According to [UsMagazine.com](#), Conrad joked with a reporter at a New York Fashion Week event, “Can’t you tell I’m pregnant right now? Her NYFW show even featured her friends Chrissy Teigen and Ashley Tisdale modeling her collection.

There won't be any celebrity babies from this couple anytime soon! What are some reasons to delay starting a family?

Cupid's Advice:

There are many reasons a couple would want to start a family, as well as there are lots of reasons for delaying to procreate. Whether you are trying to enjoy your time with your partner, are focused on a career or just don't have an ideal schedule to raise children – there are many reasons that delaying to start your family can be a good option. Cupid has some relationship advice:

1. Career: Striving to have a successful career is a great thing. It will benefit you and your family when you decide to start having children. It's good to be financially and emotionally ready to have babies. Working hard on your career takes up a lot of time. Achieve your goals and establish a steady career before you have a family and won't have as much time to devote to your job.

2. Focusing on your relationship: A relationship is a lot of work. Once you decide to start a family with your partner, you're not going to have as much one on one time together. Make sure that you get to enjoy the honeymoon stage of your relationship. Take the opportunity to spend quality time together, travel, and do whatever suits both of your interests. Once you start a family, you will still get time with your partner but it won't be as much, so indulge in their company now!

3. Schedule: Everybody has a crazy busy schedule in this modern age. When you start a family, the schedule becomes even more hectic. when you feel the time is right to start your family!

[babies](#) anytime soon! [Lauren Conrad](#) and William Tell celebrated their celebrity marriage in September 2014, and it looks like things are going extremely well. Conrad told [UsMagazine.com](#) that being married to Tell has been “wonderful.” She added, “I haven’t gotten any big surprises yet. It’s been wonderful so far.” Regarding having kids, she said, “No one is pushing. We’re still in the first year of marriage. We’re just enjoying it.”

Not every star is in a hurry to have celebrity babies! What are some reasons to wait to have children?

Cupid’s Advice:

Some people are really in a rush to have kids after they get married, and the more power to them! We aren’t all in that frame of mind, though, and there are plenty of reasons to hold off on having kids at first. Cupid has some insight:

1. Financial security: Before bringing a child into the world, you want to make sure you can provide for him or her. If you’re not where you want to be financially yet, then take some time to build up a foundation. Once you feel secure, consider adding to your family.

2. Solid relationship foundation: Sure, your relationship is secure enough to get married, but as they say, the first year of marriage can be tough. Make sure that you’ve made your marriage work before adding any undue stress to the relationship and love by having a kid. The last thing you want to happen is incessant fighting around your new baby.

3. Have fun: The most basic reason to wait a while before having children is to take some time for fun! Once you have a child, it's a definite lifestyle change. Where most people find it worth it, that doesn't mean you have to feel bad about waiting to start a family for a little while. Take some time to travel and enjoy your relationship, and have kids when you're ready.

5 Celebrity Couples Who Celebrate Valentine's Day in Style

By Brittany Stubbs and Molly Jacob

While flowers and chocolates are nice, in Hollywood, Valentine's Day is usually done a little different. Although there are many ways to show your love, check out how some of our favorite celebrity couples are doing it! Celebrity love is definitely in the air this season, and there's no better way to show it than with extravagant gestures. If you need some romance inspiration, check out the five famous couples below:

Celebrity Couples Who Celebrate the Day of Love in Style

1. Kim Kardashian and Kanye West: Kimye has gone overboard with V-Day celebrations in the past few years. Last Valentine's Day, Kim received 1,000 roses from Kanye, which she showed off on her Instagram account. West also has shown his love to Kardashian with some serious bling. In 2013, the rapper gave his sweetheart a \$73,000 bracelet from Cartier's Panthere Collection. The stunning bracelet featured a diamond-encrusted panther motif with emerald eyes and an onyx nose,

completed with a black cuff and a white-gold trim.

Although Kardashian loves her bling, she admits that Valentine's Day presents don't have to include a huge price tag to be special. In a interview with *Gotham*, Kardashian said, "Valentine's Day is all about showing the people around you how much you love them, so the gifts that come from the heart are always the most special. One year, Mason [Kourtney Kardashian's son] gave me the most adorable Valentine's Day card that he made himself, and it is still one of the best gifts I've ever received."

2. [Lauren Conrad](#) and William Tell: Conrad and Tell, one of our favorite celebrity love stories, will be celebrating their third anniversary this Valentine's Day. The celebrity couple were introduced to each other by mutual friends on the day of love in 2012 and have been lovey-dovey ever since. Last year, Conrad showed her love to her then-fiancé on Instagram by posting an adorable engagement photo with the caption, "Happy Anniversary to my favorite Valentine. I love you dearly xo." This is their first Valentine's Day as a married couple, so we're excited to see what this day of love and joy brings them!

3. Kate Middleton and Prince William: Valentine's Day isn't always about spending the time with your lover. In 2013, Kate Middleton and Prince William celebrated the day of love in style by doing something they love: helping others! The Duchess Of Cambridge visited Northolt High School, a London high school, and officially opened the school's ICAP Art Room after receiving a lovely floral arrangement. Middleton has been a patron of the art room since 2012. William spent Valentine's Day morning in Datchet, Berkshire with Prince Harry, delivering sandbags to communities affected by flooding

This wasn't the first Valentine's Day the royal couple has spent apart! In 2012, William was on a tour of duty in the Falklands during the 14th of February, but he still managed to send her a card and flowers despite his being 7,000 miles away.

