Behind-the-Scenes Guys Who Became the Leading Man

By

Melissa Caballero

It's very common and predictable when co-stars and celebrities start dating each other. They meet on the set of their new hit films and attend the same award ceremonies. They surround each other on a regular basis so why wouldn't they find another who they are interested in? I mean, who else are they going to meet and date? Then you hear news like the fact that Natalie Portman was engaged and pregnant, and you think, "But with

who? How could that be?" Well, it turns out you don't have to be an A-lister to date one.

Here are five of your favorite female celebrities who found love with behind-the-scenes guys:

1. Natalie Portman and Benjamin Millepied: Portman and Millepied met during the filming of the *Black Swan*. Sure enough, Millepied served as choreographer for the film and was blown away by Natalie's talent and grace on the dance floor. Millepied is a principal dancer in the NYC ballet and is now this ballerina's Cavalier.

2. Jennifer Lopez and Casper Smart: After working together for some time, their professional dancing relationship turned a bit more personal. Lopez and Smart connected only a short time after her split with Marc Anthony, but they seem to be getting along better than ever. It is obvious that there's a lot of love and attraction between the two – and boy does she deserve it!

3. Julia Roberts and Danny Moder: Roberts met Moder while filming the movie, *The Mexican* in 2001 – he was the cameraman! While he may not have been her leading man in the film, Roberts said after meeting him that she was "born to love and be the wife of this man." Ten years later, this notion still proves true and they have three beautiful children together.

4. Whitney Port and Tim Rosenman. We first met Whitney on *The Hills*, where she worked side-by-side with Lauren Conrad in the fashion biz, and then we followed her to the Big Apple where she starred in her own reality show, *The City*. Whitney then

announced that she was dating *The City's* Associate Producer, Tim Rosenman. While the show is no longer on the air, it was a still a success for Port's love life.

5. Kandi Burruss and Todd Tucker: We heard of the news that *Real Housewives' of Atlanta* star Kandi Burruss was dating one of the show's cameramen during last year's reunion show, and it was all thanks to her cast-mate Phaedra Parks for encouraging him to pursue Kandi. I guess Phaedra knew best, because rumor has it that the two have secretly engaged.

What are some quiet ways to announce your breakup to friends and family?

Cupid's Advice:

It is always acceptable to be private about your breakups. Here are some great ways to do so:

- 1. Wait to be asked:** One quiet way to announce a breakup is not to make a point to do it. However, if someone were to ask about your previous other half, it's time to spill the beans.
- 2. Change your relationship status on Facebook:** It's not appropriate to announce a breakup through a Facebook status update or a tweet. That said, changing your relationship status is not only something you would automatically do anyway after a breakup, but it's also a smart way to announce that you're single.
- 3. Tell only a few close friends:** Announcing that your relationship has ended doesn't have to be a huge announcement. If you tell only a few people, everyone is bound to find out eventually.
