

Celebrity Couple Predictions: Mariah Carey, Prince Harry and Donald Trump

By [Shoshi](#)

In the latest celebrity news, three famous couples have caught the public's attention. In a sudden twist, wedding bells are not longer ringing for Mariah Carey and billionaire James Packer; while two other high profiled relationships seem to be going well between Prince Harry and Meghan Markle, and newly elected Donald Trump and his wife Melania. But who's stepping out this time around hand in hand? Join me as I look into the crystal ball of relationships and love. Below, I share my predictions for these [celebrity couples](#).

Celebrity Couple Predictions: Celebrity Relationships That May or May Not Last

Mariah Carey and James Packer: As much as I was rooting for Mariah Carey to find love, my crystal ball told me that James Packer was not the one. That is not to say that Carey and Packer didn't have a good time together while it lasted. As quickly as their relationship came together, it quickly crumbled. There are reports that Packer was jealous of a back up dancer while it has also been said that Packer dumped Carey, because she spends too much money. She is worth over \$500 million dollars, of course she spends a lot of money. This relationship has had a big "not gonna happen" written all over it from the start. Planning a wedding before getting divorced from other people tends to put a negative vibe on a relationship. The ink isn't even dry from Nick and Mariah's divorce while Packer is still married. Not to mention that Packer looks about as interesting as a blank wall. Carey is too much woman for him. Don't cry for Mariah, she will love again. I see her with someone a little bit younger. As for Packer, do we even care what happens to him now?

Prince Harry and Meghan Markle: The word on the British streets is that Prince Harry has a new love in his life and her name is Meghan Markle. Unless you are a fan of the show, *Suits*, there is a chance that you have no idea who she is. Everyone should just calm down a bit. Step away from all of the wedding talk. This celebrity couple is getting to know one another, taking it nice and slow. He's hot and she's gorgeous. It makes for a very good time, especially since they have similar interest. It was a smooth move by the Buckingham

Palace to let the media know that it's not cool to keep pointing out that Markle is biracial due to her African American mother. Black women around the globe are rooting for Markle to add a touch a color to the royal family tree. Time will tell where this relationship ends up. Let's try to see if we can actually get a photo of them together before we say that they are picking out china patterns.

Donald Trump and Melania Trump: I have stated several times that if Donald Trump didn't become POTUS, Melania would get divorce papers rolling sooner than later. I see that this whole election process has taught her a lot about her husband. It's one thing to know him as a shrewd business man, but ever notice how he would almost trample Melania to get out on stage for a round of applause. That's not much of a turn on. Also during most of the campaign, she looked like a deer caught in the headlights. Melania signed up for the money, but the White House is a whole other level. Everything that she does will be under a microscope. Within the next four years, she will feel very alone. She's not as clueless as the media makes her out to be. Maybe she will shine in her own way. Donald and Melania will be no where near was hot to watch as Barack and Michelle. The Trumpster will be too busy talking about himself, he will throw her a few compliments from time to time. Their celebrity relationship will continue to look like Beauty and the Beast.

Celebrity Couple Predictions: Angelina Jolie, Sharon Osbourne and Tori Spelling

By

[Shoshi](#)

In the latest celebrity news, three famous couples have caught the public's attention, one of which is a high profiled split that no one saw coming between Angelina Jolie and Brad Pitt; while two other long term marriages are fighting to survive after celebrity cheating scandals (Sharon and Ozzy Osbourne, and Tori Spelling and Dean McDermott). But who's stepping out this time around hand in hand? Join me as I look into the crystal ball of relationships and love. Below, I share my

predictions for these [celebrity couples](#).

Celebrity Couple Predictions: Celebrity Relationships That May or May Not Last

Angelina Jolie and Brad Pitt: When it was announced that Angelina Jolie had filed to divorce Brad Pitt, gasps were heard around the world. The fairytale was officially over. But was their relationship really as wonderful as everyone thought it was? While most people were surprised that their marriage is ending, I was surprised that it's lasted as long as it did. There were clues that their marriage wasn't filled with unicorns and rainbows. Anytime a couple gets married due to pressure from their children, it isn't a good sign. This relationship should have ended a long time ago. Jolie is so ready to move on. Their pack of kids can beg and plead for her to go back to Pitt, but it's a wrap. Rumor has it that she has already moved into a private residence in Los Angeles that cost \$30,000 per month! It's time for both of them to move on. While Pitt is a bit devastated now, he will see that this is for the best. Don't be surprised if Angelina's next lover is a woman. Brad will be fine, women are already getting information to swoop down and grab him. My relationship advice to him is to stop picking high maintenance women.

Related Link: [Find Out How Angelina Jolie Told Brad Pitt She Wanted a Celebrity Divorce](#)

Sharon and Ozzy Osbourne: Look's like Sharon and Ozzy Osbourne are having a real lovefest after Ozzy's alleged affair with a celebrity hairstylist earlier this year. He recently surprised Sharon by showing up on *The Talk* and giving her a diamond ring for her birthday. Ever notice how men like to make things better with diamonds? There are those who feel like their happiness is staged. Maybe it is, but then again what hasn't

their relationship been through at this point? I don't see anything that will actually cause this celebrity couple to break up for good. Their marriage has been a bit of a rollercoaster since day one. Sharon is a ride or die when it comes to Ozzy. They will continue on with their sweet gestures in the press. It is what it is. They are basically a famous couple that at the end of the day is just like everybody else.

Related Link: [Celebrity News: Find Out Why Sharon Osbourne Took Ozzy Back](#)

Tori Spelling and Dean McDermott: Remember all the drama that Spelling went through with her husband McDermott. It looked like their marriage was going to end, but Spelling took one for the team and stuck with it. The couple recently announced that their fifth child is on the way. There is still conflict in their relationship that stems back to the Dean's 2-day affair when he was working in Canada. Let's not forget that Tori actually got together with Dean because they had an affair while filming a Lifetime movie. McDermott also recently proposed again to Spelling right before their tenth anniversary with their kids in attendance. That's all good, but I say this marriage is still a hot mess. Spelling can do so much better than him. When will she see the light? With baby number five on the way, she may never leave. Being a single mother with five kids doesn't sound so sexy when it comes to dating. McDermott is sneaky and it looks like he just may bring more heartbreak to Spelling; that may be just the thing that she needs to let him go and find love with another. Let's just say that he is the lucky one in the relationship.

Celebrity Couple Predictions: Kendall Jenner, Nicki Minaj and Minka Kelly

By [Shoshi](#)

In the latest celebrity news, three famous couples have caught the public's attention, two of which are celebrity relationships that are just getting started, such as with Kendall Jenner and A\$AP Rocky, and former exes Minka Kelly and Wilmer Valderama. In terms of more serious relationships, one of Hollywood's most anticipated marriages involve rappers Nicki Minaj and Meek Mill. But who's stepping out this time around hand in hand? Join me as I look into the crystal

ball of relationships and love. Below, I share my predictions for these [celebrity couples](#).

Celebrity Couple Predictions: Celebrity Relationships That May or May Not Last

Kendall Jenner and A\$AP Rocky: I'm convinced that Kris Jenner had a secret meeting with the Kardashian/Jenner kids where she told them they could only date black people associated with rap music. It appears that Kendall Jenner is now following the family trend by allegedly dating rapper A\$AP Rocky. Jenner and Rocky been spotted having dinner together as they creep out during the late night hours. While they're doing the "date thing," don't call them boyfriend and girlfriend just yet. Jenner is taking it slow. She wants to enjoy herself. Basically, she is testing him out to see if he's worth her time. If Rocky wants Jenner to take him seriously, he is going to have to step it up. Kendall tends to be a little more "low key" and drama free with her relationships. She won't flaunt her love affair like Kylie or Kim. But only time will tell if they officially become a couple. Don't be surprised if Jenner is on mystery dates with someone else.

Related Link: [Kendall Jenner Says Parent's Split 'Sucked'](#)

Nicki Minaj and Meek Mill: Everyone seems to be wondering when Nicki Minaj and Meek Mill will walk down the aisle. That wedding may be getting closer. The celebrity couple just moved in together in fancy crib in Beverly Hills. In April, Minaj said she was single on the Ellen Show, so this move is a big step. Minaj looks all the way into the relationship, but there is something about Mill that looks shady for lack of a better word. I'm not saying that he's cheating on Minaj, but he

leaves the door open for other women. He likes to get his flirt on which could lead to trouble down the line. If they don't get married soon, it may never happen. There is a big chance that they will simple crash and burn after the relationship runs it's course.

