By [Haley Lerner](#)

In [celebrity news](#), Wilmer Valderrama was spotted visiting [celebrity ex](#) Demi Lovato at the hospital, just one day after the singer's drug overdose. According to *EOnline.com*, Valderrama's car was seen entering Cedars-Sinai Medical Center in Los Angeles, where Lovato is receiving treatment. A source said that Valderrama stayed at the hospital for over two hours and said, "He was somber and quiet and you could tell he was in a very serious mood. He arrived and left by himself."

Lovato and Wilmer dated for almost six years until breaking up in 2016, but have remained on good terms. Valderrama is the first celebrity guest to visit Lovato in the hospital after she was rushed to the hospital by ambulances from her home in Hollywood Hills on July 24 after suffering an apparent overdose. Lovato's publicist confirmed the news in a statement, but refuted tabloid claims that the singer overdosed on heroin. "Demi is awake and with her family who want to express thanks to everyone for the love, prayers and support. Some of the information being reported is incorrect and they respectfully ask for privacy and not speculation as her health and recovery is the most important thing right now."

These celebrity exes still clearly hold love for one another. What are some ways to support your ex during a trying time?

Cupid's Advice:

In difficult times, sometimes the right thing to do is to be there for your ex. Cupid has some tips on how to support them:

1. Show up: Just like Valderrama did, sometimes the best thing you can do when your ex is struggling is to show up and be there for them. Just because you are no longer in a relationship doesn't mean you don't have to be supportive of them when they are going through something difficult. Just going to them to offer your support and presence is a huge help.

2. Keep it platonic: One thing to remember when supporting

your ex during a trying time is to not let things go too far and end up getting romantic. Your ex is going through a lot and a past relationship is easily something they can turn to for comfort, but you could end up getting hurt in the end if it doesn't work out. Make sure to support your ex only as a friend and make your boundaries clear.

3. Rally their friends: If you actually being around your ex might be too stressful for them, maybe try supporting your ex in a different way. If you still have mutual friends, contact them and let them know they should reach out to them. You can also try to organize a get together where you all can be there for him, without things being as awkward as meeting with just the two of you.

1. It's all on the table: If you're thinking about getting back together with an ex, the most important thing you must do is talk with each other. 2. You've forgiven: Forgiveness isn't easy, but it is possible! Contrary to popular belief, forgiveness does not weaken your character: it shows you have the strength to accept the past, look beyond the mistakes, and move on. These celebrity exes are either on good terms as friends or may be giving their relationship another try. What are some benefits to remaining friends with your ex?

Cupid's Advice:

Sometimes break-ups don't end badly, and in those times you may want to stay friends with your ex. Cupid has some advice on the benefits to staying friends with an ex:

1. They know you: If you guys end on a good note and stay cool with one another, then they can give you advice. The people we date get to know us in ways others don't. This comes in handy when it comes to your new relationship, because your ex can give you advice based on your past experiences and the fact that he indeed knows you in that way. Just make sure you are not dealing with a bitter or spiteful ex – you would not want to take the wrong advice.

2. You've got history: It's a shame to let all that history go to waste if you are both decent people that get along well after the break-up. Just because your romantic relationship didn't work out doesn't necessarily mean that a friendship

won't work. You never know – maybe you were not compatible as lovers, but you make great friends, and the history can make the friendly bond stronger.

3. You get closure: Becoming friends with an ex can be a path into getting over them, but only as long as you're both ready and willing to actually be friends. If you're friends, then you obviously should have let go of any resentment between the both of you. The past is in the past, and now you've got a friendship. You didn't have to lose a good person just because it didn't work out.

Celebrity Couple Predictions: Kendall Jenner, Nicki Minaj and Minka Kelly

By [Shoshi](#)

In the latest celebrity news, three famous couples have caught the public's attention, two of which are celebrity relationships that are just getting started, such as with Kendall Jenner and A\$AP Rocky, and former exes Minka Kelly and Wilmer Valderama. In terms of more serious relationships, one of Hollywood's most anticipated marriages involve rappers Nicki Minaj and Meek Mill. But who's stepping out this time around hand in hand? Join me as I look into the crystal ball of relationships and love. Below, I share my predictions

for these [celebrity couples](#).

