it quits, according to [Us Weekly](#). A source explains, saying, "They have been together for so long. It just ran its course. They are still talking and still friends. There's no drama. No one cheated. They just grew up." Some good things really do come to an end.

How do you tell when a relationship's run its course?

Cupid's Advice:

Sometimes, no matter how much you work at it, you can't make a relationship work. Here's how to tell when it's time to call it quits and move on:

- 1. The butterflies are gone:** If you never get excited to see your partner anymore, even after you've been apart for long period of time, it may be time to move on.
- 2. You don't have anything to talk about:** If you find yourself searching for things to talk about or feel like the two of you have nothing in common anymore, then you may have outgrown each other.
- 3. You can visualize a future without him:** If you can look ahead at your life and it doesn't include your current partner, it's probably a sign that it's just not meant to be.

Zac Efron's Night Out at the Strip Club

Actor Zac Efron spent a guy's night out at a local strip club in New York City, [People](#) reported last week. The *High School Musical* star told Jimmy Kimmel that the experience didn't live up to his expectations. "So I envisioned myself on a nice couch, stunna shades, with like T-Pain and Usher, you know, making it rain money," he said on the show. "And it just wasn't like that." But don't worry: before heading out, the 22-year-old called girlfriend Vanessa Hudgens to ask for permission.

What are some possible responses you can give your boyfriend if he asks permission to go to a strip club?

Cupid's Advice:

Even Efron agrees that there is no way to ask the strip club question without a mutual feeling of awkwardness. Let Cupid give you some pointers on dealing with this uncomfortable question:

1. Yes: This is probably the easiest answer. If he's asking for permission, it may benefit you to assume his intentions aren't bad, or that he is at least willing to admit to his bad intentions.

2. Yes, and honey... I love you: This answer may be the smartest answer. Just because he wants to indulge in this activity doesn't mean he loves you any less. The "I love you" at the end will hopefully keep you on his mind all night.

3. No: If no is your answer, you may be argued with. If you feel this answer is necessary to keep your dignity in tact, don't give in to his request.

Zac Efron in No Rush to Wed

Looks like slow and steady might just win the race after all! The *Charlie St. Cloud* star, Zac Efron, recently confessed in an interview with [Extra TV](#) that he wants to wait before heading to the alter. The 22-year-old and his girlfriend, Disney star Vanessa Hudgens, 21, have been going strong for almost 5 years since the couple first met while filming the hit movie franchise *High School Musical*. Efron added, "I think I've always said I'm not gonna get married 'til I'm 30. I'm gonna wait. I wouldn't want that kind of commitment or pressure at this point."

How do you know if you're ready to settle down?

Cupid's Advice:

Some decisions are life altering. When comes time to make them, you don't want to make a mistake. Cupid can help make sure you're on the right path.

1. Foundation: Make sure it's love, not lust. If you can stand all of your partner's weirdest quirks, and handle them at their lowest, then it might be worth giving a chance. The

marriage doctors, Mr. and Mrs. Schmitz say, "...the simple truth is, most all successful marriages that stand the test of time, begin with love."

2. Values: Don't let your partner dwindle your beliefs. If you can't come to a compromise on how you feel about important issues, like how to raise future children, or opinions about ethical situations, then maybe it's time to take a step back in the relationship.

3. Simple: "A successful marriage is an accumulation of doing the simple things," the Schmitz' add. Does he hold the door open for you, or let it close behind him and slam you in the face? Does she rush home to tell you about her great day at work, but won't pay attention when you talk about your day? Consider these actions – they speak louder than words.