Related Link: [Celebrity Couple: Nicki Minaj & Meek Mill Spark Engagement Rumors Again](#)

Minka Kelly and Wilmer Valderrama: Didn't Wilmer Valderrama and Demi Lovato break up like five minutes ago? Well Valderrama is not wasting time crying about it. He has already hooked back up with his ex Minka Kelly. The two dated in 2012, so this is their second time around. While they will have some fun, the relationship is not for the long haul. Kelly will want more than what Valderrama can give her, which is marriage or at least a nice long term commitment. She will eventually have to move on. Valderrama is always dating a hot actress or singer. What is it about him that is hard to resist? He will continue to woo the ladies and probably won't be ready to settle down until he hits his 40s.

Celebrity Couple Predictions:

Pauly D, Leonardo Dicaprio and Chloe Grace Moretz

By [Shoshi](#)

In the latest celebrity news, three famous couples have caught the public's attention, two of which are celebrity relationships that have been in the works for some time now, such as with Pauly D and Aubrey O'Day and Chloe Grace Moretz and Brooklyn Beckham. But one of the newest Hollywood couples is Leonardo Dicaprio and Nina Agdal. Who's stepping out in Hollywood this time around hand in hand? Join me as I look into the crystal ball of relationships and love. Below, I share my predictions for these [celebrity couples](#).

Celebrity Couple Predictions: Celebrity Relationships That May or May Not Last

Pauly D and Aubrey O'Day: Pauly D and Aubrey O'Day are definitely an interesting pair. It's a rollercoaster kind of love. The latest celebrity news is that Pauly is abstaining from sex with O'Day to slow things down. At this point, it might be a very good move so they can figure out where their relationship is going. This famous couple works because they are both a hot mess when it comes to relationships. Either they will continue to break up and get back together or they will have a secret wedding then divorce quickly. Eventually, O'Day will decide that she can do better because she can. Pauly can't give her the kind of love that she craves. Let's just say, it's a learning experience for both of them. The best partner option for O'Day is actually an older gentleman who is stable with a nice bank account. I ain't sayin' she's a gold digger, but she likes to be pampered. What lady doesn't?

Related Link: [‘Jersey Shore’ Star Pauly D Welcomes Baby Daughter with Ex](#)

Leonardo Dicaprio and Nina Agdal: It's no surprise that Dicaprio has found another model to cozy up to. This time, it's *Sports Illustrated* model, Nina Agdal. They have recently been spotted frolicking around Greece together. Right now it's looking like a regular Leo, love 'em and leave 'em relationship. In several photos, he already looks bored with Agdal. She is beautiful and all, but don't expect to see Agdal at many events with Leo. Basically, the best thing about their relationship for her is more attention for her career. She should bask in the photo opportunities and trips while she can. Unless she has some tricks up her sleeve, their celebrity relationship will be a short one. Dicaprio likes his freedom

which is why he continues to select the women that he does. When he does find his match, he is going to pull a George Clooney move by putting a ring on it quickly and walking down the aisle.

Chloe Grace Moretz and Brooklyn Beckham: Slowly but surely Moretz and Beckham are becoming the cutest Hollywood couple. They have been dating since May of this year and Moretz's mom has posted on social media that she approves of their relationship. Moretz recently spoke at the Democratic National Convention, while Beckham made the smooth boyfriend move of showing up as a surprise. Then Beckham's mom, Victoria Beckham, praised the speech on Instagram! It looks like a major love-fest is going on. Beckham is clearly smitten. He is consistently declaring this love and support for Moretz on social media. If they weren't so young, I would say to be on the lookout for wedding invitations. It's nice to see young love without the drama. They compliment each other in the best possible way. I can see them walking down the aisle in the future.

Celebrity Couple Predictions: Taylor Swift, Chris Evans and Ariel Winter

By [Shoshi](#)

In the latest celebrity news, three famous couples have caught the public's attention. Two of which are celebrity relationships that are just getting started, such as with Tom Hiddleston and Taylor Swift, and Chris Evans and Jenny Slate, while Ariel Winter, on the other hand, has decided to kiss her boyfriend goodbye. Who's stepping out in Hollywood this time around hand in hand? Join me as I look into the crystal ball of relationships and love. Below, I share my predictions for these [celebrity couples](#).

Celebrity Couple Predictions: Celebrity Relationships That May or May Not Last

Tom Hiddleston and Taylor Swift: Looks like Taylor Swift has bounced back quickly from her breakup with DJ Calvin Harris. The new man on her arm is Hollywood hottie, Tom Hiddleston. This coupling took many of us off guard and they are going hard into this relationship. Parents have been met on both sides and there are tons of public displays of affection. I would love to applaud this new celebrity couple, however I'm suspicious of the quick romance. There have been grumblings that it's a publicity stunt. Would Swift go so far as to have a fake romance? It's a known fact that Hiddleston gets around when it comes to the ladies. I wouldn't go so far as to call him a ladies man, but he trades in his lady friends very often. Swift is known for having a new boyfriend often as well, though that isn't necessarily her fault. She tends to get dumped by her boyfriends, so what's a girl to do? She gets back out there. While Hiddleston and Swift are all smiles, I'm not convinced that this relationship is the real thing. Time will tell if all of these photo ops equal a real celebrity relationship. At least they look like they are having fun which is what that matters the most.

Related Link: [Celebrity News: Taylor Swift Caught Kissing Tom Hiddleston Two Weeks After Split](#)

Chris Evans and Jenny Slate: Chris Evans has been rumored to be dating any woman in Hollywood that he says "hello" to, but it's safe to say that he has a new boo and her name is Jenny Slate. Evans must be into funny women because Slate is a comedic actress. The two of them just stepped out together on the red carpet for *The Secret Life of Pets*. In Hollywood terms, this means that the pair is officially dating. Slate is

gushing over being with Evans. It's nice to see Evans finally in a stable celebrity relationship after speculation of who he's snuggling up with. He seems like a nice guy and would be a keeper for the right woman. Evans and Slate will probably last about 6-8 months, with Evans being the one to break-up. Slate will want to nest and settle down with Evans. What girl wouldn't? However, he doesn't look ready to settle down and do the wife and kid thing just yet. Slate is getting him ready for the next lady.

Related Link: [Chris Evans Shares What He Wants In a Woman](#)

Ariel Winter and Laurent Claude Gaudette: Ariel Winter, the actress from *Modern Family* has broken up with boyfriend Laurent Claude Gaudette, yet again. These two have been on again and off for the past two years. Most recently, the pair has unfollowed each other on Instagram. When millennials do that, they mean business! On a serious note, Winter is finally done with this celebrity relationship. This whole romance has been exhausting. Gaudette will call Winter, but she won't answer. I see that she will be moving forward. Winter will be single for a few more months then she will find a new love with a man who is a little bit older than her. She needs someone who is more her equal than Gaudette. Had anyone heard of him before he was with Winter? She'll bounce back just fine from this break-up.

Celebrity Couple Predictions: Drake, Eva Longoria and Lea Michele

By

[Shoshi](#)

In the latest [celebrity news](#), three famous couples have caught the public's attention, whether it be Drake and Rihanna's rumored celebrity relationship, Eva Longoria's third celebrity wedding, or Lea Michele's next shot at love. Who's stepping out in Hollywood this time around hand in hand? Join me as I look into the crystal ball of relationships and love. Below, I share my predictions for these [celebrity couples](#).

Celebrity Couple Predictions: Celebrity Relationships That May or May Not Last

Drake and Rihanna: It seems like nobody believes that Drake and Rihanna are just friends. Who doesn't twerk their booty on a friend any chance they get? It's time to let this rumor go! They aren't a secret couple, contrary to the anonymous sources that keep popping up in the press. Recently Drake was asked point blank if he was dating RiRi and his answer was that they are just friends. That is not to say that they do not practice being friends with benefits from time to time. Why shouldn't they? They are both attractive adults, so why not help each other maintain pleasure when necessary? It would be nice to see these two in a relationship with each other, or with whoever makes their heart skip a beat. It looks like Drake and Rihanna aren't making time for romance, though. They are both working, traveling, and involved in their careers. However, look for Rihanna to be in the relationship by the end of the summer.

Related Link: [New Celebrity Couple? Rihanna & Drake Spotted Getting Cozy at Concert Afterparty](#)

Eva Longoria and Jose Baston: Looks like the third time's the charm for Eva Longoria. She walked down the aisle with Jose Baston, President of Televisa, Latin America's largest media company. This is Longoria's third marriage and it looks like her last. The celebrity couple was married in Mexico in front of A-list guests. It would seem Longoria has hit the jackpot with Baston. He sees her as his equal and loves that she is a strong and passionate woman. After two failed marriages, Longoria knew exactly what she was looking for in a partner. She has definitely found the right one this time around. Before the wedding, they had already been calling each other

husband and wife. I see a new dog in their future and a discussion about children. Right now a baby is a possibility, but if Longoria is not pregnant by next year, more than likely the couple will not have children together. Either way, they will continue to be just as happy as ever.