Celebrity Couple Predictions: Celebrity Relationships That May or May Not Last

Kendall Jenner and A\$AP Rocky: I'm convinced that Kris Jenner had a secret meeting with the Kardashian/Jenner kids where she told them they could only date black people associated with rap music. It appears that Kendall Jenner is now following the family trend by allegedly dating rapper A\$AP Rocky. Jenner and Rocky been spotted having dinner together as they creep out during the late night hours. While they're doing the "date thing," don't call them boyfriend and girlfriend just yet. Jenner is taking it slow. She wants to enjoy herself. Basically, she is testing him out to see if he's worth her time. If Rocky wants Jenner to take him seriously, he is going to have to step it up. Kendall tends to be a little more "low key" and drama free with her relationships. She won't flaunt her love affair like Kylie or Kim. But only time will tell if they officially become a couple. Don't be surprised if Jenner is on mystery dates with someone else.

Nicki Minaj and Meek Mill: Everyone seems to be wondering when Nicki Minaj and Meek Mill will walk down the aisle. That wedding may be getting closer. The celebrity couple just moved in together in fancy crib in Beverly Hills. In April, Minaj said she was single on the Ellen Show, so this move is a big step. Minaj looks all the way into the relationship, but there is something about Mill that looks shady for lack of a better word. I'm not saying that he's cheating on Minaj, but he leaves the door open for other women. He likes to get his

flirt on which could lead to trouble down the line. If they don't get married soon, it may never happen. There is a big chance that they will simple crash and burn after the relationship runs it's course.

Minka Kelly and Wilmer Valderrama: Didn't Wilmer Valderrama and Demi Lovato break up like five minutes ago? Well Valderrama is not wasting time crying about it. He has already hooked back up with his ex Minka Kelly. The two dated in 2012, so this is their second time around. While they will have some fun, the relationship is not for the long haul. Kelly will want more than what Valderrama can give her, which is marriage or at least a nice long term commitment. She will eventually have to move on. Valderrama is always dating a hot actress or singer. What is it about him that is hard to resist? He will continue to woo the ladies and probably won't be ready to settle down until he hits his 40s.

These celebrity exes have reunited after breaking up four years ago! What are some factors to consider before reuniting with your ex?

Cupid's Advice:

Exes can be permanent or they can be on and off. Sometimes you get back together and it works out for the best. Cupid is here to help:

1. Growth: Only consider getting back together with an ex if there's growth in the relationship. If you both have grown up and found that you were immature or too young and think it's a good time now to try again, by all means. Four years is a long time to have grown and to be a new person.

Celebrity News: Demi Lovato & Wilmer Valderrama Break Up

By [Nicole Caico](#)

In the latest [celebrity couple](#) news, after six years together, Demi Lovato and Wilmer Valderrama's [celebrity relationship](#) has come to an end. According to [UsMagazine.com](#), on Friday, June

3, both stars posted a joint statement on their Instagram accounts that read, "After almost 6 loving and wonderful years together, we have decided to end our relationship. This was an incredibly difficult decision for both of us, but we have realized more than anything that we are better as friends. We will always be supportive of one another. Thank you to everyone who has offered us kindness and support over the years." This is a [celebrity break-up](#) no one saw coming.

In celebrity news, another celebrity couple bites the dust! What are some ways to know you are better off as friends with someone?

Cupid's Advice:

Whether you are a Hollywood star or not, love comes and goes just the same—and sometimes it's for the better. It's not always easy to see that a break-up is beneficial when it's happening, but often times it ends up as a good thing. The love you shared as a couple has the potential to turn into a stable friendship if things go correctly:

1. Identity thief: This doesn't necessarily mean a significant other stealing your credit card number. It could mean losing yourself in your relationship. If you get to a point where you feel you've taken on so much of your significant other's qualities and interest over the course of your relationship, it may be time for a break or break-up. Choosing to step back from your relationship to be friends instead will allow you to rekindle your own interests before you forget what they were to begin with.

2. No spark: At the beginning of a relationship, the butterflies come easily because everything is new, but if you're a few months in and it feels more like a few years, it may be time to turn this romantic relationship into a friendship. You two may enjoy each other's company, but without a real spark, you're headed for friendship bracelets rather than wedding bands.

Related Link: [Celebrity News: Amber Heard Files for Celebrity Divorce from Johnny Depp](#)

3. Fundamental differences: In order to have a long lasting romantic relationship, certain things need to line up. You should like each other's families, have similar priorities, want to live in the same region—basic, necessary things like that. If you want to lead an expensive lifestyle and your significant other pinches pennies at every turn, or you need to live in a city and your significant other wants to live in the country—those may be an early indicators that you two will be better as friends in the future.
