

Zimbio's Top 10 Sizzling Celebrity Couples

When it comes to celebrity couples, everyone wants to know which ones are hot and which ones simply don't make the cut. Zimbio came up with a list of their 100 Hottest Celebrity Couples. Celebs were rated on their levels of success, attractiveness, popularity and staying power. The total of the scores in the four categories determined each couple's rank on the list. Although one of the couples has since split, the other nine are still happily together – as of now. Let's take a look at how hot Zimbio's top 10 list is:

1. Angelina Jolie and Brad Pitt: Who other than “Brangelina” should get the number one spot? Jolie and Pitt's names have

graced headlines ever since word got out that they were an item. On success, Zimbio said, "These two command the box office," and their attractiveness and popularity are self-explanatory. As far as staying power, Zimbio believes they have more reasons to stay together than the average celebrity couple.

2. Beyonce and Jay-Z: *Parade* magazine reported that this couple racked up a total of \$162 million this year, proving their obvious success. Also, this couple keeps their relationship strictly between them, giving their relationship longevity.

3. David and Victoria Beckham: Their attractiveness ranked a scorching 19 on the scale of one to 20. Posh Spice remains a feisty diva who has perfected her fashion tip, and the soccer player has always been noted for his good looks. Though rumors have circulated about the couple having affairs, they are still holding strong, 12 years later.

4. Gisele Bundchen and Tom Brady: There's no need to speak on success, as Brady is one of the hottest names in the NFL and the former Victoria's Secret angel continues to land many cosmetic endorsements. This is a first marriage for this seemingly ageless couple – one that will hopefully last!

5. Faith Hill and Tom McGraw: Though Zimbio doesn't think this couple is too hot, success sums them up in a nutshell. Hill had 1.2 million Google searches last month, and McGraw's 2.25 million was enough to put them in the top tier of most popular couples, according to the site. We predict that this couple will continue their happily ever after, as their staying power ranks 20 out of 20.

6. Will Smith and Jada Pinkett: You should have known this hot Hollywood couple was coming! Smith and Pinkett are the epitome of the sweet, down-to-earth duo everyone loves. They have both spoken out about divorce before, and simply put, it

won't happen.

7. Jessica Biel and Justin Timberlake: Although this couple gained a spot in the top 10 list, the fire to their flame has been blown out. However, the former pair ranked 19 out of 20 for both popularity and attractiveness.

8. Gwen Stefani and Gavin Rossdale: While they aren't as successful as the others, this musical couple ranks high in attractiveness. Though Stefani used to date No Doubt band mate Tony Kanal, there's "no doubt" she and Rossdale are a match made in heaven.

9. Johnny Depp and Vanessa Paradis: According to Zimbio, "Johnny Depp became the highest-paid actor for a single role in the history of film" after shooting *Pirates of the Caribbean: Dead Man's Chest*. If that's not success, we don't know what is! These dark-haired lookers have an unpredictable staying power and didn't rank high in popularity, but made the top 10. Kudos!

10. Heidi Klum and Seal: Seal's album *Soul* ranked number one on the French album charts for 13 weeks straight last year, and Klum's 2010 income was said to be \$14 million, according to *Forbes* Celebrity 100. Though Seal has a rare condition called discoid lupus erythematosus that caused the scars on his face, Klum, the bombshell Victoria's Secret model, only noticed his flawless personality.

This Top 10 list is just a small portion of what's on Zimbio's Top 100 menu; if you can't take the heat, stay out of the kitchen. For the rest of the list, visit Zimbio.com.

Eva Longoria Throws Victoria Beckham A-List Baby Shower

Eva Longoria is apparently a master party-planner. Longoria and Ken Paves threw designer Victoria Beckham an 'all things pink' baby shower on Saturday, reports UsMagazine.com. The bash was held at West Hollywood's Petit L'Ermitage hotel. At the hotel, Beckham, who is expecting her first girl (she is already mother to three boys with husband and pro soccer player, David Beckham), was awarded pink baby gifts from A-list guests like Demi Moore, Selma Blair and Nicole Richie.

What are some 'out of the box' baby shower theme ideas?