Related Link: [Eva Longoria Marries Jose Baston in Romantic Celebrity Wedding in Mexico](#)

Lea Michele and Robert Buckley: Lea Michele has not been so lucky in love. That is not to say that she isn't trying. She dated that so-called model/actor and ex-gigolo Matthew Paetz, who allegedly broke her heart. Then there was her boyfriend and *Glee* co-star, Cory Monteith, who died of a drug overdose. Most women would have locked up their heart and thrown away the key. Despite these negative experiences, Michele is currently dating actor Robert Buckley, and says that she is very happy. That's definitely good news. It's nice to see her find love again. Where is it all going? That remains to be seen. Michele wants to be married with kids but not necessarily right now. It looks like it's on her mind. Buckley may not be the guy she walks down the aisle with, but he is getting her ready for when the time is right.

Celebrity Couple Predictions: Megan Fox, Trai Byers and Selena Gomez

By [Sho](#)

[shi](#)

In the latest celebrity news, these famous couples have made headlines, whether it be Megan Fox's rumored divorce, the *Empire* stars secret wedding, and Selena Gomez's not-so budding relationship. Whose stepping out in Hollywood this time around hand in hand? Check out my predictions for these three [celebrity couples](#) and find out what's next in their love lives.

Celebrity Couples Predictions: Celebrity Relationships That May or May Not Last

Megan Fox and Brian Austin Green: When Megan Fox started showing a baby bump, the press went crazy speculating over who the “baby daddy” could be. Since Fox filed for divorce from Brian Austin Green last August, technically, the baby could be anybody’s. But I never doubted that the baby was Green’s. This famous couple has been on a roller coaster ride since they got together. Fox and Green used to break up and get back together all the time before they got married. The new addition to their family was not planned, but they say all is good, they’re happy now and plan to see where it all goes. Neither one of them were dating anyone else and they still lived in the same house. My prediction is that Fox and Green will not file for celebrity divorce. It may be bumpy between them every now and then, but their spiritual connection remains. My relationship advice to Fox is take a month or two vacation from Green every so often. That seems to do the trick when it comes to rekindling their love.

Related Link: [Celebrity Baby News: Megan Fox Reveals Third Pregnancy](#)

Trai Byers and Grace Gealey: Two stars from *Empire*, Trai Byers and Grace Gealey, got married in a quiet ceremony in the Cayman Islands. You could say that it was a whirlwind romance since they had a short and quick courtship. Will they last? Right now it looks good. The Hollywood couple have the same ideals when it comes to marriage and family. Around their fifth year of marriage will be a time of make it or break it. Oddly, none of their co-stars from *Empire* were invited to the celebrity wedding, because they wanted to keep the wedding small. That lets me know that the rumors are true. Byers is

not happy to be on the show and there have been rumors circulating that he wants to quit. By the end of the year, let's say around November, there will be celebrity news that the pair is expecting their first child. They will have two kids together, a boy and a girl. After *Empire*, Gealey will focus on being mother and wife while Byers brings home the bacon.

Related Link: [Celebrity Divorce: Terrence Howard Splits from Wife No. 3](#)

Selena Gomez and Charlie Puth: Anytime Selena Gomez talks to anyone of the opposite sex, it causes a stir. This time around she is being paired with Charlie Puth. Puth does not have nearly enough swagger for Gomez. She likes bad boys and men with an edge. Puth is as wonder bread as they get. He's talented but a bore. Gomez needs a guy that matches her fire and passion. If anything is going on with Puth, it's simply a friends with benefits situation. This rumored relationship has no steam. I actually see Gomez involved with an actor a little bit older. This new celebrity couple should blossom during the summer. Puth will keep having make out sessions with starlets.

Celebrity Couple Predictions: Rob Kardashian, Miley Cyrus

and Keisha Knight Pulliam

By [Sho](#)

[shi](#)

Join me as I look into the crystal ball of relationships and love. Below, I predict the future of three new [celebrity couples](#).

Shoshi's Predictions for these Celebrity Couples

Robert Kardashian and Blac Chyna: It's always amazing when two people who are a hot mess get together in the name of love. Then again, can we really call Rob and Blac Chyna a celebrity couple? If memory serves me correctly, a few months ago, Blac Chyna was in love with the rapper Future. Her love was so deep, she had his name tattooed on her hand. Now with the celebrity news that Blac Chyna and Kardashian might be

together? There's something about this relationship that makes me give it a side eye. I just don't see this as the real deal. It appears to be all for show. Blac Chyna is desperate for attention and this is the best way for her to get it. It's a shame that Kardashian has seemed to just let himself go. He just doesn't care about anything at all. Kardashian needs love and affection from somewhere since his family does not seem to be giving him any at all. Looks like Blac Chyna is the only one filling the void. This relationship will be just as dysfunctional as all of the Kardashian relationships. It will run its course, because Blac Chyna's heart has the attention span of a high school student.

Related Link: [Celebrity Couple News: Rob Kardashian Resurfaces with Beard and Blac Chyna](#)

Miley Ray Cyrus and Liam Hemsworth: It's now safe to say that Cyrus and Hemsworth have quietly gotten back together. Cyrus has put her engagement ring back on. Wouldn't you? Don't look for an invitation to this celebrity wedding just yet. They have a habit of breaking up and getting back together. My crystal ball says they are on a trial basis. Basically, giving it another go round to see if they can make their relationship work. Hemsworth probably did cheat on Cyrus the last time they were together. When someone cheats it's a sign that something is wrong in a relationship. It looks like both parties are acknowledging their part in the breakup. If they can repair what was broken, there's an opportunity for them to be one of the hottest couples in Hollywood. We just may see a much tamer Miley Ray. Time for her to keep that tongue in her mouth. One of two things will happen, either they will get married or they will end their relationship for good this time.

Related Link: [Celebrity Couple Rumors: Is Miley Cyrus Engaged to Liam Hemsworth?](#)

Keisha Knight Pulliam and Ed Hartwell: Keisha Knight Pulliam best known as Rudy on *The Cosby Show* announced that she was

engaged in December. Less than a month later, she announced on her podcast “Kandidly Keisha” that she married Ed Hartwell, a retired NFL player on New Year’s Eve. This came as a surprise to a majority of her fans since no one knew that she had broken up with Big Tigger, who she had dated for three years. Right now this couple is doing just fine. Will they be together for the long haul? That’s questionable. Most people don’t think this marriage will last. They will have a baby or two and some projects together. I see trouble in their marriage around the third year. If they can get through that, they should be fine.

Celebrity Couple Predictions: Katie Holmes, Gigi Hadid and Miranda Lambert

By [Sho](#)

[shi](#)

If you're looking for the latest celebrity news on Hollywood romances, you've come to the right place! Below, I consider the future of three new [celebrity couples](#).

Shoshi's Predictions For These Celebrity Couples

Katie Holmes and Jamie Foxx: If you believe the media, Foxx and Holmes are secretly in love with each other. The thought of that makes me giggle. I always think that Tom Cruise has sent Foxx in to be his spy to find out what Suri is up to. While they would be a weird couple, it could also work. Foxx has always been tight lipped about who he's dating and Holmes never reveals if she's dating anyone. Both of them seem to spend more time with their children than anyone else. Could they be the perfect pair? I don't see Holmes and Foxx in a steady relationship. However, I do see friends with benefits. They're both sexy and single. Why not participate in some extracurricular activities from time to time? Don't believe the media hype, but just know that we'll be the last to know

if they are officially a couple. Neither of them are going to talk.

Related Link: [Celebrity News: Jamie Foxx Celebrates 48th Birthday with Katie Holmes](#)

Gigi Hadid and Zayn Malik: All media eyes are on model and personality Gigi Hadid and former One Direction singer, Zayn Malik. It even looks like they spent New Year's Eve together. At least, that's what their photos would lead us to believe. Isn't that what "couples" do? With all of the time they've been spending together, we should file them in the couple category. At least for now. Hadid has the attention span of a gnat when it comes to her relationships and love. She is fickle, but she's perfectly entitled to be that way. She's young, hot, and figuring it all out. If I were her, I would do the same thing. This relationship will run its course soon enough. Hadid doesn't have time for a serious relationship since she tends to be busy modeling and hanging with the Jenner's. Right now she's having fun causing a stir on Instagram with Malik. Guess they don't have anything else better to do.

Related Link: [New Celebrity Couple Alert! Gigi Hadid & Zayn Malik Are Dating](#)

Miranda Lambert and Anderson East: We all know that Blake Shelton is currently dating Gwen Stefani. But it looks like his ex, Miranda Lambert, is now seeing Anderson East. A photo on Instagram captured the two of them cuddling with the caption, "The snuggle is real." As if we needed the clarification. Just who is this Anderson East? A rhythm and blues singer from Alabama. I had never heard of him until Lambert's selfie. By the looks of it, this new relationship is the most interesting thing about him. When I look at this new celebrity couple, I don't see much to the fling. I predict the main reason that she's seeing him is to keep up with Blake and Gwen. The celebrity exes are playing a game of who can move on

quicker. The media is falling in love with *The Voice* co-stars as they go on adventures around the globe. The last thing Lambert wants is to look pitiful and brokenhearted. Blake is all over the place having fun, it's time for her to start posting her own "moving on" pictures. That's not to say that she isn't generally into East, I'm just not fooled by her calculated move. Lambert will move on when she finds someone better. If the rumors about her are true, East shouldn't get too attached to her. As soon as someone better comes along Lambert will move on.

