Celebrity Couple Predictions: Amber Heard, Kaley Cuoco and Hilary Duff

By: [Shoshi](#)

For today's column, let's take a look at three celebrity couples who have made headlines lately for shocking relationship moves – whether it's a surprise engagement, a quickie marriage after a whirlwind romance, or a separation announcement from a seemingly happy couple.

Amber Heard and Johnny Depp: Depp recently announced his recent engagement to actress Heard. Two words that came to mind when I heard this news were “hot mess.” Not because I think it's too soon for the actor to be in a serious relationship, but because this relationship has signs of doom written all over it.

The 27-year-old actress met her 50-year-old fiancé while working on *The Rum Diaries*. There have been so many allegations about their romance that it's hard to know what to believe. The main rumor that stands out is that Depp and Heard broke up not that long ago so that she could date a woman. He somehow won her back and put a ring on it.

The only thing that is clear in this relationship is that Depp is trying his best to keep Heard around. What better way than to get married! Their relationship energy is two lost souls floundering around. The biggest question is how long can the actor can keep his partner entertained before she wants to leave again. I hope he's smart enough to get a good prenup, as

there's no way this relationship is going to last.

On another note, the media keeps trying to make it seem like Depp's ex, Vanessa Paradis, is jealous over his engagement. This rumor couldn't be further from the truth. Paradis left Depp; *she* was the one who didn't want to get married. Depp has repeatedly confirmed this truth in interviews since their split, and his ex has moved on.

Kaley Cuoco and Ryan Sweeting: The *Big Bang Theory* actress ended a relationship with Henry Cavill and pulled the ultimate bounce back: She fell in love with tennis player, Ryan Sweeting, and got married. If you blinked, you may have missed the whole thing. The couple dated for only five months before sprinting down the aisle.

There is something rather awesome about this marriage. It's a classic case of "you know when you know." Sure, they got married quickly, but when I look at their relationship, it looks like they both knew it was meant to be. Cuoco was looking for something different when she met Sweeting. They've been together before in a past life, which is why it felt so comfortable when they met this time around.

The bets have started on when they'll divorce, but save your money. These two are going to be together for awhile. Don't be surprised if a baby announcement comes within a matter of months. Baby energy is swirling around the blonde beauty. Since they're having so much fun together, Cuoco would like to wait a little bit before having kids, but babies have a way of sneaking in when they're ready.

Hilary Duff and Mike Comrie: Looks like one Disney princess is

about to get a divorce from her Prince Charming. This move comes as a surprise to many people who thought that Duff and Comrie were a happily married couple. As I look at the singer's energy, she's in a totally different place than she was when she got married. A part of her looked up to Comrie as her older and wiser lover. Well, getting married and having a baby will make a woman grow up really quickly. Long story short, she snapped out of it.

Duff will always have love in her heart for Comrie, but it's not the kind of love that keeps a marriage going strong. The passion between the two of them left a long time ago. It also looks like Duff considers Comrie a big turnoff, and once a woman is turned off by a man, it's hard to go back.

It's great that they tried everything in their power to stay together, but it's time for them to both move on. Duff is going to come back with a resurgence in her career. She's going to gain some new fans with her hot MILF status, but dating will not be her priority; she will be focused on being a single mother during this new chapter in her life.

Celebrity Couple Predictions: Jessica Simpson, Miranda Kerr and Beyonce

By [Shoshi](#)

For today's column, let's consider three couples who have controversy currently surrounding them, whether it's because of baby weight, a surprise split, or anti-feminist song lyrics:

Jessica Simpson and Eric Johnson: This blonde pop star has come a long way, which makes it so easy to root for her success. Recently, she announced that she's going to stop acting and retire from the entertainment world. Her focus is now on being a business woman and mother.

All of that also means that she's finally ready to marry her baby daddy, Johnson. When I took a closer look at their relationship, it looks like everything is falling into place for them. The question of will they or won't they tie the knot is about to be put to rest. This time, the wedding *will* take place. It's a wonderful time for them to get hitched, now that they have two cute kids and Simpson has lost the baby weight.

This celebrity couple has a pretty normal relationship, and their wedding should be held in 2014. Don't expect too much drama – everything is going strong with them.

Miranda Kerr and Orlando Bloom: This beautiful couple has called it quits, which was a surprise to many people. Rumors

have circled that Kerr cheated with Leonardo DiCaprio and Justin Bieber, while Bloom has recently been seen with Liv Tyler, causing the media to assume they're more than friends.

When considering the lost love between these exes, it looks like it just ran its course. Their relationship was well over before they made it official. They still care deeply for one another and always will, but it is more like a friendship. They tried to stay together for their child but realized it was just better to say goodbye.

