## New celebrity love birds Selena Gomez and Zedd are nothing if not flirtatious. What are three ways to show a crush you're interested in him or her?

### Cupid's Advice:

When you develop a crush on someone, it's important to let them know you're interested without being too obvious. Cupid has some dating advice:

- 1. Be yourself:** Although you may be feeling shy at first, which is completely understandable, make sure to just be yourself. Let him/her get to know who you truly are, so they get to know the real you instead of someone you are pretending

to be. You should aspire to be the best version of yourself each day!

**2. Body language:** Your body language and facial expressions are both ways to communicate, therefore; it's important to pay attention to these aspects when interacting with your new crush. Smile, look engaging, be confident, laugh and look like you want to be in their presence. Don't look timid, bored or nervous. If it's evident that you're interested in being there, they will pick up on that. Try not to text or email on your phone too much. Pay attention to them and your surroundings.

**3. Get in touch with your feelings:** The most imperative thing to do is get in touch with your inner feelings. Determine how you feel about the people in your life and your situations. Once you are sure you have a crush on someone, pursue it and let them know. It can be a little scary but you will be glad afterwards because you will know if the feelings are reciprocated. If they feel the same way about you then great! If they just want to be friends, then take their friendship and be glad you found out when you did so that you can pursue someone who is meant for you. It's a win, win situation!

## **Cupid’s Advice:**

The beginning of a new relationship and love should be filled with joy and bliss. However, when your pals are unsupportive

of your new partner, it can put a damper on your happiness. If you're facing criticism like this celebrity couple, Cupid has some tips:

**1. Introduce them:** If your buddies haven't met your significant other yet, ask them to be open-minded until they get to know each other. If they've already been introduced and had a negative first impression, tell your buddies that it'd really mean a lot if they would give your beau a second chance. Encourage them to set judgments aside until they spend some quality time together.

**2. Listen to their concerns:** It may seem counterproductive, but it's important to ask your friends to explain their doubt to you. As much as you may want to ignore their criticism, giving them the chance to share their worries will go a long way. It'll help you understand where they're coming from, and it'll allow your pals to feel like they're being heard. Getting everything out in the open will help you all move forward in a graceful way.

**3. Be honest:** If all else fails, you need to have a heart-to-heart with your loved ones and open up about your new relationship. To help them understand how you feel, share the reasons why you want to be with your significant other and how they make you feel. If they truly love you (and they should!), seeing you so happy should be enough for them.