Celebrity Gossip Around These Celebrity Couples

Khloe Kardashian and Lamar Odom: I was not surprised that Kardashian and Odom put their divorce on hold. I called it before Odom woke up. According to the ladies at the Love Ranch, Odom didn't sleep with either one of them. Maybe he was too busy popping pills? There's so much criticism online because Kardashian has decided to take him back, especially since he happened to be in a brothel. But remember, it's not like he slipped out of the house to go to the Love Ranch. They

were in the process of a divorce so he was doing his thing and she was doing hers. Will this celebrity couple last is the biggest question circling around them. At this moment, when I look at their relationship the answer is yes. There's a different energy around Khloe and Lamar than when they were married the first time around. Right now, it's about two people who love and need each other, money and celebrity status aside. I hope that they make it. There is no reason why they can't have a healthy relationship. For it to work, these two will have to keep things private. That includes keeping Kris Jenner out of their business. This time around I see that Kardashian is strong enough to tell her mother to stay out of her business. She knows what her life is like without Lamar and she would prefer to have him in it.

Olivia Munn and Aaron Rodgers: This is an interesting relationship, one that looks a bit unbalanced. Rodgers credits Munn for supporting him and putting some of her goals on hold for him. Meanwhile Munn credits Rodgers for helping her to be in better shape. It's good that they're aware of their dynamic. Right now things are okay between these two, but as time goes on, there will be friction. Rodgers is getting more out of this relationship than Munn, which will eventually become a sore point. At the beginning of a relationship is when you set the stage for the give and take. This will not be an equal relationship when it comes to career. There is also something shady about Rodgers that will come to light in the long run. It looks like he has marriage on his mind as does Munn. Sometimes a woman gives things up to get a ring, which is her choice. Hopefully that decision doesn't eventually cost her a booming career and a relationship.

Related Link: [Aaron Rodgers Gushes Over Celebrity Relationship with Olivia Munn](#)

Ciara and Russell Wilson: When Ciara and Wilson were seen together there were whispers of it not being a real relationship. It was suggested that the two were only together for the cameras. Now that it has been more than a few months, the fans are not happy about Ciara being in the picture. The Seattle Seahawks haven't been having the best football season, which has the fans saying that Ciara is nothing but bad luck. Sports teams have always been superstitious, which is why most of them have a psychic on call. While Ciara is probably not the reason the Seahawks can't get it together on the field, she should fall back a bit at the games. She should stay in the box seats away from the stands and the fans. It might even be good if she just watches the game at home. Since players are superstitious when it comes to games, it would be a shame if Wilson starts believing what people are saying. These two have similar values and want the same thing in a relationship. This relationship has a good chance of ending up in marriage if they continue in the direction they're going in.

Celebrity Couple Predictions: George Clooney, Kylie Jenner and Sandra Bullock

By [Shoshi](#)

Want the latest celebrity news and romance gossip? Then you've come to the right place! Recently, these famous couples have made headlines for their relationships and love, whether it be George Clooney's [celebrity marriage](#), Kylie Jenner's budding romance, or Sandra Bullock's new beau. Check out my predictions for the three celebrity couples below and find out what's next in their love lives!

The Latest Celebrity News and Celebrity Couple Predictions

George Clooney and Amal Clooney: What can one say about George and Amal? They seem to be on top of the world. As they travel the world walking hand and hand, the media cannot get enough of this celebrity couple. Since there doesn't seem to be any real drama in their relationship and love, the media is trying to stir something up. Most of the criticism is focused on Amal. Some say she dresses tacky, while others accused her law firm of giving her the high profile accounts, because she is

married to George Clooney. Nevermind that she's highly qualified to take on any case thrown her way. I love Amal and think that she's great for George. I still say that from the beginning their celebrity marriage was for calculated reasons versus simply love. Those reasons may never be known to the rest of us, because it looks like they know how to keep their mouths shut. This couple is working out fine even though Clooney is starting to look much older when he stands next to his lovely wife. Let's just say Clooney met a woman who knows how to ride or die.

Kylie Jenner and Tyga: This relationship has disaster written all over it. Are they in love? It looks more like lust than love to me. At this point it's hard to know who's using who. Tyga is getting a boost in his career from being with a Jenner, while who knows exactly what Jenner is getting from being with him. It all seems like a carefully orchestrated relationship put together by the puppetmaster, Kris Jenner. Don't believe the engagement rumors. This relationship is going to run its course and end as dramatically as it began. Right now, what remains to be seen is who will get tired of who first. Right now, my money is on Jenner because she has the upper-hand.

Sandra Bullock and Bryan Randall: There are rumors flying everywhere that Sandra Bullock is dating model and photographer, Bryan Randall. Before you get all excited about this news, hold on a minute, When did a dinner date start to mean that someone is in a relationship? I would love to see Bullock find love, but it's time to stop assuming she's in a relationship with every single man she talks to. That being said, Randall has a bit of a criminal past and we all know how

Bullock loves bad boys. I don't see a romance with Randall having any staying power. Right now, she is just dipping her toe back into the dating scene. The main concern on her mind is having a good influence around for her son, Louis. Randall is a "meh" choice for Bullock. He's fine for testing out her flirting moves, but she should definitely keep her options open. Bullock needs to take dating tips from some of the other women in Hollywood.

Celebrity Couple Predictions: Jennifer Aniston, Caitlyn Jenner and Elizabeth Olsen

By

[Shoshi](#)

The latest celebrity news has been brimming with romance gossip. Recently, these famous couples have made headlines for their relationships and love, whether it be Jennifer Aniston's secret [celebrity wedding](#), Caitlyn Jenner's budding romance, or Elizabeth Olsen's new beau. Check out my predictions for the three celebrity couples below and find out what's next in their love lives!

Celebrity Couple Predictions and the Latest Celebrity News

Jennifer Aniston and Justin Theroux: Fans of [Jennifer Aniston](#) let out sighs of relief when it was announced that she *finally* married Justin Theroux. We were all wondering if this marriage was ever going to happen! Now that the two have walked down the aisle, the media can finally stop making the actress look pathetic when it comes to love. I never believed that she was as miserable as people wanted her to be. She dated quite a few cuties along the way – why should she have to settle down?

As a relationship expert, I see good energy for this celebrity couple. Everything should work out if they are committed to making their marriage work when they hit bumpy times. Soon, there will be celebrity break-up rumors, but pay no attention to them.

Theroux has seen a dramatic upgrade in his living situation since he started dating Aniston. That is not to say his bank account is anything to side eye. When it comes to money, the *Friends* alum is clearly the one with more. I see a big prenuptial agreement in place if this marriage ever takes a turn for the worse. It looks like there is a cheating clause, which is ironic since it is speculated that Aniston may have swooped in on Theroux when he was in a relationship. All the best to these two! May that prenup gather dust and never be used.

Caitlyn Jenner and Candis Cayne: [Caitlyn Jenner](#) has faced her share of relationships rumors. Now, everyone wants to know who she will date: men or women, maybe even both. All eyes are currently on the relationship that she has with Candis Cayne. Are they dating or not? As I take a look at these two, what I see is really close friendship. At least for now. You know how things in the Kardashian world can change! Jenner can learn from Cayne as well as talk to her about things that her family cannot understand. That being said, like most people who are brought into the Kardashian mix, Cayne is benefiting from being Jenner's best girlfriend. It is a win-win situation for both of them. Just don't look for them to step out as a famous couple. It's unfortunate – they would be so hot together!

Elizabeth Olsen and Tom Hiddleston: It looks like Mary Kate

and Ashley Olsen's little sister Elizabeth is dating British actor Tom Hiddleston. The two haven't confirmed that they're dating, but photos are showing that they seem pretty darn close. The alleged famous couple met while playing husband and wife on the set of *I Saw The Light*, a movie about Hank and Audrey Williams. While they make a good-looking pair, it looks like it will only be a casual romance. Olsen broke up with her fiancé at the beginning of this year, and a serious relationship is not on her mind right now. She wants to have a bit fun instead. As for Hiddleston? He is becoming hot in the business, so he will add a few gorgeous starlets to his little black book to fit right in with the other eligible bachelors in Hollywood.