Bloom will date around a bit before settling down again, breaking a few hearts along the way. He's going to enjoy being a single dad. As for Kerr, there are plenty of suitors circling her. After all, models hardly ever have a hard time finding rich men to love them.

Beyonce and Jay Z: How can I not bring up this power duo considering the current controversy sounding them for the song "Drunk Love," in which Jay-Z compares their relationship to Ike and Tina Turner? The lyrics have stirred mixed reviews from fans and feminists alike. How can a strong woman like Beyonce allow those lyrics on her album? Keep in mind that the singer has never called herself a feminist; other people just view her in this way.

This is all to say that these musical stars don't have the amazing relationship that most of their fans want them to have. I know some people will not like me saying it, but when I look into their marriage, it's not that great. There's a rumor that Beyonce thought about leaving Jay-Z because he didn't put his family first, and it definitely has many elements of truth in it. Plus, there are often reports of Jay-Z having relations with other women. His entrance into the sports world will put even more strain on their relationship.

It'd be awesome if they had the picture-perfect marriage that has been marketed. If you are one of the people who believe that they are crazy in love, it's all good. Just remember that, no matter how much money or fame someone has, we all go through the same ups and downs in our relationships.

Celebrity Couple Predictions: Jennifer Aniston, Julianne Hough and Kim Kardashian

By Shoshi

For today's expert post, I want to look at the energy of three celebrity couples who have been plagued by rumors this summer: Jennifer Aniston and Justin Theroux, recently-split Julianne Hough and Ryan Seacrest and new parents Kim Kardashian and

Kanye West.

Related Link: [Celebrity Couple Predictions: Halle Berry, Jada Pinkett-Smith and Heidi Klum](#)

Jennifer Aniston and Justin Theroux: It's no surprise that these two lovebirds postponed their wedding – I think even Stevie Wonder could've seen this one coming. There's definitely some conflicting energy around this relationship. Let's dissect it, shall we? The top reason for the wedding being postponed is that Brad Pitt and Angelina Jolie are getting hitched this summer too, and Jennifer Aniston doesn't want her wedding close to the same time. Can you blame her?

The other rumor is that she and Justin Theroux are just too busy to get married. Now, I can't help but question this excuse. When people are ready to spend the rest of their lives together, the last thing they'll let stand in the way is their hectic schedules. After all, it's not like the two of them can't afford to take some time off.

When I look at Theroux's energy, it reveals that he isn't the marrying type. He can feel committed to someone *without* a ceremony. There's nothing wrong with that perspective as long as Aniston is fine with it.

He also feels like he doesn't have any control in the relationship. For instance, after planning to live in New York, Aniston said it felt like a fishbowl and moved the couple back to Los Angeles. Even so, Theroux has been spotted checking out places to live in downtown New York. Aniston has taken Theroux out of the playground where he feels most like himself, which tends to be a big damper on a relationship, especially for men. If Aniston doesn't allow Theroux to feel comfortable, he'll seek that feeling from someone else. Their love can go either way at this point!

Julianne Hough and Ryan Seacrest: Since this adorable couple

broke up in March, everybody is on Ryan Seacrest-dating watch. Who will he date next? And will he get back together with Julianne Hough? The spirits say no; he's ready to move on.

Hough, on the other hand, is trying to win the television host back – she has her eye on being Mrs. Seacrest. Unfortunately, it's so not going to happen. Seacrest definitely cares about her, but she's just not the kind of partner he wants/needs as he builds his empire. It also doesn't look good that Hough has been partying like a college girl in recent months. She's screaming for attention from her ex, but instead, she just needs to look for love elsewhere.

Kim Kardashian and Kanye West: Little North West arrived five weeks early, much to the delight of her parents, Kim Kardashian and Kanye West. After the baby's name was announced, people immediately started saying that this famous pair were already bad parents.

Looking at their energy, I think West is going to be a pretty good dad. As for Kardashian, she'll have a bumpy time at first because the baby girl will feel more comfortable with her dad. The reality star will try a little too hard to be a "good mother," which will ultimately hurt her parenting skills. Plus, North will be the number one priority for West, leaving Kardashian a bit jealous. While West and Kardashian love the spotlight, the rapper will have a better grasp on why it's important for their bundle of joy to *not* be a part of the entertainment business until she's a bit older. When the time is right, though, North West will be a mini-mogul following in the footsteps of her parents. Mark my words!

Celebrity Couple Predictions: Halle Berry, Jada Pinkett-Smith and Heidi Klum

By Shoshi

A celebrity's love life tends to be packed with things that create a hot mess. At the end of the day, when it comes to their relationships, they're just like everybody else: simply trying to figure it all out.

