5 Valentine's Day Celebrity Engagements

By Maria Darbenzio and Molly Jacob

Valentine's Day is the holiday of relationships and love, so what better way to celebrate than getting down on one knee, popping open the ring box, and asking your partner to spend a lifetime with you? While some may find proposing on VDay to be cheesy, these celebrity couples do not agree.

Check out these five Valentine's Day celebrity engagements:

1. Christina Aguilera and Matthew Rutler: On Valentine's Day last year, the singer revealed her celebrity engagement to her film producer boyfriend by tweeting a photo of a massive diamond on her left hand. This celebrity couple met on the set of *Burlesque* in 2010, as she was going through a divorce from Jordan Bratman (a divorce that, ironically enough, was

finalized on Valentine's Day in 2011). Looks like Rutler "Ain't No Other Man" in Aguilera's eyes!

2. Dave Annable and Odette Yustman: In 2010, Annable, most known for his role on *Brothers and Sisters*, proposed to his co-star girlfriend of two years. He proposed at the place they first fell in love and had their parents waiting for them at the hotel restaurant. The actress was surprised by the proposal and excited that she got to share it immediately with her parents and future in-laws. This celebrity engagement did not last long – the twosome got married eight months later!

3. Vince Vaughn and Kyla Weber: For this couple, the engagement had been discussed months before it actually happened. Little did Weber know, her comedian boyfriend did not want to pass up the opportunity of proposing on Valentine's Day. Not only was it a romantic holiday, but it was also a date that he said he would always remember. In 2009, Vaughn got down on one knee and proposed to the Canadian real estate agent. She said yes, and this celebrity couple is now married with two children.

According to the *Daily Mail*, Christina gives credit to LeNoble for saving her life after she had a double mastectomy in 2008. The celebrity couple wed three years later in February 2013.

This particular friendship, a bromance between Ronny (Vince Vaughn, *Wedding Crashers*) and Nick (Kevin James, *Hitched*) is stretched to the limit when Ronny catches Nick's wife, Geneva (Winona Ryder, *Black Swan*) with another man. Should Ronny

tell his BFF the truth of his wife's indiscretions, or keep his lips sealed and wait for Geneva to come clean on her own?

Packed with a star-studded cast, *The Dilemma* promises to bring bros closer than ever before in this year's winter rom-com.

Should you keep secrets from those you love?

Cupid's Advice:

It may be easier said than done when it comes to obeying the age-old rule that "honesty is the best policy," but nine times out of ten, it may be best to forge ahead and be upfront with the one you love:

1. Switch roles: Ask yourself how it would feel if your positions were switched. If you would want the truth no matter what, then your loved one deserves the same treatment.

It may be hard to get the words out, but you'll feel better once you do.

2. Avoid piling on the lies: Little white lies can come back to haunt you. One untruth can turn into another, which can then turn into an even bigger lie. Instead of trying to continuously cover your tracks, come clean from the beginning.

3. Look at the big picture: If you picture yourself with your partner for a long time, you owe it to him to keep secrets from ruining your relationship. A little fib isn't worth destroying your happiness.

Jennifer Aniston Voted Most Eligible Single Woman

The celebrity with the most scrutinized love life is also the world's most eligible bachelorette. Jennifer Aniston, who counts Brad Pitt, Vince Vaughn, and John Mayer among her exes, was voted the most eligible single woman in the world in a new *60 MINUTES/Vanity Fair* poll. [Us Weekly](#) reports that the 41-year-old actress earned 29 percent of the vote, ahead of Halle Berry (21 percent), Elin Nordegren (15 percent), and Betty White (11 percent), among others. Despite her history of failed relationships, Aniston doesn't want people to pity her. She told *Vogue*, "This whole 'Poor lonely Jen' thing, this idea that I'm so unlucky in love? I actually feel I've been unbelievably lucky in love... I'm right where I'm supposed to be."

Can being labeled as a “single” destroy your chance for romance?

Cupid's Advice:

Being known as an eternal single can actually be a hindrance to finding a serious relationship. Cupid has a few reasons why being sans boyfriend or girlfriend could keep you single:

1. Commitment-phobe: Male or female, when you bounce from one relationship to another without finding anything permanent, people might think you are afraid of commitment. If you're chronically single, you may also give the impression that you're a player and therefore unlikely to settle down.

2. Undesirable: While it can be fun to be single with no attachments, the opposite sex might think it's because there's something wrong with you. Even if that's not the case, people may jump to conclusions or tread with cautiousness if you're always riding solo.

3. Not serious: If you've never been in a serious relationship, it may send a message that you lack emotional maturity. Someone looking for a serious partner may not want to put their heart out there if they feel that the other person isn't able to sustain a long-term relationship.