Celebrity Couple Predictions: Prince Harry, Ryan Seacrest and Vanessa Williams

By

[Shoshi](#)

If you're looking for the [latest celebrity news](#), then you've come to the right place! Recently, these famous couples have made headlines for two new romances and a Fourth of July wedding. Read on for my celebrity couple predictions!

A Royal Celebrity Couple Prediction

Prince Harry and Jenna Coleman: Rumor has it it that Prince Harry is dating *Dr. Who* actress Jenna Coleman. They were seen getting cozy...but that doesn't mean much. If I was in the same room as Prince Harry, I'd be trying to get cozy with him too! It's been said that the prince has been thinking about settling down, which means that every woman he's seen speaking to for longer than a second will be called "wife material."

As for his relationship with Coleman, it's a nice flirtation. She is cute and laid-back enough, but she won't be his princess. Cressida Bonas would have a better chance of Harry putting a ring on it. However, she shouldn't hold her breathe either.

While Prince Harry and his big brother Prince William are like night and day, Harry has paid close attention to the celebrity marriage of William and Kate, and he wants a similar love in his life. The woman that will steal Prince Harry's heart is someone who loves life just as much as him. I don't see that he has met The One yet, but when he does, it will be a quick courtship.

Related Link: [Prince Harry Is Caught Romancing Potential New Celebrity Love Jenna Coleman](#)

Ryan Seacrest and Hilary Cruz: Is it ever a surprise anymore when Ryan Seacrest starts dating a younger beautiful woman? It's like he picked up where George Clooney left off! The new love interest in his life is former Miss Teen USA and actress Hilary Cruz. Don't knock yourself out trying to remember what movies she's been in – there are about three acting credits to her name. Recently, the two were spotted at the airport right before they hit a yacht in the South of France. Sources say that Seacrest is smitten. I would say what 40-year-old man isn't smitten with a hot 26-year-old who wants to be with him?

I would love to report that the television personality has met the love of his life, but it looks like just another notch on his belt. Their relationship is a casual one, but they both will benefit from it: Seacrest gets a gorgeous woman on his arm among other things (if you know what I mean), while Cruz gets her name in the press. A win-win!

Vanessa Williams Celebrates Her Celebrity Marriage

Vanessa Williams and Jim Skrip: The ever-stunning Vanessa Williams married Jim Skrip on the Fourth of July. Now, that is

one way to never forget an anniversary! It is the third celebrity marriage for the actress, and it looks like three times *is* the charm. There isn't much information about Skrip online. The celebrity couple met on a trip to Egypt, and they dated for about a year before getting hitched. Let's just say that they have a grown folks relationships: no games, age-appropriate, and willing to do what they have to do to make it work. From looking at their photos, they look pretty happy together. After being in two marriages that didn't work out, this one should last for Williams. Congratulations to the newlyweds!

Celebrity Couple Predictions: Leighton Meester, Sofia Vergara and Taylor Swift

By

[Shoshi](#)

The latest celebrity news has been filled with juicy relationship gossip, including a [celebrity pregnancy](#) announcement, a famous couple prepping for their celebrity wedding, and a singer finally settling down. Check out my predictions for the three celebrity couples below and find out what's next in their relationships and love lives!

Latest Celebrity News About Three Celebrity Couples

Leighton Meester and Adam Brody: It was recently announced that Leighton Meester and Adam Brody are expecting their first celebrity baby together, sending *Gossip Girl* and *The O.C.* fans into a tizzy. I predict that their little bundle of joy will be a very cute baby, though one doesn't have to be a psychic to see that.

Related Link: [Celebrity News: Leighton Meester Says She's Never Been Dumped](#)

I have to admit that I see something in their celebrity marriage that says that this famous couple won't be together for the long haul – that's something that I've noticed since they first got married. What I see could also be a rough patch down the road that leads to a little time apart; they may find their way back to each other. Only time will reveal the outcome of this relationship and love!

This celebrity couple has let it be known that they want a bunch of kids, and I see four children circling Meester. Once this baby comes, it's possible that the actress will focus on being a mother for a while – a bummer to her fans but a bonus to her baby.

Sofia Vergara and Joe Manganiello: I can't help but still give this famous couple the side eye. For some reason, I keep seeing Vergara and Manganiello thrown together for publicity purposes. My psychic juices say "staged." While they make one dynamite-looking couple, there is something that is a bit off about them. Their body language doesn't read like a couple crazy in love. Maybe the need for companionship is what brought them together.

Now, Vergara is saying that she would like to have celebrity babies with Manganiello, even though she previously said that having more kids was not a priority. I don't see any more kids in her future, at least not any that she'll give birth to. Until Vergara and Manganiello walk down the aisle together, I can't see them as a serious pair. If they do go through with it, their celebrity marriage will be short-lived. May they prove me wrong! I do wish them the best.

Taylor Swift and Calvin Harris: I love to see [Taylor Swift](#) stepping out with her new man, DJ and music producer Calvin Harris. They make a nice-looking couple. Harris is known for

being a bit of a playboy, but it looks like things are progressing well with the songstress. Cheating rumors have surfaced over the past few days – and they won't be the last ones. We can expect more gossip and women throwing themselves at Harris because they want to cause trouble between him and Swift.

When I first saw them together, I didn't see this relationship lasting for more than a few minutes, but it looks like the tide has turned. In fact, it seems like it could go longer than most of Swift's romances. As you probably know, the singer's past relationships have lasted for about ten minutes, and people have often wondered why she can't seem to keep a man around. I see Swift and Harris in a relationship for about a year and a half to two years. I don't see wedding bells, but you can expect for Swift to write nice songs about her new guy.

Celebrity Couple Predictions: Bobby Flay, Robert Pattinson and Miley Cyrus

By

[Shoshi](#)

The latest celebrity news has been filled with hot relationship gossip, including a celebrity marriage coming to an end, a famous couple finding true love, and a pop star who won't be settling down any time soon. Check out my predictions for the three [celebrity couples](#) below and find out what's next in their relationships and love lives!

Latest Celebrity News About Three Celebrity Couples

Bobby Flay and Stephanie March: It looks like the celebrity marriage of Chef Bobby Flay and actress Stephanie March is going up in flames. On television, Flay seems like a nice guy, especially when he's standing behind the grill wearing an apron. On the flipside of that, I have only heard negative things about him that make him sound like a real douche (for lack of a better word). Therefore, some of the claims about him from March are no surprise. If memory serves me right, she left acting to help him with his restaurants.

A “close source” to him says he’s heartbroken about his celebrity divorce. When I look at this relationship and love, it looks like he can’t get out of it soon enough. Word on the street is that March is not happy with the prenup. Of course, she isn’t! When you’re in love, money doesn’t matter as much, but when the love is over, you want to take them for all that you can. That doesn’t make her a bad person; it makes her human. I see other female energy around Flay. I’m not saying he has a mistress, but maybe he put his utensils in someone else’s kitchen, if you know what I mean.

Related Link: [Bobby Flay Helps January Jones After a Hit-And-Run Accident](#)

Robert Pattinson and FKA Twigs: Word on the streets is that singer FKA Twigs and actor [Robert Pattinson](#) are engaged. One thing’s for sure: Pattinson never looked so happy until this whirlwind celebrity romance. If you look back at some of his photos when he was with Kristen Stewart, he looked a bit miserable.

This famous couple is on a roll and won’t be slowing down anytime soon. They are both equally invested in their relationship and love, and I see them going to the chapel and getting married soon. Pattinson knew that she was The One immediately. When a man finds what he is looking for, he doesn’t waste time. They could tie the knot by the end of this year. There is also a bit of baby energy swirling around these two. Within the first year of their celebrity marriage, a little girl just might show up.

Related Link: [April Fools? T-Pain Says Famous Couple Robert Pattinson and FKA Twigs Are Engaged](#)

Miley Cyrus Will Not Announce

Celebrity Engagement Anytime Soon

Miley Cyrus and Patrick Schwarzenegger: Where do I begin with this celebrity relationship? It seems like Patrick Schwarzenegger has been spending more time with his “friends” than with [Miley Cyrus](#). Does he only know women? I don’t see this relationship ever getting serious. If it does, Cyrus will always be questioning what he is doing with his so-called friends. It’s not that Schwarzenegger should stop having women friends, but does he have to *always* look so cuddly with all of them?

Schwarzenegger doesn’t seem to want to settle down at all, and Cyrus isn’t ready to be married with kids either. They have a relationship that is kind of like the ones you may have had in high school, where the loves lines are always kind of blurry.

For now, the two of them are getting what they need from each other: some fun and frolic. No need to wait for a celebrity engagement announcement from them. This will fizzle out sooner rather than later. The next guy Cyrus dates will be a long-term relationship. As for Schwarzenegger, until he falls in love, he will go through girlfriend after girlfriend.