4. Brad Pitt and [Angelina Jolie](#): This power couple has shown their celebrity love on Valentine's Day by celebrating with some laughter. In 2013, Pitt gave his lover vegan, gluten-free, sugar-free mints for Valentine's Day, a loving joke since he's always teasing Jolie that she has bad breath. Although he could easily buy her something fancy (which we assume he did along with the gag gift), this gift shows the couple's unique, playful side, which is always in style!

The couple doesn't always make a joke about the holiday, though! In 2010, Jolie gifted Pitt with a 200-year-old olive tree worth \$30,000. The tree was planted at their French home, the Chateau Miraval, where it joined an olive grove, vineyard, and more.

5. Jay-Z and Beyonce: Is anyone surprised that this "Drunk in Love" couple would celebrate the Day of Love in anything less than amazing style? Last Valentine's Day, Jay-Z bought his wife a \$2,300 Tacori bracelet. The bracelet's intertwined gold and silver design is said to represent their union, and it can only be unlocked by a private key. Jay-Z reportedly gave Bey her gift a few days earlier than the 14th because she was so eager to receive it.

Last year wasn't the only year the rapper surprised his wife with an extravagant gift. In 2009, Jay-Z bought Beyoncé a platinum cell phone worth \$24,000 for Valentine's Day. We can't wait to see how this superstar celebrity couple celebrates V-Day this year.

Your lovebird's birthday is coming up and you want to make it one of the best yet. How can you show your lover just how much you care and know them on their birthday? Cupid has some

advice on some ways to make your partner's birthday special:

1. Pick something specific to do: Whether you want to throw a party or go somewhere, narrow down exactly what you want to do, it will make things easier when planning. Try doing something your partner has always wanted to do, but never had a chance to do it yet, or pick and plan to do something that has to do with your lovers interest. Doing something your lovebird mentioned they wanted to do or enjoy doing, will show that you listen and pay attention to their needs and wants.

2. Do something unexpected: Want to make your significant others birthday truly memorable, try to do something surprising and unusual. Some of our most exciting days is when something unexpected happens. Doing something you don't do very often, such as taking your honey away on a specific destination, Paris or fishing, or bringing them breakfast in bed or cooking for them will surprise them in the best ways. Whatever you plan to do, keep it hush-hush, it will sweep your sweetheart away when you finally unmask your plans for them on their special day.

3. Celebrate them: Your better half birthday should be all about them and sometimes that means sacrificing your own needs and wants to make them happy. Let's say your lovebug likes doing something, but you don't, in fact you hate it with a fiery passion. Showcase how smitten you are by sacrificing one day to do something with you partner you normally wouldn't want to, it is not going to kill you. Besides nothing shows true love like doing something just because your soulmate loves it.

Former 'Hills' Star Lauren Conrad Is Engaged

By April Littleton

Lauren Conrad is finally getting her happily ever after! The former *Hills* star is set to marry law student William Tell. "I am very excited to share with you guys that William and I got engaged over the weekend," Conrad wrote on her blog Sunday. Her friends are just as excited for her walk down the aisle. "Everyone is so happy for her. He's such a great guy. They are perfect for each other!" a source told [People](#). The lovebirds began dating in 2012.

How do you know when you've met the person you're going to marry?

Cupid's Advice:

All relationships require dedication and hard work, but can an individual really tell if the person they're dating is "The One"? At the end of the day, the only person who knows the answer to that question is you, but there are a few signs that can help you make a decision. Cupid is here to help:

1. You have great communication: It's natural for a couple to fight from time to time, but it's how you resolve the conflict that matters. If you and your honey can manage to get through a fight without using any physical or verbal means, then you might be meant for each other. Getting into an argument while maintaining a level of respect for each other's space and boundaries will only strengthen your bond. The better the communication is between you and your partner, the better chances you have of creating a long-lasting relationship.

2. Your friends and family love your partner: If the people you love and trust the most approve of your special guy/girl, then there's a good chance that you and that person are in it for the long haul. Of course, sometimes family members tend to push you toward someone you have nothing in common with, so just be sure you're dating the person you're interested in spending your time with.

3. Same goals: Sharing the same life goals and interests are key aspects in maintaining a strong relationship. Think about your long-term goals. What type of career do you see yourself having? How many kids does your significant other want? Where would you two live together if things ever got serious? If you can come to an agreement on all of these questions, the life you plan on sharing with your honey will only be filled with happiness.

Lauren Conrad and William Tell Go Public With Their Relationship

Although they've been dating since Valentine's Day, UsMagazine.com reported that Lauren Conrad and William Tell were finally sighted together in public. Conrad, a fashion designer and the star of *The Hills*, and Tell, a law student at the University of South California and the former guitarist of

the band Something Corporate, got lunch together last Saturday in Brentwood, Los Angeles. Though Conrad broke up with actor Kyle Howard a year ago, she's hopeful that this new relationship will last. According to a source, Tell is "either deeply in love or he's on to the next thing. He's the kind of guy you marry."

How do you know when to make a relationship public?

Cupid's Advice:

Everyone gets excited in a new relationship, but rushing to reveal it to the world can put you and your partner's happiness at risk. Consider these points before making your relationship public:

1. Make sure you're serious: Don't tell everyone about your relationship until you're sure you want to remain committed to it. Waiting is better than making an announcement of something that you're not sure is going to last.

2. Consider the steps you've taken: If you've already been on several dates and told some of your closest friends, telling the world about your relationship might not be as difficult as you think. When you're already spending most of your free time with your partner, going public is a natural progression of the relationship.

3. Ask your partner: You shouldn't go public with your relationship if your [partner](#) isn't ready. Ask for his or her opinion before spreading the word to others. This will keep you from taking a step that could make your partner uncomfortable.