For my first expert post, I took a look at the energy (aura) of some hot couples: the sexy Halle Berry and Olivier Martinez, open marriage lovers Jada Pinkett-Smith and Will Smith, and last but not least, Heidi Klum and her bodyguard boyfriend, Martin Kirsten.

Related Link: [Spring Cleaning: 5 Signs It's Time to De-Clutter Your Love Life](#)

Halle Berry and Olivier Martinez: I have been keeping a psychic eye on Halle Berry since she announced that she's dating Olivier Martinez. From the very beginning, their energy as a couple looked vibrant and stable. While women envy Berry and assume she can have any man that she wants, her love life tends to be filled with drama and heartache. Berry was always into the "pretty boy" types, not that that's a bad thing. However, Martinez is an upgrade; Berry finally has a grown man by her side.

Recently, Berry revealed that she is pregnant with Martinez's baby. Berry has never looked happier on the outside, but there has been a shift in her energy on the inside too. She is more settled and comfortable in her own skin. While she has made a shift to fully embrace self-love, Martinez has been a big part of healing Berry's energy in her heart. Looking at their relationship as a whole, they have a wonderful connection.

From what I can see, it looks like Berry will have a bouncing baby boy. I also predict that Berry and Martinez will pull a Janet Jackson move by getting married at a secret sexy location in Paris.

Jada Pinkett-Smith and Will Smith: Finally, Jada Pinkett-Smith decided to address the rumors about having an open marriage with Will Smith. Not so fast, though: she actually did *not* come out and say that they have an open marriage. We did find out that Smith is his own man who can do whatever he wants and that Pinkett-Smith trusts him since they have a grown-up relationship. Some people are confused about what the heck she means since it wasn't a direct statement.

This couple has a very interesting energy that looks strained in certain areas. It look like they were talking about divorce, which was coming more from the side of Pinkett-Smith, but she changed her mind. Smith appears to be exercising their rule of doing whatever he wants more than her. She was feeling a bit neglected, but it made her hubby realize that he has to

prioritize what he has at home, or it shall be lost.

Although there is love in their relationship, it looks like the type of love that is friendship-based. There is a lack of passion between them at this point; if that doesn't shift, this marriage will be over for good.

Heidi Klum and Martin Kirsten: When Heidi Klum started dating her bodyguard, Martin Kirsten, it raised a few eyebrows. Hopefully, Kirsten will guard his heart in this relationship since Klum's energy has rebound written all over it. What Klum was missing in her marriage with ex-husband Seal, she is getting from Kirsten; however, she isn't allowing her feelings for him to run deep.

Kirsten is completely smitten with Klum and her kids. In fact, he had feelings for her before they started dating. It's not looking good for him though. Klum isn't ready to fully open her heart to anyone. One day soon, Kirsten is likely to get a kiss goodbye from Klum, and he won't even see it coming.

The Law of Attraction Between Celebrity Couples

By Yolanda

Shoshana, Luscious Lifestyle Diva

Biker boy and ex-husband to America's sweetheart, Jesse James recently declared that 2010 was the best year of his life.

That declaration definitely made some people raise an eyebrow or two. Since when does a messy divorce and the possibility of losing your child constitute the time of one's life? But according to James, it all led to him finding love with Kat Von D. When he announced his engagement to Von D, people said they are perfect for each other, which was not necessarily a compliment in their case. That said, there's no doubt that the law of attraction was working its magic when the two of them met.

Simply speaking, the law of attraction is when "like" attracts "like." Take a look at Jesse James and Sandra Bullock's different places in life. Clearly, they had perspectives and ideals that simply didn't match, whereas James and Von D are on the same page.

Another example of the law of attraction at work is between celebrity couple Angelina Jolie and Brad Pitt. They ended up together not just because of physical attraction, but also due to other attraction elements. Chances are there were issues in the Pitt and Aniston marriage, which allowed Jolie to swoop in. Now, people see Aniston as a woman who can't find love, while I see as her as a woman who likes freedom, loves her

body, likes a good looking dude, and just wasn't about to have a tribe of children. Aniston's attraction to Pitt didn't last because they simply have different energies and wants in life. In other words, they broke the law of attraction.

The law of attraction is a key ingredient when it comes to finding the love of your life. To utilize it in your search for love, all you have to do is ask, believe and receive with full clarity. As simple as that sounds, people get impatient when it comes to the "believe" part. While it would be fabulous if the love of your life arrived five minutes after you incorporated the law of attraction, it doesn't happen that way. Sometimes it takes time for the opportunity to present itself, but know that it's well worth the wait.