Celebrity Couple Predictions:

Gabrielle Union, Kourtney Kardashian and Lady Gaga

By [Sho](#)

[shi](#)

The latest celebrity news has been filled with hot relationship gossip, including newlyweds dealing with marriage drama, reality TV stars facing cheating rumors (again), and a private pair celebrating their celebrity engagement. Check out my predictions for the three [celebrity couples](#) below and find out what's next in their relationships and love!

Latest Celebrity News About Three Popular Celebrity Couples

Gabrielle Union and Dwayne Wade: The word on the street is that the actress and Miami Heat star may not be legally

married. Somehow, their marriage license was never filed with the state court. The lovebirds did obtain a license, so it's a mystery why it wasn't signed and sent back to the county within the 10 day period. Technically, the celebrity couple is married, but if there are any legal issues, the lack of a marriage license could cause trouble in the long run.

I agree with the theory that they didn't file the license so that, if things in their celebrity relationship take a bad turn, neither one of them can go after each's other bank account. Unfortunately, I don't see this marriage lasting. Right now, they're in the honeymoon stage. Union appears to be way more into their relationship and love than Wade. Sure, he's enjoying it right now, but when the pixie dust wears off, pay attention to the press. He'll be accused of having a side chick. After all, he's consistently gotten away with being a cheater – why stop now?

Related Link: [Celebrity Couple Gabrielle Union and Dwayne Wade Signed Prenup](#)

Kourtney Kardashian and Scott Disick: Every day, new celebrity gossip circles around the Kardashians. The most recent celebrity cheating rumor is that Disick is hooking up with younger sister Kylie Jenner. This isn't true, as the father of three isn't looking at Jenner in a romantic way. However, he is close to her because he feels like he can talk to her. This could be trouble in the long run if he and Kardashian continue to have communication problems. It's true that Disick can be a bit of a bad boy with his drinking and partying, but that doesn't make him a cheater.

People keep wondering when this celebrity couple will get married. Up until now, a celebrity marriage hasn't mattered to the oldest Kardashian sister. I do see a shift in what she wants though. The pair has been together since 2006, and three kids later, she is reconsidering getting hitched (as you may recall, she previously said no to Disick's proposals

twice).

Out of all of the Kardashian sisters, she has the best relationship and love. Yes, even better than Kim Kardashian and Kanye West! It's true that Disick could turn his partying down a bit, but he does support her and help with the kids. At one point, he wanted them to move to New York City. That would be the best thing for their relationship. They need to get out of that crazy Kardashian compound, or it could tear them apart.

Related Link: [Kourtney Kardashian Feels "Blessed" After Birth of Third Child](#)

Lady Gaga Celebrates Celebrity Engagement

Lady Gaga and Taylor Kinney: On Valentine's Day, the *Chicago Fire* actor put a ring on it! It's no surprise that the pop star said yes to her longtime love's proposal and shared the good news with her Little Monsters on social media. The pair has been dating since 2011 after Kinney appeared in Gaga's video "You and I." This famous couple has a wonderful energy around them, and they are a very good match. . Kinney helps to keep her grounded, while Gaga adds spice to his life. While they are both in the entertainment business, family comes first.

It will be interesting to see how Lady Gaga reinvents herself after she gets married. We will definitely see a different version of the songstress! I also see baby energy circling around them. Having kids is a priority, though they may wait until they are married for a year to start trying for a bundle of joy. I see their firstborn being a little girl and baby number two being a boy.

Celebrity Couple Predictions: Helena Bonham Carter, Cameron Diaz and Chris Brown

By

[Shoshi](#)

With the new year finally here, there's bound to be a lot of exciting celebrity couple news for us to digest! Here are my predictions for three pairs who are currently popular in the media:

Helena Bonham Carter and Tim Burton: After thirteen years together, Helena Bonham Carter and Tim Burton have separated. The couple actually split earlier this year, and this news is just now coming out. In what appears to be one of the more amicable splits in Hollywood, they are staying friends because they have two children together.

This separation shouldn't come as such a surprise. About a year ago, Burton was seen with a mystery blonde and accused of cheating. While he may not have been cheating, where there is smoke, there tends to be fire.

So what's next? Burton will attempt to make some movies without Bonham Carter, but that won't last for long. He will bring her back to his films. Even though they are no longer together, she is still his muse. Look for Bonham Carter to have a new boyfriend soon – a younger actor, someone who will be quite shocking. Let's not forget that, while she is quirky, she is an attractive woman. Her brilliance, beauty, and different appeal will keep the stud very interested.

Related Link: [Cameron Diaz and Benji Madden Are Engaged](#)

Cameron Diaz and Benji Madden: The latest celebrity couple that is rumored to be getting married is Cameron Diaz and Benji Madden. Depending on what news source you believe, the two of them will be skipping down the aisle and having a baby as soon as possible.

This is a very interesting pair. When I take a look at their love energy, it isn't so cut and dry. It is not clear what will happen between them. This could be due to the fact that they are still trying to figure it all out. I do see problems for them down the road unless Diaz is more open to change in their relationship. She is a very independent woman. Let's just say that she is just fine without a man by her side. Some of that reasoning is because she has had no problem getting one; the issue is finding a guy that she wants to keep.

I wish this couple the best. Baby energy is circling Diaz, and she will make a great mom. Let's cross our fingers that Madden keeps Diaz interested, or this relationship may not last long.

Related Link: [Chris Brown Says Karrueche Tran Dated Drake and Didn't Visit Him in Jail](#)

Chris Brown and Karrueche Tran: Recently, the rapper proclaimed that he was single and went off about his ex-girlfriend dating Drake behind his back when he was in jail. It appears that it was all in his mind though. According to Drake, Tran's small bottom is not big enough for him to look at her twice. In case you didn't know, Drake loves a big booty on his woman.

Just when you thought they were finally over, it looks like Brown and Tran may be back on again. They were spotted all cuddled up at a club. One has to wonder if Brown will be able to have a healthy relationship. He has been diagnosed with bipolar disorder, which seems to be affecting some of his choices. Tran may want to stand by her man, but she's enabling him to treat her any way that he wants – which is never good!

This relationship will continue to be filled with drama. The on-and-off love will continue until Tran says "enough is enough" and moves on to get herself a new man to settle down with.

Celebrity Couple Predictions: Kris Jenner, Neil Patrick Harris and Rachel Bilson

By

[Shoshi](#)

For today's celebrity couple predictions, we're looking at three very different but seemingly happy couples. One pair of new lovers is all wrapped up in each other despite receiving their fair share of speculation from the public; another duo is thriving in their marriage and family; and the last couple is celebrating the recent birth of their first child.

Kris Jenner and Corey Gamble: Raise your hand if you believe that this is a real relationship. From the moment I saw these

two together, the word “staged” came into my psychic radar. In fact, the best way to summarize this relationship is “staging with benefits.” Don’t get me wrong: Jenner is an attractive woman and still has it going on. Of course, she could cougar it up better than anyone – I even expect that from her at this point! There just seems to be calculation around this so-called relationship. All we really know about Gamble so far is that he works with Justin Bieber’s manager, Scooter Braun.

Do not be surprised if you find out that Gamble is about to drop an album or he wants to start his own management firm. Better yet, he could partner with Jenner’s empire. Either way, he wins because he is not only getting the attention he wants but has a sugar mama to play with until this hot mess is done.

Related Link: [Khloe Kardashian Approves of Kris Jenner’s New Beau Corey Gamble](#)

Neil Patrick Harris and David Burtka: I might be biased because I love the former *How I Met Your Mother* star and adore his relationship with Burtka. They seem to really love and respect each other, though I always wondered how Burtka felt about giving up his career – or shall I say *changing* his career – to accommodate Harris, who was more successful.

In case you didn’t know, the couple got married in September and then moved to New York City with their two adorable twins. They are being open about the fact that Burtka was rather miserable in Los Angeles. Now in NYC, he’s feeling like his happy self again.

These two are stronger than ever. Both will be able to have an identity, something Burtka struggled with in LA. Burtka will do a lot of theater, while Harris, of course, will host the Oscars. I also see that Harris will be on a television show that’s based in NYC. Money is not an issue for them anymore, so they will be able to work or not work when they choose. Their family will remain a priority. The twins will flourish

in NYC as well. All is moving in the right direction for the Harris-Burtka family!

Related Link: [Neil Patrick Harris and David Burtka Share Italian Wedding Photo](#)

Rachel Bilson and Hayden Christensen: These two actors just welcomed their daughter Briar Rose into the world. This little bundle of joy should turn out to be quite a cutie considering that both of her parents are lookers! But what is really going on with this couple? They're not married but have been together longer than many celebrity couples. They started dating in 2007, got engaged in 2008, broke up in 2010, and got back together only three months later. Now, they have a baby, which is a game changer.