Cupid's Advice:

It's understandable to want to make your pregnancy as enjoyable and as memorable as possible. Here are a few creative baby shower ideas that are sure to be a blast:

1. Contest: All babies have that one favorite toy. Turn your baby shower into a competition; tell your guests to bring the one toy that will end up being your child's favorite. Once the baby is born, your friends will have a great time laughing over the toys that your child accepted and rejected.

2. Gender specific: Take a page out of Victoria Beckham's book and throw a baby shower that is gender specific. If you're expecting a girl, have a princess or pink-themed party. If you're expecting a boy, try a sports or blue-themed party.

3. Double take: If you're expecting twins, throw a shower that plays around the idea of duos. Give your guests two glasses of champagne, feed them two identical finger sandwiches, etc.

ozel tov; it's a girl! According to [People](#), David and Victoria Beckham announced Friday that their fourth child will be female. "We're still in shock. How do you break the news of a baby to your other kids?

Cupid's Advice:

1. Have a game plan: It's best to plan in advance what you will tell your kids when it's time to break the news. Let them know that things will change drastically when their new sibling arrives. Also, be prepared to answer the tough questions they'll ask such as, "Where do babies come from?"

2. Be honest: Lying to your kids is just wrong, especially in this scenario. It's best to let them deal with it for as long

as possible before the big day arrives.

3. Tell them you'll still love them: What's most important is to tell your children that you will love them just as much as before even though they won't be the only one in the spotlight anymore.

The Beckhams Are Expecting Baby Number Four!

How can you prepare your already-full household?

Cupid's Advice:

When it comes to family, the phrase, "the more the merrier," often applies. Cupid has some tips to live by when your full house gets even more full:

- 1. Make room:** It may be time to start interviewing contractors to expand your living space. The bigger your family grows, the more space you're going to need.
- 2. Show some love:** As you wait for your family to expand, you should show the family you already have how much you care about them, especially if you have young children who may not understand what is going on.
- 3. Avoid stress:** Growing your family can be busy and stressful. No matter how hard it may seem, make it a priority to make time for yourself.

David & Victoria Beckham

Argue on 'Ellen'

According to [People](#), all-star couple David and Victoria Beckham got in their first fight in 11 years this week on *The Ellen DeGeneres Show*. Apparently, the two have very different ideas about housekeeping. They both seem to think the other is the messy one. Is it ever a good idea to fight with your partner in public?

Cupid's Advice:

Though disagreeing about daily chores is hardly a public brawl, fighting in public is never part of a healthy relationship:

1. Unwanted attention: Though you may feel strongly about your end of the argument, fighting in public can be embarrassing for both you and your partner. Wait until you can discuss things in private before you vent. It'll also give you some more time to think.

2. Overhearing: When you fight in public, people around you inevitably overhear. Often times you're having a heated discussion about topics that aren't necessarily meant to go public – personal issues. If you don't want the whole world knowing intimate details about your relationship, refrain from duking it out in a public arena.

3. Trouble: In extreme cases, you might be deemed a “trouble customer” if your fight originates in a place of business. The last thing you need is that type of reputation at your location grocery store. Think about the consequences of your public dispute before you engage in one.

David Beckham Fires Back at Tabloid for Prostitute Accusations

S

occer pro David Beckham has proven that actions speak louder than words after he officially denied prostitute accusations by suing the tabloid that published them. [PopEater](#) reports that Beckham is suing *In Touch Weekly* for featuring quotes from former call girl Irma Nici suggesting that the two slept together in 2007. If you're falsely accused of cheating, what do you do?

Cupid's Advice:

Sometimes someone close to you might hear or see something that gives them the wrong idea about your faithfulness. Cupid has some tips on how to clear up the situation:

1. Ask why: If someone started a rumor, talk to that person one-on-one to find out why. They might just be angry about something, and talking to them will help clear the air and

stop them from spreading more false rumors.

2. Reassure him: If you can, get your supposed cheating partner to tell your partner that the accusations are false. When he gets reassurance from both you and the other person involved, he'll be more likely to believe that nothing is going on.

3. Show proof: There's nothing like cold, hard evidence to prove you're telling the truth. If the rumors say you went out with your mystery boy on Friday night, but you were with your best friend the whole time, the piece of gossip is officially dead.