I predict that Bilson and Christensen will get married and that we will be the last to know about it. They'll invite some family and close friends to brunch or a party, and then a minister will drop in to officiate their wedding. I can see Bilson casually mentioning on a talk show that she's married. Parenthood will change this couple for the better, making them stronger. The *Hart of Dixie* actress is always going to be the breadwinner between the two of them, thanks to her successful TV career and being a spokesperson for numerous products.

Celebrity Couple Predictions:

Ashlee Simpson, Khloe Kardashian and Mama June

By [Sho](#)

[shi](#)

For today's celebrity couple predictions, we're looking at three pairs who are in various stages of a relationship: one set of newlyweds, one rebound relationship, and one surprise split.

Ashlee Simpson and Evan Ross: When it was first announced that the former pop princess was engaged to the son of songstress Diana Ross, nobody thought the marriage would actually happen. Some wondered why the 26-year-old Ross was hitching himself to a single mother instead of going out and sowing his wild oats. Despite the naysayers, the wedding took place earlier this summer in Connecticut.

What I think some people forget is Ross has probably seen and done a lot in his two and a half decades, far more than any of us may do in our lifetime. For Simpson, this is her second go at walking down the aisle; be sure that she learned a thing or two on how to make a marriage work.

The newlyweds will give this marriage a good run. They have great chemistry and look very happy together. Around the beginning of the year, expect a baby announcement from them; I see a beautiful daughter in their future. Family is very important to the both of them and will always be their priority.

Related Link: [Ashlee Simpson Ties the Knot with Evan Ross at Diana Ross' Estate](#)

Khloe Kardashian and The Game: If I had to be stuck in an elevator with a Kardashian sister, it would be Khloe. She has always been the one Kardashian who speaks in complete sentences and makes pretty good decisions – that is, until she started dating rapper French Montana. Finally, her relationship with him is over, a rebound love that lasted far too long. Now, the reality star is back to spending some quality time with rapper The Game. He seems to be her go-to guy after every break-up.

These two look like way more than just friends sitting around having tea. They are a good example of friends with a lot of benefits. It's kind of a shame that they're in such different places when it comes to what they want in a relationship. They would be good for each other, and they understand each other on many different levels.

It would suit Kardashian to take time away from dating to be able to truly heal from her divorce from Lamar Odom. It would be the best way for her to get grounded and figure out what she really wants in a relationship. Hopefully, she gets it together soon and can have the marriage and baby that she

desires.

Mama June and Sugar Bear: The separation of reality TV stars Mama June and Sugar Bear came as quite a shock. Honey Boo Boo's mom thinks that her husband has been cheating on her, so she kicked him out of the house. Turns out, he *has* been creating profiles on dating sites such as PlentyOfFish.com. Who knew that he was such a stud?

Mama June has taken off her wedding ring and let it be known that the two of them are taking some time apart to figure things out. I predict that she'll get a little makeover and spruce herself up a bit – nothing too glamorous but something new for her. She will even test the dating scene to see what comes her way.

At this time, it's unclear if their relationship will work out. The time away from each other will do them good. Mama June will actually enjoy being single, while Sugar Bear will miss having his family around. After all, sometimes, you don't know what you have until it's gone.

Celebrity Couple Predictions: Sofia Vergara, Charlize Theron and Zac Efron

By [Sho](#)

[shi](#)

For today's celebrity couple predictions, we're looking at one pair that caused speculation as merely a rebound, one that sparked initial doubt from the public but may turn out to be the real thing, and one that's still in the first stages but looks promising.

Sofia Vergara and Joe Manganiello: When Sofia Vergara was first spotted getting up close and personal with *True Blood* star Joe Manganiello, they were declared the hottest couple in Hollywood. Within minutes, Kimye got dethroned as the "It" couple and became yesterday's news.

These two actors make an interesting match. On paper, they're a ten – with their looks, money, charm, and success. However, their relationship doesn't look like it has lasting power. As a matter of fact, it looks more like a publicity move. This isn't to say that Vergara and Manganiello don't enjoy each

other's company, but it benefits both of them to be seen together.

Vergara is not about to get serious with anyone. She is still getting over her relationship with her shady ex-fiancé. You know the saying: The best way to get over a man is to get under another one! Manganiello is the best kind of rebound guy – totally hot and a lot of fun.

For now, this couple is just enjoying some time together and making headlines. Don't expect a wedding invitation from them anytime soon though.

Charlize Theron and Sean Penn: Could it be that bad boy Sean Penn has actually been calmed down by love? Throughout the years, the actor has made headlines for his turbulent relationships with Madonna and Robin Wright Penn. While he was married to Wright Penn for fourteen years, they separated numerous times, which eventually ended in divorce.

The first few times that Penn was spotted with Theron, it was hard to believe since she normally dates the clean cut type. Plus, she's a single mother, so what would she be doing with him? The media then assumed it would be a short-lived fling, but now, it looks like this couple is headed down the alter.

For the first time in years, Penn actually looks happy. He is smiling in pictures all of the time, something that was rarely seen before. There are even adorable photos of him with Theron's adopted son, Jackson.

It looks like the marriage rumors could be very valid. However, if they do wed, it will be an intimate ceremony in the fall. There will not be any big announcements, just the two of them with friends and family.

Zac Efron and Michelle Rodriguez: The first time the cameras caught Zac Efron and Michelle Rodriguez all over each other, they were making out on a yacht. The last known relationship that Rodriguez had was with model Cara Delevingne. At this point, there has not been a statement that Efron and Rodriguez are officially dating; however, the hot photos of them keep coming.

When I look at what is going on between this duo, their attraction to each other is mutual respect and support. While the media keeps saying that it may be a bad idea for them to be together, she may be just the thing that the actor needs. If anyone can understand his drug addiction, it's Rodriguez, who has had issues with drugs herself.

For now, this relationship will stay low-profile, as it's one that Efron is not ready to share with the world. With Rodriguez, he gets to be exactly who he is without any pressure, which is exactly what he wants right now.

Celebrity Couple Predictions: Chrissy Teigen, Jessica Alba and Eve

By

Shoshi

For today's post, let's look at three celebrity couples with happy and strong relationships – one twosome settling into married life, one duo with two adorable daughters, and one pair of newlyweds:

Chrissy Teigen and John Legend: This beautiful supermodel and her husband are just simply one of the cutest couples in entertainment. They were together for seven years before the sexy singer put a ring on it, and now, the couple appears to be blissfully married.

What makes these two work is that they allow each other to be who they are. In case you haven't noticed, Teigen is a bit of a wild woman, while Legend is more reserved. It's a great balance in their relationship, and there is a wonderful foundation of love and respect that keeps them going strong.

Baby energy is swirling around Teigen, so expect an announcement that they will be welcoming a bundle of joy by late September or early October. I keep seeing two babies arriving at the same time, which could be a sign of twins.

Once Teigen starts to have kids, she will have a clothing line for little ones, which will be a huge success around the world. It will be such a hit that she will pretty much drop modeling to focus on being an entrepreneur.

Jessica Alba and Cash Warren: There are rumblings that this pair are having marital troubles due to The Honest Company founder being the breadwinner. They met on the set of *Fantastic Four* – she was the lead actress in the movie, while he was a production assistant. At the time, Alba was the more famous of the two, but who knew she would go from being a B-list actress to a savvy entrepreneur and spokesperson?

Fans, rest easy: Alba and Warren are not separating or getting a divorce. They are best friends and trust each other with everything. However, there is a some tension in their marriage. Warren is trying to figure out how to leave his mark on the entertainment business by being known as more than “Jessica Alba’s husband.”

Luckily, Warren is beginning to gain some ground as a producer. He will end up producing a movie that gets him some notoriety and even nominated for an award – and Alba will be there right by his side, cheering him on. This couple will continue to go strong.

Eve and Maximillion Cooper: Eve is officially off the market! This past weekend, she married her longtime boyfriend, Gumball 3000 entrepreneur Maximillion Cooper, in an intimate ceremony in Ibiza, Spain. The two met at the Gumball 2010 rally when Eve was a participant in the race, and they have been together ever since.

While some may think that they’re an odd couple, they are a

great match. Eve became really clear about the type of relationship that she wanted, and she made big changes in her life for love, including moving to London. Long story short, girlfriend did what she had to do to get her dream guy. It can also be said that the singer is exactly what Cooper was looking for. After his first marriage ended, he wasn't sure he would get married again, but now, he cannot imagine his life without Eve; she is his backbone.

Recently, the rapper formed her own label and released an album, but all of that is going to take a backseat now. She's going to focus on her new television show about interracial couples and getting pregnant. Cooper has four children with ex-wife Julie Brangstrup, but Eve is so ready to have a little one of her own with him. She also recently said that her stepchildren want her to make them a brown baby sister. A baby is indeed on the way but not until 2015.

Celebrity Couple Predictions: Mariah Carey, Mila Kunis and Lupita Nyong'o

By [Sho](#)

[shi](#)

For today's column, let's take a look at three celebrity couples that are hot topics of relationship gossip – whether it's because of a whirlwind relationship that's still going strong, a seemingly-perfect twosome that recently announced their engagement and pregnancy, or a possible new coupling:

Mariah Carey and Nick Cannon: Since the day these two got together, they've made headlines. Their quick wedding had people predicting that they'd be divorced within months. Looks like the critics were wrong – at least for now! This quirky couple is celebrating six years of marriage yesterday.

Cannon has been very verbal about their sex life, even to the degree that it can be too much information. Did we really need to know that a lot of nookie is what keeps their relationship alive? Carey is not always thrilled that her hubby shares their marriage with the world. As a matter of fact, it's reported that she told him to stop talking about all of the women he was with before her because she didn't want to hear about it anymore.

Even though there are a lot of questions that surround them, this couple is a good fit. Since they started dating, Carey has calmed down, while Cannon has grown up a bit. They both enjoy adventures, so they always seem to be dressing up in costumes or doing something fun with their twins. On the flip side, the songstress is not fond of the comic's antics, which causes some stress and strain on their marriage. There may come a day when she is totally over his behavior, but it won't happen until their children are older.

Mila Kunis and Ashton Kutcher: This adorable couple originally met while working on *That 70's Show* where their characters, Jackie and Kelso, dated and talked about having a baby. Looks like the show predicted real life since they're engaged with a baby on the way!

All is looking good for the famous pair, and there shouldn't be any roadblocks before their upcoming wedding. The two of them are just enjoying all of the good things in their lives. They're an ideal duo since they have the same values and are both down-to-earth in their approach to life.

I do, however, see a bit of back-and-forth when it comes to their prenuptial agreement. Kutcher's divorce from Demi Moore is still fresh on his mind, so he knows how things can go down if a marriage ends. Other than sorting out these financial details, everything is wonderful. From what I can see in their relationship, their prenup will never need to be used.

Related Link: [Mila Kunis and Ashton Kutcher Are Expecting!](#)

Lupita Nyong'o and Jared Leto: Recently named the most beautiful person in the world, it's all good in the lovable actress's world. What exactly is going on in her dating life? She's extremely hot right now, so the men must be lining up to see what she is all about. Nyong'o has been linked to Academy

Award winner Jared Leto and rapper K'naan.

As much as I would love to see Nyong'o with Leto, it's not happening. It's fun to see the actor flirt with Nyong'o, and they would make such a gorgeous couple (can you imagine their kids?), but it looks like the *12 Years a Slave* star spends more quality time with K'naan.

Nyong'o is not thinking about dating around right now. Besides Leto, she gets attention from some of the best looking men in Hollywood. As for those rumors saying that she is going to run off and marry her rapper boyfriend, don't believe them. The spirits say that she'll soon be dating a sexy Hollywood actor who has been smitten with her for a while.

Celebrity Couple Predictions: Mary-Kate Olsen, Eva Mendes and Amal Alamuddin

By [Sho](#)

[shi](#)

For today's column, let's take a look at three celebrity couples that are on top of the media's radar— whether it's because of an odd pairing, an on-and-off-again relationship, or a surprising new coupling:

Mary-Kate Olsen and Olivier Sarkozy: The former child star turned fashion designer is rumored to be engaged to the banker, although she has yet to officially confirm the news. When this engagement was first announced, there was a collective “ew” heard around the world.

Olsen is 27 years old, while Sarkozy is 44 years old – but one can say that Olsen has experienced a lot in her 27 years. Therefore, their 17-year age difference shouldn't be a major factor in this relationship. It's the visual of seeing them together that makes people stop and ponder a bit. She's a petite youthful-looking pixie, while he's over a foot taller than her and looks every bit of his four decades. In other words, he looks more like her daddy than her fiancé. Seeing the two of them with his teenage daughter definitely makes you do a double take!

Since Sarkozy and Olsen have been together, she seems to be completely drama-free. The two already live together in a six-million-dollar home in New York City, and the fashion designer has shown how she will be as a stepmom to Sarkozy's two children. So the next step appears to be marriage. I can see them getting married secretly and having a baby together before the relationship hits a major bump.

Related Link: [Mary-Kate Olsen Is Engaged to Olivier Sarkozy](#)

Eva Mendes and Ryan Gosling: Are they together or not? That's the question. The two of them haven't been photographed together for over three months. In the midst of the break-up rumors, she has been seen walking his dog, while he has been seen driving her car and peeking over her fence. One report even had the actor rekindling his relationships with his *The Notebook* co-star Rachel McAdams, who he admitted was his first love.

Maybe the twosome are just having fun and like to keep us all guessing. It could also be a way to get people interested in Gosling's directorial debut *How to Catch A Monster*, which Mendes stars in.

In looking at their relationship energy, I feel like these two can't figure out what they're doing. Either they commit to each other 100 percent and get married or buy a house together, or they split and move on. Part of why they're staying together is their comfort level.

Also, might I add that it looks like things in the bedroom are quite fabulous. Let's keep it real: Good loving will make anyone stay around a little bit longer!

Related Link: [George Clooney Vacations With Rumored New Girlfriend Amal Alamuddin](#)

George Clooney and Amal Alamuddin: It has finally happened: Clooney is dating a woman who has beauty *and* brains. This

isn't to throw any shade at the lovely ladies he has dated in the past, but his new girlfriend has some major girl geek credentials. Alamuddin's resume includes a career in international law, fluency in French and Arabic, and a degree from Oxford. Plus, she's an author.

Some say that she's way out of Clooney's league. While the actor is no Oxford grad, he is deeper than some of his former dating choices. Let's not forget that he normally makes his intellectual statements in the movies that he produces and directs.

There is speculation that he staged the recent photos of the couple in New York because he's upset that his ex Stacy Keibler got married and is expecting a baby less than a year after their break-up. I won't go so far as to say that Clooney cried over Keibler's big news, but it bruised his ego a bit. He's used to his exes looking a little pitiful in the press when he drops them, whereas the beautiful blonde rebounded with a win.

His relationship with Alamuddin will have a typical Clooney run. She will accompany him to events, vacations, and other high-profile outings. However, she will bore of him versus him getting bored with her. She's a woman of many layers; Clooney picked a lady who will give him a run for his money.

Celebrity Couple Predictions:

Jordin Sparks, Nina Dobrev and Gwyneth Paltrow

By [Sho](#)

[shi](#)

For today's column, let's take a look at three celebrity couples that keep the gossip mills churning – whether it's because of a potential engagement, a possible new love affair, or never-ending separation rumors.

Jordin Sparks and Jason DeRulo: Lately, all eyes have been on this couple, wondering when they're going to get engaged. DeRulo made the smoothest move ever on Valentine's Day by gifting his girlfriend with 10,000 orange roses. How in the heck is he going to top that? What also has people buzzing is that the sultry singer proposed to Sparks in his latest video for "Marry Me."

Calm down, and stop waiting for your wedding invitations. They're only 24 years old – why is everyone trying so hard to marry them off? They're still figuring it out. That's not to say that they haven't started talking about marriage; right now, it's out on the table and being discussed. The two of them are best friends, so it's looking really good.

DeRulo is still trying to decide how and when to propose. I see it coming on a holiday or a birthday; New Year's Eve keeps popping up.

Nina Dobrev and Liam Hemsworth: Are these two Atlanta-based actors a new couple? They have recently been spotted on a date and sharing a few kisses.

If they do decide to pursue a relationship, don't look for this one to last a long time. No offense to Dobrev, but she's in a rebound situation after her split from longtime boyfriend (and *The Vampire Diaries* co-star) Ian Somerhalder.

Similarly, Hemsworth's energy is all over the place when it comes to his heart. Can you blame him? By the end of his relationship with Miley Cyrus, it had become a train wreck. He has a bit of healing to do. He isn't sure what he wants in a relationship, so he's just having a good time and looking to see who's out there. The *Hunger Games* actor has a few wild oats to sow before settling down again.

Related Link: [Find Out About Liam Hemsworth Post-Miley Hookup with Eliza Gonzalez](#)

Gwyneth Paltrow and Chris Martin: Oh, how the gossip is flying on the marriage of this longtime pair! Her reps have denied that she's having an affair with lawyer Jeff Soffer; there have been other names thrown around as well. The question remains is any of it true – and who knows? Only those people

directly involved with the couple know the real deal.

When I look at the marriage of the actress and musician, it's in deep trouble – and not just because of affair rumors or because Martin may not be a happy camper living in Los Angeles. Long story short, the Coldplay frontman is bored to tears with their relationship, and he looks disconnected. If things don't turn around soon, look for a divorce announcement. Martin is going to want to split, but Paltrow will make sure that it looks like she's the one who wants to end their marriage, as her image is very important to her. Martin will be fine with that as long as he gets to move on.
